

Minnesota Film and TV requests \$2,000,00 in Legacy ACH funds for FY2014/2015 to develop and administer competitive grants to Minnesota filmmakers, in the following categories:

Production Grant(s)

Finishing Fund Grant

Youth and Emerging Media Artist Grant

Minority and New Immigrant Filmmaker Grant

This level of funding would allow MN Film and TV to provide Minnesota filmmakers with significant levels of funding to offset costs in a difficult investment environment. This level of funding would also allow our office to more completely serve the needs of a broadly-based community of filmmakers.
