

1.1 moves to amend H.F. No. 4125 as follows:

1.2 Delete everything after the enacting clause and insert:

1.3 "Section 1. Minnesota Statutes 2024, section 257.0762, subdivision 1, is amended to read:

1.4 Subdivision 1. **Duties.** (a) Each ombudsperson shall monitor agency compliance with
1.5 all laws governing child protection and placement, as they impact on children of color. In
1.6 particular, the ombudsperson shall monitor agency compliance with sections 260C.215;
1.7 260.751 to 260.835; 260.61 to 260.693; and 260C.193, subdivision 3.

1.8 (b) The ombudsperson shall work with local state courts to ensure that:

1.9 (1) court officials, public policy makers, and service providers are trained in cultural
1.10 diversity. The ombudsperson shall document and monitor court activities in order to heighten
1.11 awareness of diverse belief systems and family relationships;

1.12 (2) experts from the appropriate community of color including tribal advocates are used
1.13 as court advocates and are consulted in placement decisions that involve children of color;

1.14 (3) guardians ad litem and other individuals from communities of color are recruited,
1.15 trained, and used in court proceedings to advocate on behalf of children of color; and

1.16 (4) training programs for bilingual workers are provided.

1.17 Sec. 2. Minnesota Statutes 2024, section 260.63, subdivision 2, is amended to read:

1.18 Subd. 2. **Active efforts.** "Active efforts" means a rigorous and concerted level of effort
1.19 that the responsible social services agency must continuously make throughout the time
1.20 that the responsible social services agency is involved with an African American or a
1.21 disproportionately represented child and the child's family. To provide active efforts to
1.22 preserve an African American or a disproportionately represented child's family, the
1.23 responsible social services agency must continuously involve an African American or a

2.1 disproportionately represented child's family in all services for the family, including case
2.2 planning and choosing services and providers, and inform the family of the ability to file a
2.3 report of noncompliance with this act with the commissioner through the child welfare
2.4 compliance and feedback portal. When providing active efforts, a responsible social services
2.5 agency must consider an African American or a disproportionately represented child's
2.6 family's social and cultural values at all times while providing services to the African
2.7 American or disproportionately represented child and the child's family. Active efforts
2.8 includes continuous efforts to preserve an African American or a disproportionately
2.9 represented child's family and to prevent the out-of-home placement of an African American
2.10 or a disproportionately represented child. If an African American or a disproportionately
2.11 represented child enters out-of-home placement, the responsible social services agency must
2.12 make active efforts to reunify the African American or disproportionately represented child
2.13 with the child's family as soon as possible, if reunification is in the best interests of the child
2.14 and if the child's family is making active efforts to engage with and participate in visitation,
2.15 safety planning, and other activities necessary to create a safe home. Active efforts sets a
2.16 higher standard for the responsible social services agency than reasonable efforts to preserve
2.17 the child's family, prevent the child's out-of-home placement, and reunify the child with the
2.18 child's family. Active efforts includes the provision of reasonable efforts as required by
2.19 Title IV-E of the Social Security Act, United States Code, title 42, sections 670 to 679c.

2.20 Sec. 3. Minnesota Statutes 2024, section 260.63, subdivision 10, is amended to read:

2.21 Subd. 10. **Disproportionately represented child.** "Disproportionately represented child"
2.22 means a person who is under the age of 18 and who is a member of a community whose
2.23 race, culture, ethnicity, disability status, or low-income socioeconomic status is
2.24 disproportionately encountered, engaged, or identified in the child welfare system as
2.25 compared to the representation in the state's total child population, as determined on an
2.26 annual basis by the commissioner. A child's race, culture, or ethnicity is determined based
2.27 upon a child's self-identification or identification of a child's race, culture, or ethnicity as
2.28 reported by the child's parent or guardian. The commissioner must determine who is a
2.29 disproportionately represented child for purposes of this act every three years, beginning
2.30 January 1, 2028.

2.31 Sec. 4. Minnesota Statutes 2024, section 260.64, subdivision 1, is amended to read:

2.32 Subdivision 1. **Active efforts.** (a) A responsible social services agency shall make active
2.33 efforts to prevent the out-of-home placement of an African American or a disproportionately
2.34 represented child, eliminate the need for a child's removal from the child's home, and reunify

3.1 an African American or a disproportionately represented child with the child's family as
3.2 soon as practicable, if reunification is in the best interests of the child and if the child's
3.3 family is making active efforts to engage with and participate in visitation, safety planning,
3.4 and other activities necessary to create a safe home.

3.5 (b) A responsible social services agency must continue to make active efforts for the
3.6 duration of a child's case when a child self-identifies as an African American or a
3.7 disproportionately represented child, even if the child's identification changes.

3.8 (c) A responsible social services agency must make reasonable efforts to communicate
3.9 with a child's family and foster or kinship caregiver prior to and during reunification and
3.10 allow for a transition period when reunifying the child with the child's family, when possible
3.11 and in the best interests of the child.

3.12 Sec. 5. Minnesota Statutes 2025 Supplement, section 260.65, is amended to read:

3.13 **260.65 NONCUSTODIAL PARENTS; RELATIVE AND COMMUNITY**
3.14 **PLACEMENT.**

3.15 (a) Prior to the removal of an African American or a disproportionately represented child
3.16 from the child's home, the responsible social services agency must make active efforts to
3.17 identify and locate the child's noncustodial or nonadjudicated parent and the child's relatives
3.18 to notify the child's parent and relatives that the child is or will be placed in foster care and
3.19 provide the child's parent and relatives with a list of legal resources. The notice to the child's
3.20 noncustodial or nonadjudicated parent and relatives must also include the information
3.21 required under section 260C.221, subdivision 2, paragraph (b). The responsible social
3.22 services agency must maintain detailed records of the agency's efforts to notify parents and
3.23 relatives under this section.

3.24 (b) Notwithstanding the provisions of section 260C.219, the responsible social services
3.25 agency must assess an African American or a disproportionately represented child's
3.26 noncustodial or nonadjudicated parent's ability to care for the child before placing the child
3.27 in foster care. If a child's noncustodial or nonadjudicated parent is willing and able to provide
3.28 daily care for the African American or disproportionately represented child temporarily or
3.29 permanently, the court shall order the child into the home of the noncustodial or
3.30 nonadjudicated parent pursuant to section 260C.178 or 260C.201, subdivision 1. The
3.31 responsible social services agency must make active efforts to assist a noncustodial or
3.32 nonadjudicated parent with remedying any issues that may prevent the child from being
3.33 ordered into the home of a noncustodial or nonadjudicated parent.

4.1 (c) The relative search, notice, engagement, and placement consideration requirements
4.2 under section 260C.221 apply under this act.

4.3 (d) If a relative or noncustodial parent is not willing or able to provide daily care for the
4.4 child, the responsible social services agency must also consider foster care placement with
4.5 individuals in the African American or disproportionately represented child's existing
4.6 community, such as the child's school or church, or other organizations in which the child
4.7 participates or is a member.

4.8 Sec. 6. Minnesota Statutes 2025 Supplement, section 260.66, subdivision 1, is amended
4.9 to read:

4.10 Subdivision 1. **Emergency removal or placement permitted.** Nothing in this section
4.11 shall be construed to prevent the emergency removal of an African American or a
4.12 disproportionately represented child or the emergency placement of the child in a foster
4.13 setting in order to prevent imminent physical damage or harm to the child. There is a
4.14 rebuttable presumption that a child is at risk of imminent physical damage or harm when
4.15 synthetic opioids are present in the child's home without a valid prescription.

4.16 Sec. 7. Minnesota Statutes 2024, section 260.67, subdivision 1, is amended to read:

4.17 Subdivision 1. **Preference for permanency placement with a relative.** (a) Except as
4.18 provided in paragraph (b), consistent with section 260C.513, if an African American or
4.19 disproportionately represented child cannot be returned to the child's parent, permanency
4.20 placement with a relative is preferred. The court shall consider the requirements of and
4.21 responsibilities under section 260.012, paragraph (a), and, if possible and if requirements
4.22 under section 260C.515, subdivision 4, are met, transfer permanent legal and physical
4.23 custody of the child to:

4.24 (1) a noncustodial parent under section 260C.515, subdivision 4, if the child cannot
4.25 return to the care of the parent or custodian from whom the child was removed or who had
4.26 legal custody at the time that the child was placed in foster care; or

4.27 (2) a willing and able relative, according to the requirements of section 260C.515,
4.28 subdivision 4. When the responsible social services agency is the petitioner, prior to the
4.29 court ordering a transfer of permanent legal and physical custody to a relative, the responsible
4.30 social services agency must inform the relative of Northstar kinship assistance benefits and
4.31 eligibility requirements and of the relative's ability to apply for benefits on behalf of the
4.32 child under chapter 256N.

5.1 (b) Paragraph (a) does not apply if an African American or disproportionately represented
5.2 child is under the guardianship of the commissioner, the responsible social services agency
5.3 is making reasonable efforts to finalize the child's adoption pursuant to section 260C.605,
5.4 and a prospective adoptive parent has been identified.

5.5 Sec. 8. Minnesota Statutes 2025 Supplement, section 260C.329, subdivision 3, is amended
5.6 to read:

5.7 Subd. 3. **Petition.** (a) The following individuals may file a petition for the reestablishment
5.8 of the legal parent and child relationship:

5.9 (1) county attorney;

5.10 (2) a parent whose parental rights were terminated under a previous order of the court;

5.11 (3) a parent whose voluntary consent to adoption was accepted by the court and:

5.12 (i) the identified prospective adoptive parent did not finalize the adoption; or

5.13 (ii) the adoption finalized but subsequently dissolved and the child returned to foster
5.14 care and guardianship of the commissioner;

5.15 ~~(4) a child who is ten years of age or older;~~

5.16 ~~(5)~~ (4) the responsible social services agency; or

5.17 ~~(6)~~ (5) a guardian ad litem.

5.18 (b) A parent filing a petition under this section shall pay a filing fee in the amount
5.19 required under section 357.021, subdivision 2, clause (1). The filing fee may be waived
5.20 pursuant to chapter 563. A petition for the reestablishment of the legal parent and child
5.21 relationship may be filed when:

5.22 (1) the parent has corrected the conditions that led to an order terminating parental rights;

5.23 (2) the parent is willing and has the capability to provide day-to-day care and maintain
5.24 the health, safety, and welfare of the child;

5.25 (3) the child has been in foster care for at least 24 months after the court issued the order
5.26 terminating parental rights;

5.27 (4) the child is not currently adopted; and

5.28 (5) the child is not the subject of a written adoption placement agreement between the
5.29 responsible social services agency and the prospective adoptive parent, as required under
5.30 Minnesota Rules, part 9560.0060, subpart 2.
