11.3 **61A.031 SUICIDE PROVISIONS.**

11.4 (a) The sanity or insanity of a person shall not be a factor in determining whether a
11.5 person committed suicide within the terms of an individual or group life insurance policy
11.6 regulating the payment of benefits in the event of the insured's suicide. This section shall
11.7 not be construed to alter present law but is intended to clarify present law.

11.8 (b) A life insurance policy or certificate issued or delivered in this state may exclude or
11.9 restrict liability for any death benefit in the event the insured dies as a result of suicide
11.10 within one year from the date the policy or certificate is issued. Any exclusion or restriction
11.11 shall be clearly stated in the policy or certificate. Any life insurance policy or certificate
11.12 which contains any exclusion or restriction under this paragraph shall also provide that in
11.13 the event any death benefit is denied because the insured dies as a result of suicide within
11.14 one year from the date the policy or certificate is issued, the insurer shall refund all premiums
11.15 paid for coverage providing the denied death benefit on the insured.

11.16 **EFFECTIVE DATE.** This section is effective January 1, 2024, and applies to policies
11.17 issued or after that date.

11.18 Sec. 5. Minnesota Statutes 2022, section 61A.60, subdivision 3, is amended to read:

11.19 Subd. 3. **Definitions.** The following definitions must appear on the back of the notice
11.20 forms provided in subdivisions 1 and 2:

11.21 **DEFINITIONS**

11.22 **PREMIUMS:** Premiums are the payments you make in exchange for an insurance policy
11.23 or annuity contract. They are unlike deposits in a savings or investment program, because
11.24 if you drop the policy or contract, you might get back less than you paid in.

11.25 **CASH SURRENDER VALUE:** This is the amount of money you can get in cash if you
11.26 surrender your life insurance policy or annuity. If there is a policy loan, the cash surrender
11.27 value is the difference between the cash value printed in the policy and the loan value. Not
11.28 all policies have cash surrender values.

11.29 **LAPSE:** A life insurance policy may lapse when you do not pay the premiums within
11.30 the grace period. If you had a cash surrender value, the insurer might change your policy
11.31 to as much extended term insurance or paid-up insurance as the cash surrender value will

12.1 buy. Sometimes the policy lets the insurer borrow from the cash surrender value to pay the
12.2 premiums.

12.3 SURRENDER: You surrender a life insurance policy when you either let it lapse or tell
12.4 the company you want to drop it. Whenever a policy has a cash surrender value, you can
12.5 get it in cash if you return the policy to the company with a written request. Most insurers
12.6 will also let you exchange the cash value of the policy for paid-up or extended term insurance.

12.7 CONVERT TO PAID-UP INSURANCE: This means you use your cash surrender value
12.8 to change your insurance to a paid-up policy with the same insurer. The death benefit
12.9 generally will be lower than under the old policy, but you will not have to pay any more
12.10 premiums.

12.11 PLACE ON EXTENDED TERM: This means you use your cash surrender value to
12.12 change your insurance to term insurance with the same insurer. In this case, the net death
12.13 benefit will be the same as before. However, you will only be covered for a specified period
12.14 of time stated in the policy.

12.15 BORROW POLICY LOAN VALUES: If your life insurance policy has a cash surrender
12.16 value, you can almost always borrow all or part of it from the insurer. Interest will be charged
12.17 according to the terms of the policy, and if the loan with unpaid interest ever exceeds the
12.18 cash surrender value, your policy will be surrendered. If you die, the amount of the loan
12.19 and any unpaid interest due will be subtracted from the death benefits.

12.20 EVIDENCE OF INSURABILITY: This means proof that you are an acceptable risk.
12.21 You have to meet the insurer's standards regarding age, health, occupation, etc., to be eligible
12.22 for coverage.

12.23 INCONTESTABLE CLAUSE: This says that after two years, depending on the policy
12.24 or insurer, the life insurer will not resist a claim because you made a false or incomplete
12.25 statement when you applied for the policy. For the early years, though, if there are wrong
12.26 answers on the application and the insurer finds out about them, the insurer can deny a claim
12.27 as if the policy had never existed.

12.28 SUICIDE CLAUSE: This says that if you ~~commit~~ complete suicide after being insured
12.29 for less than ~~two years~~ one year, depending on the policy and insurer, your beneficiaries
12.30 will receive only a refund of the premiums that were paid.

12.31 EFFECTIVE DATE. This section is effective January 1, 2024, and applies to policies
12.32 issued on or after that date.

13.1 Sec. 6. Minnesota Statutes 2022, section 62A.152, subdivision 3, is amended to read:

13.2 Subd. 3. **Provider discrimination prohibited.** All group policies and group subscriber
13.3 contracts that provide benefits for mental or nervous disorder treatments in a hospital must
13.4 provide direct reimbursement for those services at a hospital or psychiatric residential
13.5 treatment facility if performed by a mental health professional qualified according to section
13.6 245I.04, subdivision 2, to the extent that the services and treatment are within the scope of
13.7 mental health professional licensure.

13.8 This subdivision is intended to provide payment of benefits for mental or nervous disorder
13.9 treatments performed by a licensed mental health professional in a hospital or psychiatric
13.10 residential treatment facility and is not intended to change or add benefits for those services
13.11 provided in policies or contracts to which this subdivision applies.

13.12 Sec. 7. Minnesota Statutes 2022, section 62A.3099, is amended by adding a subdivision
13.13 to read:

13.14 Subd. 18b. **Open enrollment period.** "Open enrollment period" means the time period
13.15 described in Code of Federal Regulations, title 42, section 422.62, paragraph (a), clauses
13.16 (3) to (5), as amended.

13.17 Sec. 8. Minnesota Statutes 2022, section 62A.31, subdivision 1, is amended to read:

13.18 Subdivision 1. **Policy requirements.** No individual or group policy, certificate, subscriber
13.19 contract issued by a health service plan corporation regulated under chapter 62C, or other
13.20 evidence of accident and health insurance the effect or purpose of which is to supplement
13.21 Medicare coverage, including to supplement coverage under Medicare Advantage plans
13.22 established under Medicare Part C, issued or delivered in this state or offered to a resident
13.23 of this state shall be sold or issued to an individual covered by Medicare unless the
13.24 requirements in subdivisions 1a to ~~1v~~ 1w are met.

13.25 Sec. 9. Minnesota Statutes 2022, section 62A.31, subdivision 1f, is amended to read:

13.26 Subd. 1f. **Suspension based on entitlement to medical assistance.** (a) The policy or
13.27 certificate must provide that benefits and premiums under the policy or certificate shall be
13.28 suspended for any period that may be provided by federal regulation at the request of the
13.29 policyholder or certificate holder for the period, not to exceed 24 months, in which the
13.30 policyholder or certificate holder has applied for and is determined to be entitled to medical
13.31 assistance under title XIX of the Social Security Act, but only if the policyholder or certificate

14.1 holder notifies the issuer of the policy or certificate within 90 days after the date the
14.2 individual becomes entitled to this assistance.

14.3 (b) If suspension occurs and if the policyholder or certificate holder loses entitlement
14.4 to this medical assistance, the policy or certificate shall be automatically reinstated, effective
14.5 as of the date of termination of this entitlement, if the policyholder or certificate holder
14.6 provides notice of loss of the entitlement within 90 days after the date of the loss and pays
14.7 the premium attributable to the period, effective as of the date of termination of entitlement.

14.8 (c) The policy must provide that upon reinstatement (1) there is no ~~additional~~ waiting
14.9 period with respect to treatment of preexisting conditions, (2) coverage is provided which
14.10 is substantially equivalent to coverage in effect before the date of the suspension. If the
14.11 suspended policy provided coverage for outpatient prescription drugs, reinstitution of the
14.12 policy for Medicare Part D enrollees must be without coverage for outpatient prescription
14.13 drugs and must otherwise provide coverage substantially equivalent to the coverage in effect
14.14 before the date of suspension, and (3) premiums are classified on terms that are at least as
14.15 favorable to the policyholder or certificate holder as the premium classification terms that
14.16 would have applied to the policyholder or certificate holder had coverage not been suspended.

14.17 Sec. 10. Minnesota Statutes 2022, section 62A.31, subdivision 1h, is amended to read:

14.18 Subd. 1h. **Limitations on denials, conditions, and pricing of coverage.** No health
14.19 carrier issuing Medicare-related coverage in this state may impose preexisting condition
14.20 limitations or otherwise deny or condition the issuance or effectiveness of any such coverage
14.21 available for sale in this state, nor may it discriminate in the pricing of such coverage,
14.22 because of the health status, claims experience, receipt of health care, medical condition,
14.23 or age of an applicant where an application for such coverage is submitted: (1) prior to or
14.24 during the six-month period beginning with the first day of the month in which an individual
14.25 first enrolled for benefits under Medicare Part B; or (2) during the open enrollment period.
14.26 This subdivision applies to each Medicare-related coverage offered by a health carrier
14.27 regardless of whether the individual has attained the age of 65 years. If an individual who
14.28 is enrolled in Medicare Part B due to disability status is involuntarily disenrolled due to loss
14.29 of disability status, the individual is eligible for another six-month enrollment period provided
14.30 under this subdivision beginning the first day of the month in which the individual later
14.31 becomes eligible for and enrolls again in Medicare Part B and during the open enrollment
14.32 period. An individual who is or was previously enrolled in Medicare Part B due to disability
14.33 status is eligible for another six-month enrollment period under this subdivision beginning
14.34 the first day of the month in which the individual has attained the age of 65 years and either

15.1 maintains enrollment in, or enrolls again in, Medicare Part B and during the open enrollment
15.2 period. If an individual enrolled in Medicare Part B voluntarily disenrolls from Medicare
15.3 Part B because the individual becomes enrolled under an employee welfare benefit plan,
15.4 the individual is eligible for another six-month enrollment period, as provided in this
15.5 subdivision, beginning the first day of the month in which the individual later becomes
15.6 eligible for and enrolls again in Medicare Part B and during the open enrollment period.

15.7 Sec. 11. Minnesota Statutes 2022, section 62A.31, subdivision 1p, is amended to read:

15.8 Subd. 1p. **Renewal or continuation provisions.** Medicare supplement policies and
15.9 certificates shall include a renewal or continuation provision. The language or specifications
15.10 of the provision shall be consistent with the type of contract issued. The provision shall be
15.11 appropriately captioned and shall appear on the first page of the policy or certificate, and
15.12 shall include any reservation by the issuer of the right to change premiums. Except for riders
15.13 or endorsements by which the issuer effectuates a request made in writing by the insured,
15.14 exercises a specifically reserved right under a Medicare supplement policy or certificate,
15.15 or is required to reduce or eliminate benefits to avoid duplication of Medicare benefits, all
15.16 riders or endorsements added to a Medicare supplement policy or certificate after the date
15.17 of issue or at reinstatement or renewal that reduce or eliminate benefits or coverage in the
15.18 policy or certificate shall require a signed acceptance by the insured. After the date of policy
15.19 or certificate issue, a rider or endorsement that increases benefits or coverage with a
15.20 concomitant increase in premium during the policy or certificate term shall be agreed to in
15.21 writing and signed by the insured, unless the benefits are required by the minimum standards
15.22 for Medicare supplement policies or if the increased benefits or coverage is required by
15.23 law. ~~Where a separate additional premium is charged for benefits provided in connection~~
15.24 ~~with riders or endorsements, the premium charge shall be set forth in the policy, declaration~~
15.25 ~~page, or certificate. If a Medicare supplement policy or certificate contains limitations with~~
15.26 ~~respect to preexisting conditions, the limitations shall appear as a separate paragraph of the~~
15.27 ~~policy or certificate and be labeled as "preexisting condition limitations."~~

15.28 Issuers of accident and sickness policies or certificates that provide hospital or medical
15.29 expense coverage on an expense incurred or indemnity basis to persons eligible for Medicare
15.30 shall provide to those applicants a "Guide to Health Insurance for People with Medicare"
15.31 in the form developed by the Centers for Medicare and Medicaid Services and in a type
15.32 size no smaller than 12-point type. Delivery of the guide must be made whether or not such
15.33 policies or certificates are advertised, solicited, or issued as Medicare supplement policies
15.34 or certificates as defined in this section and section 62A.3099. Except in the case of direct
15.35 response issuers, delivery of the guide must be made to the applicant at the time of

16.1 application, and acknowledgment of receipt of the guide must be obtained by the issuer.
16.2 Direct response issuers shall deliver the guide to the applicant upon request, but no later
16.3 than the time at which the policy is delivered.

16.9 the application for a Medicare supplement policy.

16.10 (2) With respect to eligible persons, an issuer shall not: deny or condition the issuance
16.11 or effectiveness of a Medicare supplement policy described in paragraph (c) that is offered
16.12 and is available for issuance to new enrollees by the issuer; discriminate in the pricing of
16.13 such a Medicare supplement policy because of health status, claims experience, receipt of
16.14 health care, medical condition, or age; or impose an exclusion of benefits based upon a
16.15 preexisting condition under such a Medicare supplement policy.

16.16 (b) An eligible person is an individual described in any of the following:

17.4 for all individuals within a residence area;

17.5 (iii) the individual demonstrates, in accordance with guidelines established by the
17.6 Secretary, that:

17.7 (A) the organization offering the plan substantially violated a material provision of the

17.9 enrollee on a timely basis medically necessary care for which benefits are available under
17.10 the plan or the failure to provide such covered care in accordance with applicable quality
17.11 standards; or

17.12 (B) the organization, or agent or other entity acting on the organization's behalf, materially

17.26 of an individual's election of coverage under clause (2);

17.27 (4) the individual is enrolled under a Medicare supplement policy, and the enrollment
17.28 ceases because:

17.29 (i)(A) of the insolvency of the issuer or bankruptcy of the nonissuer organization; or

18.2 misrepresented the policy's provisions in marketing the policy to the individual;

21.11 working days of the issuer receiving notification of disenrollment.

21.12 (g) Reference in this subdivision to a situation in which, or to a basis upon which, an
21.13 individual's coverage has been terminated does not provide authority under the laws of this
21.14 state for the termination in that situation or upon that basis.

21.15 (h) An individual's rights under this subdivision are in addition to, and do not modify
21.16 or limit, the individual's rights under subdivision 1h.

23.23 OF MEDICARE SUPPLEMENT INSURANCE

23.24 (Insurance company's name and address)

23.25 SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

23.26 According to (your application) (information you have furnished), you intend to terminate
23.27 existing Medicare supplement insurance and replace it with a policy or certificate to be
23.28 issued by (Company Name) Insurance Company. Your new policy or certificate will provide
23.29 30 days within which you may decide without cost whether you desire to keep the policy
23.30 or certificate.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision you should terminate your present Medicare supplement policy. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

STATEMENT TO APPLICANT BY ISSUER, AGENT, (BROKER OR OTHER REPRESENTATIVE): I have reviewed your current medical or health insurance coverage. To the best of my knowledge this Medicare supplement policy will not duplicate your existing Medicare supplement policy because you intend to terminate the existing Medicare supplement policy. The replacement policy or certificate is being purchased for the following reason(s) (check one):

..... Additional benefits

..... No change in benefits, but lower premiums

..... Fewer benefits and lower premiums

..... Other (please specify)

.....

.....

.....

~~(1) Health conditions which you may presently have (preexisting conditions) may not be immediately or fully covered under the new policy or certificate. This could result in denial or delay of a claim for benefits under the new policy or certificate, whereas a similar claim might have been payable under your present policy or certificate.~~

~~(2) State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods, or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to the extent the time was spent (depleted) under the original policy or certificate.~~

~~(3) If you still wish to terminate your present policy or certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy or certificate had never been in force. After the application has been completed and before you sign it, review~~

25.1 ~~it carefully to be certain that all information has been properly recorded. (If the policy~~
25.2 ~~or certificate is guaranteed issue, this paragraph need not appear.)~~

25.3 Do not cancel your present policy or certificate until you have received your new policy
25.4 or certificate and you are sure that you want to keep it.

36.22 finding of a review conducted under sections 62J.85 to 62J.95. Ownership of securities is
36.23 not a conflict of interest if the securities are: (1) part of a diversified mutual or exchange
36.24 traded fund; or (2) in a tax-deferred or tax-exempt retirement account that is administered
36.25 by an independent trustee.

36.26 Subd. 2. **General.** (a) Prior to the acceptance of an appointment or employment, or prior
36.27 to entering into a contractual agreement, a board or advisory council member, board staff
36.28 member, or third-party contractor must disclose to the appointing authority or the board
36.29 any conflicts of interest. The information disclosed must include the type, nature, and
36.30 magnitude of the interests involved.

36.31 (b) A board member, board staff member, or third-party contractor with a conflict of
36.32 interest with regard to any prescription drug product under review must recuse themselves

37.1 from any discussion, review, decision, or determination made by the board relating to the
37.2 prescription drug product.

37.3 (c) Any conflict of interest must be disclosed in advance of the first meeting after the
37.4 conflict is identified or within five days after the conflict is identified, whichever is earlier.

37.5 Subd. 3. **Prohibitions.** Board members, board staff, or third-party contractors are
37.6 prohibited from accepting gifts, bequeaths, or donations of services or property that raise
37.7 the specter of a conflict of interest or have the appearance of injecting bias into the activities
37.8 of the board.

37.9 Sec. 34. **[62J.90] PRESCRIPTION DRUG PRICE INFORMATION; DECISION**
37.10 **TO CONDUCT COST REVIEW.**

37.11 Subdivision 1. **Drug price information from the commissioner of health and other**
37.12 **sources.** (a) The commissioner of health shall provide to the board the information reported
37.13 to the commissioner by drug manufacturers under section 62J.84, subdivisions 3, 4, and 5.
37.14 The commissioner shall provide this information to the board within 30 days of the date the
37.15 information is received from drug manufacturers.

37.16 (b) The board may subscribe to one or more prescription drug pricing files, such as
37.17 Medispan or FirstDatabank, or as otherwise determined by the board.

37.18 Subd. 2. **Identification of certain prescription drug products.** (a) The board, in
37.19 consultation with the advisory council, shall identify selected prescription drug products
37.20 based on the following criteria:

37.21 (1) brand name drugs or biologics for which the WAC increases by more than 15 percent
37.22 or by more than \$3,000 during any 12-month period or course of treatment if less than 12
37.23 months, after adjusting for changes in the consumer price index (CPI);

37.24 (2) brand name drugs or biologics with a WAC of \$60,000 or more per calendar year
37.25 or per course of treatment;

37.26 (3) biosimilar drugs that have a WAC that is not at least 20 percent lower than the
37.27 referenced brand name biologic at the time the biosimilar is introduced; and

37.28 (4) generic drugs for which the WAC:

37.29 (i) is \$100 or more, after adjusting for changes in the CPI, for:

37.30 (A) a 30-day supply;

37.31 (B) a course of treatment lasting less than 30 days; or

(C) one unit of the drug, if the labeling approved by the Food and Drug Administration does not recommend a finite dosage; and

(ii) increased by 200 percent or more during the immediate preceding 12-month period, as determined by the difference between the resulting WAC and the average WAC reported over the preceding 12 months, after adjusting for changes in the CPI.

The board is not required to identify all prescription drug products that meet the criteria in this paragraph.

(b) The board, in consultation with the advisory council and the commissioner of health, may identify prescription drug products not described in paragraph (a) that may impose costs that create significant affordability challenges for the state health care system or for patients, including but not limited to drugs to address public health emergencies.

(c) The board shall make available to the public the names and related price information of the prescription drug products identified under this subdivision, with the exception of information determined by the board to be proprietary under the standards developed by the board under section 62J.91, subdivision 3, and information provided by the commissioner of health classified as not public data under section 13.02, subdivision 8a, or as trade secret information under section 13.37, subdivision 1, paragraph (b), or as trade secret information under the Defend Trade Secrets Act of 2016, United States Code, title 18, section 1836, as amended.

Subd. 3. **Determination to proceed with review.** (a) The board may initiate a cost review of a prescription drug product identified by the board under this section.

(b) The board shall consider requests by the public for the board to proceed with a cost review of any prescription drug product identified under this section.

(c) If there is no consensus among the members of the board on whether to initiate a cost review of a prescription drug product, any member of the board may request a vote to determine whether to review the cost of the prescription drug product.

Sec. 35. [62J.91] PRESCRIPTION DRUG PRODUCT REVIEWS.

Subdivision 1. **General.** Once a decision by the board has been made to proceed with a cost review of a prescription drug product, the board shall conduct the review and make a determination as to whether appropriate utilization of the prescription drug under review, based on utilization that is consistent with the United States Food and Drug Administration (FDA) label or standard medical practice, has led or will lead to affordability challenges for the state health care system or for patients.

39.1 Subd. 2. **Review considerations.** In reviewing the cost of a prescription drug product,
39.2 the board may consider the following factors:

39.3 (1) the price at which the prescription drug product has been and will be sold in the state;

39.4 (2) manufacturer monetary price concessions, discounts, or rebates, and drug-specific
39.5 patient assistance;

39.6 (3) the price of therapeutic alternatives;

39.7 (4) the cost to group purchasers based on patient access consistent with the FDA-labeled
39.8 indications and standard medical practice;

39.9 (5) measures of patient access, including cost-sharing and other metrics;

39.10 (6) the extent to which the attorney general or a court has determined that a price increase
39.11 for a generic or off-patent prescription drug product was excessive under sections 62J.842
39.12 and 62J.844;

39.13 (7) any information a manufacturer chooses to provide; and

39.14 (8) any other factors as determined by the board.

39.15 Subd. 3. **Public data; proprietary information.** (a) Any submission made to the board
39.16 related to a drug cost review must be made available to the public with the exception of
39.17 information determined by the board to be proprietary and information provided by the
39.18 commissioner of health classified as not public data under section 13.02, subdivision 8a, or
39.19 as trade secret information under section 13.37, subdivision 1, paragraph (b), or as trade
39.20 secret information under the Defend Trade Secrets Act of 2016, United States Code, title
39.21 18, section 1836, as amended.

39.22 (b) The board shall establish the standards for the information to be considered proprietary
39.23 under paragraph (a) and section 62J.90, subdivision 2, including standards for heightened
39.24 consideration of proprietary information for submissions for a cost review of a drug that is
39.25 not yet approved by the FDA.

39.26 (c) Prior to the board establishing the standards under paragraph (b), the public shall be
39.27 provided notice and the opportunity to submit comments.

39.28 (d) The establishment of standards under this subdivision is exempt from the rulemaking
39.29 requirements under chapter 14, and section 14.386 does not apply.

40.1 Sec. 36. **[62J.92] DETERMINATIONS; COMPLIANCE; REMEDIES.**

40.2 **Subdivision 1. Upper payment limit.** (a) In the event the board finds that the spending
40.3 on a prescription drug product reviewed under section 62J.91 creates an affordability
40.4 challenge for the state health care system or for patients, the board shall establish an upper
40.5 payment limit after considering:

40.6 (1) extraordinary supply costs, if applicable;

40.7 (2) the range of prices at which the drug is sold in the United States according to one or
40.8 more pricing files accessed under section 62J.90, subdivision 1, and the range at which
40.9 pharmacies are reimbursed in Canada; and

40.10 (3) any other relevant pricing and administrative cost information for the drug.

40.11 (b) An upper payment limit applies to all purchases of, and payer reimbursements for,
40.12 a prescription drug that is dispensed or administered to individuals in the state in person,
40.13 by mail, or by other means, and for which an upper payment limit has been established.

40.14 **Subd. 2. Implementation and administration of the upper payment limit.** (a) An
40.15 upper payment limit may take effect no sooner than 120 days following the date of its public
40.16 release by the board.

40.17 (b) When setting an upper payment limit for a drug subject to the Medicare maximum
40.18 fair price under United States Code, title 42, section 1191(c), the board shall set the upper
40.19 payment limit at the Medicare maximum fair price.

40.20 (c) Health plan companies and pharmacy benefit managers shall report annually to the
40.21 board, in the form and manner specified by the board, on how cost savings resulting from
40.22 the establishment of an upper payment limit have been used by the health plan company or
40.23 pharmacy benefit manager to benefit enrollees, including but not limited to reducing enrollee
40.24 cost-sharing.

40.25 **Subd. 3. Noncompliance.** (a) The board shall, and other persons may, notify the Office
40.26 of the Attorney General of a potential failure by an entity subject to an upper payment limit
40.27 to comply with that limit.

40.28 (b) If the Office of the Attorney General finds that an entity was noncompliant with the
40.29 upper payment limit requirements, the attorney general may pursue remedies consistent
40.30 with chapter 8 or appropriate criminal charges if there is evidence of intentional profiteering.

41.1 (c) An entity who obtains price concessions from a drug manufacturer that result in a
41.2 lower net cost to the stakeholder than the upper payment limit established by the board is
41.3 not considered noncompliant.

41.4 (d) The Office of the Attorney General may provide guidance to stakeholders concerning
41.5 activities that could be considered noncompliant.

41.6 Subd. 4. **Appeals.** (a) Persons affected by a decision of the board may request an appeal
41.7 of the board's decision within 30 days of the date of the decision. The board shall hear the
41.8 appeal and render a decision within 60 days of the hearing.

41.9 (b) All appeal decisions are subject to judicial review in accordance with chapter 14.

41.10 Sec. 37. **[62J.93] REPORTS.**

41.11 Beginning March 1, 2024, and each March 1 thereafter, the board shall submit a report
41.12 to the governor and legislature on general price trends for prescription drug products and
41.13 the number of prescription drug products that were subject to the board's cost review and
41.14 analysis, including the result of any analysis as well as the number and disposition of appeals
41.15 and judicial reviews.

41.16 Sec. 38. **[62J.94] ERISA PLANS AND MEDICARE DRUG PLANS.**

41.17 (a) Nothing in sections 62J.85 to 62J.95 shall be construed to require ERISA plans or
41.18 Medicare Part D plans to comply with decisions of the board. ERISA plans or Medicare
41.19 Part D plans are free to choose to exceed the upper payment limit established by the board
41.20 under section 62J.92.

41.21 (b) Providers who dispense and administer drugs in the state must bill all payers no more
41.22 than the upper payment limit without regard to whether an ERISA plan or Medicare Part
41.23 D plan chooses to reimburse the provider in an amount greater than the upper payment limit
41.24 established by the board.

41.25 (c) For purposes of this section, an ERISA plan or group health plan is an employee
41.26 welfare benefit plan established by or maintained by an employer or an employee
41.27 organization, or both, that provides employer sponsored health coverage to employees and
41.28 the employee's dependents and is subject to the Employee Retirement Income Security Act
41.29 of 1974 (ERISA).

42.1 Sec. 39. **[62J.95] SEVERABILITY.**

42.2 If any provision of sections 62J.85 to 62J.94 or the application thereof to any person or
42.3 circumstance is held invalid for any reason in a court of competent jurisdiction, the invalidity
42.4 does not affect other provisions or any other application of sections 62J.85 to 62J.94 that
42.5 can be given effect without the invalid provision or application.

42.6 Sec. 40. Minnesota Statutes 2022, section 62K.10, subdivision 4, is amended to read:

42.7 Subd. 4. **Network adequacy.** (a) Each designated provider network must include a
42.8 sufficient number and type of providers, including providers that specialize in mental health
42.9 and substance use disorder services, to ensure that covered services are available to all
42.10 enrollees without unreasonable delay. In determining network adequacy, the commissioner
42.11 of health shall consider availability of services, including the following:

42.12 (1) primary care physician services are available and accessible 24 hours per day, seven
42.13 days per week, within the network area;

42.14 (2) a sufficient number of primary care physicians have hospital admitting privileges at
42.15 one or more participating hospitals within the network area so that necessary admissions
42.16 are made on a timely basis consistent with generally accepted practice parameters;

42.17 (3) specialty physician service is available through the network or contract arrangement;

42.18 (4) mental health and substance use disorder treatment providers, including but not
42.19 limited to psychiatric residential treatment facilities, are available and accessible through
42.20 the network or contract arrangement;

42.21 (5) to the extent that primary care services are provided through primary care providers
42.22 other than physicians, and to the extent permitted under applicable scope of practice in state
42.23 law for a given provider, these services shall be available and accessible; and

42.24 (6) the network has available, either directly or through arrangements, appropriate and
42.25 sufficient personnel, physical resources, and equipment to meet the projected needs of
42.26 enrollees for covered health care services.

42.27 (b) The commissioner must determine network sufficiency in a manner that is consistent
42.28 with the requirements of this section and may establish sufficiency by referencing any
42.29 reasonable criteria, which may include but is not limited to:

42.30 (1) provider-covered person ratios by specialty;

42.31 (2) primary care professional-covered person ratios;

- 43.1 (3) geographic accessibility of providers;
- 43.2 (4) geographic variation and population dispersion;
- 43.3 (5) waiting times for an appointment with participating providers;
- 43.4 (6) hours of operation;
- 43.5 (7) the ability of the network to meet the needs of covered persons, which may include:
- 43.6 (i) low-income persons; (ii) children and adults with serious, chronic, or complex health
- 43.7 conditions, physical disabilities, or mental illness; or (iii) persons with limited English
- 43.8 proficiency and persons from underserved communities;
- 43.9 (8) other health care service delivery system options, including telemedicine or telehealth,
- 43.10 mobile clinics, centers of excellence, and other ways of delivering care; and
- 43.11 (9) the volume of technological and specialty care services available to serve the needs
- 43.12 of covered persons that need technologically advanced or specialty care services.
- 43.13 (c) A county-based purchasing plan authorized under section 256B.692 is exempt from
- 43.14 compliance with any methods established under paragraph (b) to determine network
- 43.15 sufficiency. The commissioner of human services must not require compliance with the
- 43.16 methods established under paragraph (b) in any contract governing the operation of
- 43.17 county-based purchasing plans.
- 43.18 **EFFECTIVE DATE.** The amendment to paragraph (a) is effective July 1, 2023.
- 43.19 Paragraphs (b) and (c) are effective January 1, 2025, and apply to health plans offered,
- 43.20 issued, or renewed on or after that date.

43.21 Sec. 41. Minnesota Statutes 2022, section 62Q.096, is amended to read:

43.22 **62Q.096 CREDENTIALING OF PROVIDERS.**

- 43.23 (a) If a health plan company has initially credentialed, as providers in its provider network,
- 43.24 individual providers employed by or under contract with an entity that:
- 43.25 (1) is authorized to bill under section 256B.0625, subdivision 5;
- 43.26 (2) is a mental health clinic certified under section 245I.20;
- 43.27 (3) is designated an essential community provider under section 62Q.19; and
- 43.28 (4) is under contract with the health plan company to provide mental health services,
- 43.29 the health plan company must continue to credential at least the same number of providers
- 43.30 from that entity, as long as those providers meet the health plan company's credentialing
- 43.31 standards.

(b) In order to ensure timely access by patients to mental health services, between July 1, 2023, and June 30, 2025, a health plan company must credential and enter into a contract for mental health services with any provider of mental health services that:

(1) meets the health plan company's credential requirements. For purposes of credentialing under this paragraph, a health plan company may waive credentialing requirements that are not directly related to quality of care in order to ensure patient access to providers from underserved communities or to providers in rural areas;

(2) seeks to receive a credential from the health plan company;

(3) agrees to the health plan company's contract terms. The contract shall include payment rates that are usual and customary for the services provided;

(4) is accepting new patients; and

(5) is not already under a contract with the health plan company under a separate tax identification number or, if already under a contract with the health plan company, has provided notice to the health plan company of termination of the existing contract.

(c) A health plan company shall not refuse to credential these providers on the grounds that their provider network has:

(1) a sufficient number of providers of that type, including but not limited to the provider types identified in paragraph (a); or

(2) a sufficient number of providers of mental health services in the aggregate.

(d) A health plan company must credential a mental health provider that meets the health plan company's standards in order to ensure fast access to mental health treatment.

Sec. 42. Minnesota Statutes 2022, section 62Q.19, subdivision 1, is amended to read:

Subdivision 1. **Designation.** (a) The commissioner shall designate essential community providers. The criteria for essential community provider designation shall be the following:

45.4 guidelines; and

45.5 (iv) does not restrict access or services because of a client's financial limitation;

45.6 (3) status as a local government unit as defined in section 62D.02, subdivision 11, a

45.9 145A;

45.10 (4) a former state hospital that specializes in the treatment of cerebral palsy, spina bifida,
45.11 epilepsy, closed head injuries, specialized orthopedic problems, and other disabling
45.12 conditions;

45.13 (5) a sole community hospital. For these rural hospitals, the essential community provider
45.14 designation applies to all health services provided, including both inpatient and outpatient
45.15 services. For purposes of this section, "sole community hospital" means a rural hospital
45.16 that:

45.17 (i) is eligible to be classified as a sole community hospital according to Code of Federal
45.18 Regulations, title 42, section 412.92, or is located in a community with a population of less
45.19 than 5,000 and located more than 25 miles from a like hospital currently providing acute
45.20 short-term services;

45.21 (ii) has experienced net operating income losses in two of the previous three most recent
45.22 consecutive hospital fiscal years for which audited financial information is available; and

45.23 (iii) consists of 40 or fewer licensed beds;

45.24 (6) a birth center licensed under section 144.615; ~~or~~

45.31 subdivision 45a, paragraph (b), that is certified and licensed by the commissioner of health.

(b) Prior to designation, the commissioner shall publish the names of all applicants in the State Register. The public shall have 30 days from the date of publication to submit written comments to the commissioner on the application. No designation shall be made by the commissioner until the 30-day period has expired.

(c) The commissioner may designate an eligible provider as an essential community provider for all the services offered by that provider or for specific services designated by the commissioner.

(d) For the purpose of this subdivision, supportive and stabilizing services include at a minimum, transportation, child care, cultural, and linguistic services where appropriate.

Sec. 43. Minnesota Statutes 2022, section 62Q.46, subdivision 1, is amended to read:

Subdivision 1. **Coverage for preventive items and services.** (a) "Preventive items and services" has the meaning specified in the Affordable Care Act. Preventive items and services includes:

(1) evidence-based items or services that have in effect a rating of A or B in the current recommendations of the United States Preventive Services Task Force with respect to the individual involved;

(2) immunizations for routine use in children, adolescents, and adults that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention with respect to the individual involved. For purposes of this clause, a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention is considered in effect after the recommendation has been adopted by the Director of the Centers for Disease Control and Prevention, and a recommendation is considered to be for routine use if the recommendation is listed on the Immunization Schedules of the Centers for Disease Control and Prevention;

(3) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in comprehensive guidelines supported by the Health Resources and Services Administration;

(4) with respect to women, additional preventive care and screenings that are not listed with a rating of A or B by the United States Preventive Services Task Force but that are provided for in comprehensive guidelines supported by the Health Resources and Services Administration; and

(5) all contraceptive methods established in guidelines published by the United States Food and Drug Administration.

(b) A health plan company must provide coverage for preventive items and services at a participating provider without imposing cost-sharing requirements, including a deductible, coinsurance, or co-payment. Nothing in this section prohibits a health plan company that has a network of providers from excluding coverage or imposing cost-sharing requirements for preventive items or services that are delivered by an out-of-network provider.

(c) A health plan company is not required to provide coverage for any items or services specified in any recommendation or guideline described in paragraph (a) if the recommendation or guideline is no longer included as a preventive item or service as defined in paragraph (a). Annually, a health plan company must determine whether any additional items or services must be covered without cost-sharing requirements or whether any items or services are no longer required to be covered.

(d) Nothing in this section prevents a health plan company from using reasonable medical management techniques to determine the frequency, method, treatment, or setting for a preventive item or service to the extent not specified in the recommendation or guideline.

(e) This section does not apply to grandfathered plans.

(f) This section does not apply to plans offered by the Minnesota Comprehensive Health Association.

Sec. 44. Minnesota Statutes 2022, section 62Q.46, subdivision 3, is amended to read:

Subd. 3. **Additional services not prohibited.** Nothing in this section prohibits a health plan company from providing coverage for preventive items and services in addition to those specified ~~in the Affordable Care Act~~ under subdivision 1, paragraph (a), or from denying coverage for preventive items and services that are not recommended as preventive items and services specified under the Affordable Care Act subdivision 1, paragraph (a). A health plan company may impose cost-sharing requirements for a treatment not described ~~in the Affordable Care Act under subdivision 1, paragraph (a)~~, even if the treatment results from a preventive item or service described ~~in the Affordable Care Act under subdivision 1, paragraph (a)~~.

Sec. 45. **[62Q.465] MENTAL HEALTH PARITY AND SUBSTANCE ABUSE ACCOUNTABILITY OFFICE.**

(a) The Mental Health Parity and Substance Abuse Accountability Office is established within the Department of Commerce to create and execute effective strategies for implementing the requirements under:

48.1 (1) section 62Q.47;

48.2 (2) the federal Mental Health Parity Act of 1996, Public Law 104-204;

48.3 (3) the federal Paul Wellstone and Pete Domenici Mental Health Parity and Addiction
48.4 Equity Act of 2008, Public Law 110-343, division C, sections 511 and 512;

48.5 (4) the Affordable Care Act, as defined under section 62A.011, subdivision 1a; and

48.6 (5) amendments made to, and federal guidance or regulations issued or adopted under,
48.7 the acts listed under clauses (2) to (4).

48.8 (b) The office may oversee compliance reviews, conduct and lead stakeholder
48.9 engagement, review consumer and provider complaints, and serve as a resource for ensuring
48.10 health plan compliance with mental health and substance abuse requirements.

48.11 Sec. 46. Minnesota Statutes 2022, section 62Q.47, is amended to read:

48.12 **62Q.47 ALCOHOLISM, MENTAL HEALTH, AND CHEMICAL DEPENDENCY**
48.13 **SERVICES.**

48.14 (a) All health plans, as defined in section 62Q.01, that provide coverage for alcoholism,
48.15 mental health, or chemical dependency services, must comply with the requirements of this
48.16 section.

48.17 (b) Cost-sharing requirements and benefit or service limitations for outpatient mental
48.18 health and outpatient chemical dependency and alcoholism services, except for persons
48.19 placed in chemical dependency services under Minnesota Rules, parts 9530.6600 to
48.20 9530.6655, must not place a greater financial burden on the insured or enrollee, or be more
48.21 restrictive than those requirements and limitations for outpatient medical services.

48.22 (c) Cost-sharing requirements and benefit or service limitations for inpatient hospital
48.23 mental health services, psychiatric residential treatment facility services, and inpatient
48.24 hospital and residential chemical dependency and alcoholism services, except for persons
48.25 placed in chemical dependency services under Minnesota Rules, parts 9530.6600 to
48.26 9530.6655, must not place a greater financial burden on the insured or enrollee, or be more
48.27 restrictive than those requirements and limitations for inpatient hospital medical services.

48.28 (d) A health plan company must not impose an NQTL with respect to mental health and
48.29 substance use disorders in any classification of benefits unless, under the terms of the health
48.30 plan as written and in operation, any processes, strategies, evidentiary standards, or other
48.31 factors used in applying the NQTL to mental health and substance use disorders in the
48.32 classification are comparable to, and are applied no more stringently than, the processes,

49.1 strategies, evidentiary standards, or other factors used in applying the NQTL with respect
49.2 to medical and surgical benefits in the same classification.

49.3 (e) All health plans must meet the requirements of the federal Mental Health Parity Act
49.4 of 1996, Public Law 104-204; Paul Wellstone and Pete Domenici Mental Health Parity and

Subdivision 1. Cost-sharing limits. (a) A health plan must limit the amount of any enrollee cost-sharing for prescription drugs prescribed to treat a chronic disease to no more than: (1) \$25 per one-month supply for each prescription drug, regardless of the amount or type of medication required to fill the prescription; and (2) \$50 per month in total for all related medical supplies. The cost-sharing limit for related medical supplies does not increase with the number of chronic diseases for which an enrollee is treated. Coverage under this section shall not be subject to any deductible.

(b) If application of this section before an enrollee has met the enrollee's plan deductible results in: (1) health savings account ineligibility under United States Code, title 26, section 223; or (2) catastrophic health plan ineligibility under United States Code, title 42, section 18022(e), this section applies to the specific prescription drug or related medical supply only after the enrollee has met the enrollee's plan deductible.

52.14 ~~organization, as defined in section 62Q.76, shall disclose information related to the individual~~

75.22 applies to consumer small loans and consumer short-term loans originated on or after that

76.18 made under this section by the same lender or related interest. The proceeds from a loan
76.19 made under this section must not be applied to another loan from the same lender or related
76.20 interest. No loan to a single borrower made pursuant to this section shall be split or divided
76.21 and no single borrower shall have outstanding more than one loan with the result of collecting

77.2 or services; or

77.3 (3) making, offering, assisting, or arranging for a debtor to obtain a loan with a greater
77.4 rate or amount of interest, consideration, charge, or payment than is permitted by this section
77.5 through any method, including mail, telephone, Internet, or any electronic means, regardless
77.6 of whether a person has a physical location in Minnesota.

77.7 (b) A person is a consumer small loan lender subject to the requirements of this section
77.8 notwithstanding the fact that a person purports to act as an agent or service provider, or acts
77.9 in another capacity for another person that is not subject to this section, if a person:

77.10 (1) directly or indirectly holds, acquires, or maintains the predominant economic interest,

95.15 and for the two-year period next preceding the submission of the application or, if the
95.16 commissioner deems acceptable, certified unaudited financial statements for the most recent
95.17 fiscal year or other period acceptable to the commissioner;

95.18 (7) a certified copy of unaudited financial statements of the applicant for the most recent
95.19 fiscal quarter;

95.20 (8) if the applicant is a publicly traded corporation, a copy of the most recent report filed
95.21 with the United States Securities and Exchange Commission under section 13 of the federal
95.22 Securities Exchange Act of 1934, United States Code, title 15, section 78m, as amended or
95.23 recodified from time to time;

95.24 (9) if the applicant is a wholly owned subsidiary of:

95.25 (i) a corporation publicly traded in the United States, a copy of audited financial
95.26 statements for the parent corporation for the most recent fiscal year or a copy of the parent
95.27 corporation's most recent report filed under section 13 of the Securities Exchange Act of
95.28 1934, United States Code, title 15, section 78m, as amended or recodified from time to time;
95.29 or

95.30 (ii) a corporation publicly traded outside the United States, a copy of similar
95.31 documentation filed with the regulator of the parent corporation's domicile outside the
95.32 United States;

96.1 (10) the name and address of the applicant's registered agent in this state; and

96.2 (11) any other information the commissioner reasonably requires with respect to the
96.3 applicant.

96.4 (c) A nonrefundable application fee of \$4,000 must accompany an application for a
96.5 license under this section.

96.6 (d) The commissioner may: (1) waive one or more requirements of paragraphs (a) and
96.7 (b); or (2) permit an applicant to submit other information in lieu of the required information.

96.8 Sec. 25. **[53B.39] INFORMATION REQUIREMENTS; CERTAIN INDIVIDUALS.**

96.9 Subdivision 1. **Individuals with or seeking control.** Any individual in control of a
96.10 licensee or applicant, any individual that seeks to acquire control of a licensee, and each
96.11 key individual must furnish to the commissioner through NMLS:

96.12 (1) the individual's fingerprints for submission to the Federal Bureau of Investigation
96.13 and the commissioner for a national criminal history background check, unless the person
96.14 currently resides outside of the United States and has resided outside of the United States
96.15 for the last ten years; and

96.16 (2) personal history and business experience in a form and in a medium prescribed by
96.17 the commissioner, to obtain:

96.18 (i) an independent credit report from a consumer reporting agency;

96.19 (ii) information related to any criminal convictions or pending charges; and

96.20 (iii) information related to any regulatory or administrative action and any civil litigation
96.21 involving claims of fraud, misrepresentation, conversion, mismanagement of funds, breach
96.22 of fiduciary duty, or breach of contract.

96.23 Subd. 2. **Individuals having resided outside the United States.** (a) If an individual
96.24 has resided outside of the United States at any time in the last ten years, the individual must
96.25 also provide an investigative background report prepared by an independent search firm
96.26 that meets the requirements of this subdivision.

96.27 (b) At a minimum, the search firm must:

96.28 (1) demonstrate that the search firm has sufficient knowledge, resources, and employs
96.29 accepted and reasonable methodologies to conduct the research of the background report;
96.30 and

97.1 (2) not be affiliated with or have an interest with the individual the search firm is
97.2 researching.

97.3 (c) At a minimum, the investigative background report must be written in English and
97.4 must contain:

97.5 (1) if available in the individual's current jurisdiction of residency, a comprehensive
97.6 credit report, or any equivalent information obtained or generated by the independent search
97.7 firm to accomplish a credit report, including a search of the court data in the countries,
97.8 provinces, states, cities, towns, and contiguous areas where the individual resided and
97.9 worked;

97.10 (2) criminal records information for the past ten years, including but not limited to
97.11 felonies, misdemeanors, or similar convictions for violations of law in the countries,
97.12 provinces, states, cities, towns, and contiguous areas where the individual resided and
97.13 worked;

97.14 (3) employment history;

97.15 (4) media history, including an electronic search of national and local publications, wire
97.16 services, and business applications; and

97.17 (5) financial services-related regulatory history, including but not limited to money
97.18 transmission, securities, banking, consumer finance, insurance, and mortgage-related
97.19 industries.

97.20 Sec. 26. **[53B.40] LICENSE ISSUANCE.**

97.21 (a) When an application for an original license under this chapter includes all of the
97.22 items and addresses all of the matters that are required, the application is complete and the
97.23 commissioner must promptly notify the applicant in a record of the date on which the
97.24 application is determined to be complete.

97.25 (b) The commissioner's determination that an application is complete and accepted for
97.26 processing means only that the application, on the application's face, appears to include all
97.27 of the items, including the criminal background check response from the Federal Bureau
97.28 of Investigation, and address all of the matters that are required. The commissioner's
97.29 determination that an application is complete is not an assessment of the substance of the
97.30 application or of the sufficiency of the information provided.

97.31 (c) When an application is filed and considered complete under this section, the
97.32 commissioner must investigate the applicant's financial condition and responsibility, financial

98.1 and business experience, character, and general fitness. The commissioner may conduct an
98.2 investigation of the applicant, the reasonable cost of which the applicant must pay. The
98.3 commissioner must issue a license to an applicant under this section if the commissioner
98.4 finds:

98.5 (1) the applicant has complied with sections 53B.38 and 53B.39; and

98.6 (2) the financial condition and responsibility; financial and business experience,
98.7 competence, character, and general fitness of the applicant; and the competence, experience,
98.8 character, and general fitness of the key individuals and persons in control of the applicant
98.9 indicate that it is in the interest of the public to permit the applicant to engage in money
98.10 transmission.

98.11 (d) If an applicant avails itself of or is otherwise subject to a multistate licensing process:

98.12 (1) the commissioner is authorized to accept the investigation results of a lead
98.13 investigative state for the purposes of paragraph (c); or

98.14 (2) if Minnesota is a lead investigative state, the commissioner is authorized to investigate
98.15 the applicant pursuant to paragraph (c) and the time frames established by agreement through
98.16 the multistate licensing process, provided that the time frame complies with the application
98.17 review period provided under paragraph (e).

98.18 (e) The commissioner must approve or deny the application within 120 days after the
98.19 date the application is deemed complete. If the application is not approved or denied within
98.20 120 days after the completion date, the application is approved and the license takes effect
98.21 on the first business day after the 120-day period expires.

98.22 (f) The commissioner must issue a formal written notice of the denial of a license
98.23 application within 30 days of the date the decision to deny the application is made. The
98.24 commissioner must set forth in the notice of denial the specific reasons for the denial of the
98.25 application. An applicant whose application is denied by the commissioner under this
98.26 paragraph may appeal within 30 days of the date the written notice of the denial is received.
98.27 The commissioner must set a hearing date that is not later than 60 days after service of the
98.28 response, unless a later date is set with the consent of the denied applicant.

98.29 (g) The initial license term begins on the day the application is approved. The license
98.30 expires on December 31 of the year in which the license term began, unless the initial license
98.31 date is between November 1 and December 31, in which case the initial license term runs
98.32 through December 31 of the following year. If a license is approved between November 1

99.1 and December 31, the applicant is subject to the renewal fee under section 53B.31, paragraph
99.2 (a).

99.3 Sec. 27. **[53B.41] LICENSE RENEWAL.**

99.4 (a) A license under this chapter must be renewed annually. An annual renewal fee of
99.5 \$2,500 must be paid no more than 60 days before the license expires. The renewal term is
99.6 a period of one year and begins on January 1 each year after the initial license term. The
99.7 renewal term expires on December 31 of the year the renewal term begins.

99.8 (b) A licensee must submit a renewal report with the renewal fee, in a form and in a
99.9 medium prescribed by the commissioner. The renewal report must state or contain a
99.10 description of each material change in information submitted by the licensee in the licensee's
99.11 original license application that has not been previously reported to the commissioner.

99.12 (c) The commissioner may grant an extension of the renewal date for good cause.

99.13 (d) The commissioner is authorized to use the NMLS to process license renewals,
99.14 provided that the NMLS functionality is consistent with this section.

99.15 Sec. 28. **[53B.42] MAINTENANCE OF LICENSE.**

99.16 (a) If a licensee does not continue to meet the qualifications or satisfy the requirements
99.17 that apply to an applicant for a new money transmission license, the commissioner may
99.18 suspend or revoke the licensee's license in accordance with the procedures established by
99.19 this chapter or other applicable state law for license suspension or revocation.

99.20 (b) An applicant for a money transmission license must demonstrate that the applicant
99.21 meets or will meet, and a money transmission licensee must at all times meet, the
99.22 requirements in sections 53B.59 to 53B.61.

99.23 Sec. 29. **[53B.43] ACQUISITION OF CONTROL.**

99.24 (a) Any person, or group of persons acting in concert, seeking to acquire control of a
99.25 licensee must obtain the commissioner's written approval before acquiring control. An
99.26 individual is not deemed to acquire control of a licensee and is not subject to these acquisition
99.27 of control provisions when that individual becomes a key individual in the ordinary course
99.28 of business.

99.29 (b) For the purpose of this section, a person is presumed to exercise a controlling influence
99.30 when the person holds the power to vote, directly or indirectly, at least ten percent of the
99.31 outstanding voting shares or voting interests of a licensee or person in control of a licensee.

100.1 A person presumed to exercise a controlling influence as defined by this subdivision can
100.2 rebut the presumption of control if the person is a passive investor.

100.3 (c) For purposes of determining the percentage of a person controlled by any other
100.4 person, the person's interest must be aggregated with the interest of any other immediate
100.5 family member, including the person's spouse, parents, children, siblings, mothers- and
100.6 fathers-in-law, sons- and daughters-in-law, brothers- and sisters-in-law, and any other person
100.7 who shares the person's home.

100.8 (d) A person, or group of persons acting in concert, seeking to acquire control of a
100.9 licensee must, in cooperation with the licensee:

100.10 (1) submit an application in a form and in a medium prescribed by the commissioner;
100.11 and

100.12 (2) submit a nonrefundable fee of \$4,000 with the request for approval.

100.13 (e) Upon request, the commissioner may permit a licensee or the person, or group of
100.14 persons acting in concert, to submit some or all information required by the commissioner
100.15 pursuant to paragraph (d), clause (1), without using NMLS.

100.16 (f) The application required by paragraph (d), clause (1), must include information
100.17 required by section 53B.39 for any new key individuals that have not previously completed
100.18 the requirements of section 53B.39 for a licensee.

100.19 (g) When an application for acquisition of control under this section appears to include
100.20 all of the items and address all of the matters that are required, the application is considered
100.21 complete and the commissioner must promptly notify the applicant in a record of the date
100.22 on which the application was determined to be complete.

100.23 (h) The commissioner must approve or deny the application within 60 days after the
100.24 completion date. If the application is not approved or denied within 60 days after the
100.25 completion date, the application is approved and the person, or group of persons acting in
100.26 concert, are not prohibited from acquiring control. The commissioner may extend the
100.27 application period for good cause.

100.28 (i) The commissioner's determination that an application is complete and is accepted for
100.29 processing means only that the application, on the application's face, appears to include all
100.30 of the items and address all of the matters that are required. The commissioner's determination
100.31 that an application is complete is not an assessment of the application's substance or of the
100.32 sufficiency of the information provided.

101.1 (j) When an application is filed and considered complete under paragraph (g), the
101.2 commissioner must investigate the financial condition and responsibility; the financial and
101.3 business experience; character; and the general fitness of the person, or group of persons
101.4 acting in concert, seeking to acquire control. The commissioner must approve an acquisition
101.5 of control under this section if the commissioner finds:

101.6 (1) the requirements of paragraphs (d) and (f) have been met, as applicable; and

101.7 (2) the financial condition and responsibility, financial and business experience,
101.8 competence, character, and general fitness of the person, or group of persons acting in
101.9 concert, seeking to acquire control; and the competence, experience, character, and general
101.10 fitness of the key individuals and persons that control the licensee after the acquisition of
101.11 control indicate that it is in the interest of the public to permit the person, or group of persons
101.12 acting in concert, to control the licensee.

101.13 (k) If an applicant avails itself of or is otherwise subject to a multistate licensing process:

101.14 (1) the commissioner is authorized to accept the investigation results of a lead
101.15 investigative state for the purposes of paragraph (j); or

101.16 (2) if Minnesota is a lead investigative state, the commissioner is authorized to investigate
101.17 the applicant under paragraph (j) and consistent with the time frames established by
101.18 agreement through the multistate licensing process.

101.19 (l) The commissioner must issue a formal written notice of the denial of an application
101.20 to acquire control. The commissioner must set forth in the notice of denial the specific
101.21 reasons the application was denied. An applicant whose application is denied by the
101.22 commissioner under this paragraph may appeal the denial within 30 days of the date the
101.23 written notice of the denial is received. Chapter 14 applies to appeals under this paragraph.

101.24 (m) Paragraphs (a) and (d) do not apply to:

101.25 (1) a person that acts as a proxy for the sole purpose of voting at a designated meeting
101.26 of the shareholders or holders of voting shares or voting interests of a licensee or a person
101.27 in control of a licensee;

101.28 (2) a person that acquires control of a licensee by devise or descent;

101.29 (3) a person that acquires control of a licensee as a personal representative, custodian,
101.30 guardian, conservator, or trustee, or as an officer appointed by a court of competent
101.31 jurisdiction or by operation of law;

101.32 (4) a person that is exempt under section 53B.29, clause (7);

102.1 (5) a person that the commissioner determines is not subject to paragraph (a), based on
102.2 the public interest;

102.3 (6) a public offering of securities of a licensee or a person in control of a licensee; or

102.4 (7) an internal reorganization of a person controlling the licensee, where the ultimate
102.5 person controlling the licensee remains the same.

102.6 (n) A person identified in paragraph (m), clause (2), (3), (4), or (6), that is cooperating
102.7 with the licensee must notify the commissioner within 15 days of the date the acquisition
102.8 of control occurs.

102.9 (o) Paragraphs (a) and (d) do not apply to a person that has complied with and received
102.10 approval to engage in money transmission under this chapter, or that was identified as a
102.11 person in control in a prior application filed with and approved by the commissioner or by
102.12 another state pursuant to a multistate licensing process, provided that:

102.13 (1) the person has not had a license revoked or suspended or controlled a licensee that
102.14 has had a license revoked or suspended while the person was in control of the licensee in
102.15 the previous five years;

102.16 (2) if the person is a licensee, the person is well managed and has received at least a
102.17 satisfactory rating for compliance at the person's most recent examination by an
102.18 MSB-accredited state if a rating was given;

102.19 (3) the licensee to be acquired is projected to meet the requirements of sections 53B.59
102.20 to 53B.61 after the acquisition of control is completed, and if the person acquiring control
102.21 is a licensee, the acquiring licensee is also projected to meet the requirements of sections
102.22 53B.59 to 53B.61 after the acquisition of control is completed;

102.23 (4) the licensee to be acquired does not implement any material changes to the acquired
102.24 licensee's business plan as a result of the acquisition of control, and if the person acquiring
102.25 control is a licensee, the acquiring licensee does not implement any material changes to the
102.26 acquiring licensee's business plan as a result of the acquisition of control; and

102.27 (5) the person provides notice of the acquisition in cooperation with the licensee and
102.28 attests to clauses (1), (2), (3), and (4) in a form and in a medium prescribed by the
102.29 commissioner.

102.30 (p) If the notice under paragraph (o), clause (5), is not disapproved within 30 days after
102.31 the date on which the notice was determined to be complete, the notice is deemed approved.

(q) Before filing an application for approval to acquire control of a licensee, a person may request in writing a determination from the commissioner as to whether the person would be considered a person in control of a licensee upon consummation of a proposed transaction. If the commissioner determines that the person would not be a person in control of a licensee, the proposed person and transaction is not subject to paragraphs (a) and (d).

(r) If a multistate licensing process includes a determination pursuant to paragraph (q) and an applicant avails itself or is otherwise subject to the multistate licensing process:

(1) the commissioner is authorized to accept the control determination of a lead investigative state with sufficient staffing, expertise, and minimum standards for the purposes of paragraph (q); or

(2) if Minnesota is a lead investigative state, the commissioner is authorized to investigate the applicant under paragraph (q) and consistent with the time frames established by agreement through the multistate licensing process.

Sec. 30. [53B.44] CHANGE OF KEY INDIVIDUALS; NOTICE AND INFORMATION REQUIREMENTS.

(a) A licensee that adds or replaces any key individual must:

(1) provide notice, in a manner prescribed by the commissioner, within 15 days after the effective date of the key individual's appointment; and

(2) provide the information required under section 53B.39 within 45 days of the effective date of the key individual's appointment.

(b) Within 90 days of the date on which the notice provided under section 53B.44, paragraph (a), was determined to be complete, the commissioner may issue a notice of disapproval of a key individual if the commissioner finds that the competence, business experience, character, or integrity of the individual is not in the best interests of the public or the customers of the licensee.

(c) A notice of disapproval must contain a statement of the basis for disapproval and must be sent to the licensee and the disapproved individual. A licensee may appeal a notice of disapproval pursuant to chapter 14 within 30 days of the date the notice of disapproval is received.

(d) If the notice provided under paragraph (a) is not disapproved within 90 days after the date on which the notice was determined to be complete, the key individual is deemed approved.

104.1 (e) If a multistate licensing process includes a key individual notice review and
104.2 disapproval process under this section and the licensee avails itself of or is otherwise subject
104.3 to the multistate licensing process:

104.4 (1) the commissioner is authorized to accept the determination of another state if the
104.5 investigating state has sufficient staffing, expertise, and minimum standards for the purposes
104.6 of this section; or

104.7 (2) if Minnesota is a lead investigative state, the commissioner is authorized to investigate
104.8 the applicant under paragraph (b) and the time frames established by agreement through
104.9 the multistate licensing process.

104.10 Sec. 31. **[53B.45] REPORT OF CONDITION.**

104.11 (a) Each licensee must submit a report of condition within 45 days of the end of the
104.12 calendar quarter, or within any extended time the commissioner prescribes.

104.13 (b) The report of condition must include:

104.14 (1) financial information at the licensee level;

104.15 (2) nationwide and state-specific money transmission transaction information in every
104.16 jurisdiction in the United States where the licensee is licensed to engage in money
104.17 transmission;

104.18 (3) a permissible investments report;

104.19 (4) transaction destination country reporting for money received for transmission, if
104.20 applicable; and

104.21 (5) any other information the commissioner reasonably requires with respect to the
104.22 licensee.

104.23 (c) The commissioner is authorized to use NMLS to submit the report required under
104.24 paragraph (a).

104.25 (d) The information required by paragraph (b), clause (4), must only be included in a
104.26 report of condition submitted within 45 days of the end of the fourth calendar quarter.

104.27 Sec. 32. **[53B.46] AUDITED FINANCIAL STATEMENTS.**

104.28 (a) Each licensee must, within 90 days after the end of each fiscal year, or within any
104.29 extended time the commissioner prescribes, file with the commissioner:

105.1 (1) an audited financial statement of the licensee for the fiscal year prepared in accordance
105.2 with United States generally accepted accounting principles; and

105.3 (2) any other information the commissioner may reasonably require.

105.4 (b) The audited financial statements must be prepared by an independent certified public
105.5 accountant or independent public accountant who is satisfactory to the commissioner.

105.6 (c) The audited financial statements must include or be accompanied by a certificate of
105.7 opinion prepared by the independent certified public accountant or independent public
105.8 accountant that is satisfactory in form and content to the commissioner. If the certificate or
105.9 opinion is qualified, the commissioner may order the licensee to take any action the
105.10 commissioner finds necessary to enable the independent or certified public accountant or
105.11 independent public accountant to remove the qualification.

105.12 Sec. 33. **[53B.47] AUTHORIZED DELEGATE REPORTING.**

105.13 (a) Each licensee must submit a report of authorized delegates within 45 days of the end
105.14 of the calendar quarter. The commissioner is authorized to use NMLS to submit the report
105.15 required by this paragraph, provided that the functionality is consistent with the requirements
105.16 of this section.

105.17 (b) The authorized delegate report must include, at a minimum, each authorized delegate's:

105.18 (1) company legal name;

105.19 (2) taxpayer employer identification number;

105.20 (3) principal provider identifier;

Sec. 35. **[53B.49] BANK SECRECY ACT REPORTS.**

A licensee and an authorized delegate must file all reports required by federal currency reporting, record keeping, and suspicious activity reporting requirements as set forth in the Bank Secrecy Act and other federal and state laws pertaining to money laundering. - 107.15 **DELEGATE.**
- 107.16 (a) For purposes of this section, "remit" means to make direct payments of money to (1)
- 107.17 a licensee, or (2) a licensee's representative authorized to receive money or to deposit money
- 107.18 in a bank in an account specified by the licensee.
- 107.19 (b) Before a licensee is authorized to conduct business through an authorized delegate
- 107.20 or allows a person to act as the licensee's authorized delegate, the licensee must:
- 107.21 (1) adopt, and update as necessary, written policies and procedures reasonably designed
- 107.22 to ensure that the licensee's authorized delegates comply with applicable state and federal
- 107.23 law;
- 107.24 (2) enter into a written contract that complies with paragraph (d); and
- 107.25 (3) conduct a reasonable risk-based background investigation sufficient for the licensee
- 107.26 to determine whether the authorized delegate has complied and will likely comply with
- 107.27 applicable state and federal law.
- 107.28 (c) An authorized delegate must operate in full compliance with this chapter.
- 107.29 (d) The written contract required by paragraph (b) must be signed by the licensee and
- 107.30 the authorized delegate. The written contract must, at a minimum:

108.1 (1) appoint the person signing the contract as the licensee's authorized delegate with the
108.2 authority to conduct money transmission on behalf of the licensee;

108.3 (2) set forth the nature and scope of the relationship between the licensee and the
108.4 authorized delegate and the respective rights and responsibilities of the parties;

108.5 (3) require the authorized delegate to agree to fully comply with all applicable state and
108.6 federal laws, rules, and regulations pertaining to money transmission, including this chapter
108.7 and regulations implementing this chapter, relevant provisions of the Bank Secrecy Act and
108.8 the USA PATRIOT Act, Public Law 107-56;

108.9 (4) require the authorized delegate to remit and handle money and monetary value in
108.10 accordance with the terms of the contract between the licensee and the authorized delegate;

108.11 (5) impose a trust on money and monetary value net of fees received for money
108.12 transmission for the benefit of the licensee;

108.13 (6) require the authorized delegate to prepare and maintain records as required by this
108.14 chapter or administrative rules implementing this chapter, or as reasonably requested by
108.15 the commissioner;

108.16 (7) acknowledge that the authorized delegate consents to examination or investigation
108.17 by the commissioner;

108.18 (8) state that the licensee is subject to regulation by the commissioner and that as part
108.19 of that regulation the commissioner may (1) suspend or revoke an authorized delegate
108.20 designation, or (2) require the licensee to terminate an authorized delegate designation; and

108.21 (9) acknowledge receipt of the written policies and procedures required under paragraph
108.22 (b), clause (1).

108.23 (e) If the licensee's license is suspended, revoked, surrendered, or expired, within five
108.24 business days the licensee must provide documentation to the commissioner that the licensee
108.25 has notified all applicable authorized delegates of the licensee whose names are in a record
108.26 filed with the commissioner of the suspension, revocation, surrender, or expiration of a
108.27 license. Upon suspension, revocation, surrender, or expiration of a license, applicable
108.28 authorized delegates must immediately cease to provide money transmission as an authorized
108.29 delegate of the licensee.

108.30 (f) An authorized delegate of a licensee holds in trust for the benefit of the licensee all
108.31 money net of fees received from money transmission. If an authorized delegate commingles
108.32 any funds received from money transmission with other funds or property owned or
108.33 controlled by the authorized delegate, all commingled funds and other property are considered

109.1 held in trust in favor of the licensee in an amount equal to the amount of money net of fees
109.2 received from money transmission.

109.3 (g) An authorized delegate is prohibited from using a subdelegate to conduct money
109.4 transmission on behalf of a licensee.

109.5 Sec. 38. **[53B.52] UNAUTHORIZED ACTIVITIES.**

109.6 A person is prohibited from engaging in the business of money transmission on behalf
109.7 of a person not licensed under this chapter or not exempt under sections 53B.29 and 53B.30.
109.8 A person that engages in the business of money transmission on behalf of a person that is
109.9 not licensed under this chapter or not exempt under sections 53B.29 and 53B.30 provides
109.10 money transmission to the same extent as if the person were a licensee, and is jointly and
109.11 severally liable with the unlicensed or nonexempt person.

109.12 Sec. 39. **[53B.53] PROHIBITED AUTHORIZED DELEGATES.**

109.13 (a) The district court in an action brought by a licensee has jurisdiction to grant
109.14 appropriate equitable or legal relief, including without limitation prohibiting the authorized
109.15 delegate from directly or indirectly acting as an authorized delegate for any licensee in
109.16 Minnesota and the payment of restitution, damages, or other monetary relief, if the district
109.17 court finds that an authorized delegate failed to remit money in accordance with the written
109.18 contract required by section 53B.51, paragraph (b), or as otherwise directed by the licensee
109.19 or required by law.

109.20 (b) If the district court issues an order prohibiting a person from acting as an authorized
109.21 delegate for any licensee under paragraph (a), the licensee that brought the action must
109.22 report the order to the commissioner within 30 days of the date of the order and must report
109.23 the order through NMLS within 90 days of the date of the order.

109.24 Sec. 40. **[53B.54] TIMELY TRANSMISSION.**

109.25 (a) Every licensee must forward all money received for transmission in accordance with
109.26 the terms of the agreement between the licensee and the sender, unless the licensee has a
109.27 reasonable belief or a reasonable basis to believe that the sender may be a victim of fraud
109.28 or that a crime or violation of law, rule, or regulation has occurred, is occurring, or may
109.29 occur.

109.30 (b) If a licensee fails to forward money received for transmission as provided under this
109.31 section, the licensee must respond to inquiries by the sender with the reason for the failure,
109.32 unless providing a response would violate a state or federal law, rule, or regulation.

110.1 Sec. 41. [53B.55] REFUNDS.

110.2 (a) This section does not apply to:

110.3 (1) money received for transmission that is subject to the federal remittance rule under
110.4 Code of Federal Regulations, title 12, part 1005, subpart B, as amended or recodified from
110.5 time to time; or

110.6 (2) money received for transmission pursuant to a written agreement between the licensee
110.7 and payee to process payments for goods or services provided by the payee.

110.8 (b) A licensee must refund to the sender within ten days of the date the licensee receives
110.9 the sender's written request for a refund of any and all money received for transmission,
110.10 unless:

110.11 (1) the money has been forwarded within ten days of the date on which the money was
110.12 received for transmission;

110.13 (2) instructions have been given committing an equivalent amount of money to the
110.14 person designated by the sender within ten days of the date on which the money was received
110.15 for transmission;

110.16 (3) the agreement between the licensee and the sender instructs the licensee to forward
110.17 the money at a time that is beyond ten days of the date on which the money was received
110.18 for transmission. If money has not been forwarded in accordance with the terms of the
110.19 agreement between the licensee and the sender, the licensee must issue a refund in accordance
110.20 with the other provisions of this section; or

110.21 (4) the refund is requested for a transaction that the licensee has not completed based
110.22 on a reasonable belief or a reasonable basis to believe that a crime or violation of law, rule,
110.23 or regulation has occurred, is occurring, or may occur.

110.24 (c) A refund request does not enable the licensee to identify:

110.25 (1) the sender's name and address or telephone number; or

110.26 (2) the particular transaction to be refunded in the event the sender has multiple
110.27 transactions outstanding.

110.28 Sec. 42. [53B.56] RECEIPTS.

110.29 Subdivision 1. **Definition.** For purposes of this section, "receipt" means a paper receipt,
110.30 electronic record, or other written confirmation.

110.31 Subd. 2. **Exemption.** This section does not apply to:

111.1 (1) money received for transmission that is subject to the federal remittance rule under
111.2 Code of Federal Regulations, title 12, part 1005, subpart B, as amended or recodified from
111.3 time to time;

111.4 (2) money received for transmission that is not primarily for personal, family, or
111.5 household purposes;

111.6 (3) money received for transmission pursuant to a written agreement between the licensee
111.7 and payee to process payments for goods or services provided by the payee; or

111.8 (4) payroll processing services.

111.9 Subd. 3. **Transaction types; receipts form.** For a transaction conducted in person, the
111.10 receipt may be provided electronically if the sender requests or agrees to receive an electronic
111.11 receipt. For a transaction conducted electronically or by telephone, a receipt may be provided
111.12 electronically. All electronic receipts must be provided in a retainable form.

111.13 Subd. 4. **Receipts required.** (a) Every licensee or the licensee's authorized delegate
111.14 must provide the sender a receipt for money received for transmission.

111.15 (b) The receipt must contain, as applicable:

111.16 (1) the name of the sender;

111.17 (2) the name of the designated recipient;

111.18 (3) the date of the transaction;

111.19 (4) the unique transaction or identification number;

111.20 (5) the name of the licensee, NMLS Unique ID, the licensee's business address, and the
111.21 licensee's customer service telephone number;

111.22 (6) the transaction amount, expressed in United States dollars;

111.23 (7) any fee the licensee charges the sender for the transaction; and

111.24 (8) any taxes the licensee collects from the sender for the transaction.

111.25 (c) The receipt required by this section must be provided in (1) English, and (2) the
111.26 language principally used by the licensee or authorized delegate to advertise, solicit, or
111.27 negotiate, either orally or in writing, for a transaction conducted in person, electronically,
111.28 or by telephone, if the language principally used is a language other than English.

112.1 Sec. 43. **[53B.57] NOTICE.**

112.2 Every licensee or authorized delegate must include on a receipt or disclose on the
112.3 licensee's website or mobile application the name and telephone number of the department
112.4 and a statement that the licensee's customers can contact the department with questions or
112.5 complaints about the licensee's money transmission services.

112.6 Sec. 44. **[53B.58] PAYROLL PROCESSING SERVICES; DISCLOSURES.**

112.7 (a) A licensee that provides payroll processing services must:

112.8 (1) issue reports to clients detailing client payroll obligations in advance of the payroll
112.9 funds being deducted from an account; and

112.10 (2) make available worker pay stubs or an equivalent statement to workers.

112.11 (b) Paragraph (a) does not apply to a licensee providing payroll processing services if
112.12 the licensee's client designates the intended recipients to the licensee and is responsible for
112.13 providing the disclosures required by paragraph (a), clause (2).

112.14 Sec. 45. **[53B.59] NET WORTH.**

112.15 (a) A licensee under this chapter must maintain at all times a tangible net worth that is
112.16 the greater of: (1) \$100,000; or (2) three percent of total assets for the first \$100,000,000;
112.17 two percent of additional assets between \$100,000,000 to \$1,000,000,000; and one-half
112.18 percent of additional assets over \$1,000,000,000.

112.19 (b) Tangible net worth must be demonstrated in the initial application by the applicant's
112.20 most recent audited or unaudited financial statements under section 53B.38, paragraph (b),
112.21 clause (6).

112.22 (c) Notwithstanding paragraphs (a) and (b), the commissioner has the authority, for good
112.23 cause shown, to exempt any applicant or licensee in-part or in whole from the requirements
112.24 of this section.

112.25 Sec. 46. **[53B.60] SURETY BOND.**

112.26 (a) An applicant for a money transmission license must provide and a licensee must at
112.27 all times maintain (1) security consisting of a surety bond in a form satisfactory to the
112.28 commissioner, or (2) with the commissioner's approval, a deposit instead of a bond in
112.29 accordance with this section.

112.30 (b) The amount of the required security under this section is:

(1) the greater of (i) \$100,000, or (ii) an amount equal to one hundred percent of the licensee's average daily money transmission liability in Minnesota, calculated for the most recently completed three-month period, up to a maximum of \$500,000; or

(2) in the event that the licensee's tangible net worth exceeds ten percent of total assets, the licensee must maintain a surety bond of \$100,000.

(c) A licensee that maintains a bond in the maximum amount provided for in paragraph (b), clause (1) or (2), as applicable, is not required to calculate the licensee's average daily money transmission liability in Minnesota for purposes of this section.

(d) A licensee may exceed the maximum required bond amount pursuant to section 53B.62, paragraph (a), clause (5).

(e) The security device remains effective until cancellation, which may occur only after 30 days' written notice to the commissioner. Cancellation does not affect the rights of any claimant for any liability incurred or accrued during the period for which the bond was in force.

(f) The security device must remain in place for no longer than five years after the licensee ceases money transmission operations in Minnesota. Notwithstanding this paragraph, the commissioner may permit the security device to be reduced or eliminated before that time to the extent that the amount of the licensee's payment instruments outstanding in Minnesota are reduced. The commissioner may also permit a licensee to substitute a letter of credit or other form of security device acceptable to the commissioner for the security device in place at the time the licensee ceases money transmission operations in Minnesota.

Sec. 47. [53B.61] MAINTENANCE OF PERMISSIBLE INVESTMENTS.

(a) A licensee must maintain at all times permissible investments that have a market value computed in accordance with United States generally accepted accounting principles of not less than the aggregate amount of all of the licensee's outstanding money transmission obligations.

(b) Except for permissible investments enumerated in section 53B.62, paragraph (a), the commissioner may by administrative rule or order, with respect to any licensee, limit the extent to which a specific investment maintained by a licensee within a class of permissible investments may be considered a permissible investment, if the specific investment represents undue risk to customers not reflected in the market value of investments.

(c) Permissible investments, even if commingled with other assets of the licensee, are held in trust for the benefit of the purchasers and holders of the licensee's outstanding money transmission obligations in the event of insolvency; the filing of a petition by or against the licensee under the United States Bankruptcy Code, United States Code, title 11, sections 101 to 110, as amended or recodified from time to time, for bankruptcy or reorganization; the filing of a petition by or against the licensee for receivership; the commencement of any other judicial or administrative proceeding for the licensee's dissolution or reorganization; or in the event of an action by a creditor against the licensee who is not a beneficiary of this statutory trust. No permissible investments impressed with a trust pursuant to this paragraph are subject to attachment, levy of execution, or sequestration by order of any court, except for a beneficiary of the statutory trust.

(d) Upon the establishment of a statutory trust in accordance with paragraph (c), or when any funds are drawn on a letter of credit pursuant to section 53B.62, paragraph (a), clause (4), the commissioner must notify the applicable regulator of each state in which the licensee is licensed to engage in money transmission, if any, of the establishment of the trust or the funds drawn on the letter of credit, as applicable. Notice is deemed satisfied if performed pursuant to a multistate agreement or through NMLS. Funds drawn on a letter of credit, and any other permissible investments held in trust for the benefit of the purchasers and holders of the licensee's outstanding money transmission obligations, are deemed held in trust for the benefit of the purchasers and holders of the licensee's outstanding money transmission obligations on a pro rata and equitable basis in accordance with statutes pursuant to which permissible investments are required to be held in Minnesota and other states, as defined by a substantially similar statute in the other state. Any statutory trust established under this section terminates upon extinguishment of all of the licensee's outstanding money transmission obligations.

(e) The commissioner may by rule or by order allow other types of investments that the commissioner determines are of sufficient liquidity and quality to be a permissible investment. The commissioner is authorized to participate in efforts with other state regulators to determine that other types of investments are of sufficient liquidity and quality to be a permissible investment.

Sec. 48. **[53B.62] PERMISSIBLE INVESTMENTS.**

Subdivision 1. **Certain investments permissible.** The following investments are permissible under section 53B.61:

115.12 time to time;

115.13 (3) an obligation of the United States or a commission, agency, or instrumentality thereof;

115.15 obligation of a state or a governmental subdivision, agency, or instrumentality thereof;

115.16 (4) the full drawable amount of an irrevocable standby letter of credit, for which the
115.17 stated beneficiary is the commissioner, that stipulates that the beneficiary need only draw
115.18 a sight draft under the letter of credit and present the sight draft to obtain funds up to the
115.19 letter of credit amount within seven days of presentation of the items required by subdivision
115.20 2, paragraph (c); and

115.21 (5) one hundred percent of the surety bond or deposit provided for under section 53B.60

115.24 clause (4), must:

115.25 (1) be issued by a federally insured depository financial institution, a foreign bank that
115.26 is authorized under federal law to maintain a federal agency or federal branch office in a

115.28 a state that: (i) bears an eligible rating or whose parent company bears an eligible rating;

115.32 qualifications outside of the letter of credit;

116.1 (3) not contain reference to any other agreements, documents, or entities, or otherwise

116.6 commissioner in writing by certified or registered mail or courier mail or other receipted
116.7 means, at least 60 days before any expiration date, that the irrevocable letter of credit will
116.8 not be extended.

116.9 (b) In the event of any notice of expiration or nonextension of a letter of credit issued
116.10 under paragraph (a), clause (4), the licensee must demonstrate to the satisfaction of the
116.11 commissioner, 15 days before the letter or credit's expiration, that the licensee maintains
116.12 and will maintain permissible investments in accordance with section 53B.61, paragraph
116.13 (a), upon the expiration of the letter of credit. If the licensee is not able to do so, the
116.14 commissioner may draw on the letter of credit in an amount up to the amount necessary to
116.15 meet the licensee's requirements to maintain permissible investments in accordance with
116.16 section 53B.61, paragraph (a). Any draw under this paragraph must be offset against the
116.17 licensee's outstanding money transmission obligations. The drawn funds must be held in
116.18 trust by the commissioner or the commissioner's designated agent, to the extent authorized
116.19 by law, as agent for the benefit of the purchasers and holders of the licensee's outstanding
116.20 money transmission obligations.

116.21 (c) The letter of credit must provide that the issuer of the letter of credit must honor, at
116.22 sight, a presentation made by the beneficiary to the issuer of the following documents on
116.23 or before the expiration date of the letter of credit:

116.24 (1) the original letter of credit, including any amendments; and

117.4 or

117.5 (iv) the beneficiary has received notice of expiration or nonextension of a letter of credit
117.6 and the licensee failed to demonstrate to the satisfaction of the beneficiary that the licensee
117.7 will maintain permissible investments in accordance with section 53B.61, paragraph (a),
117.8 upon the expiration or nonextension of the letter of credit.

117.9 (d) The commissioner may designate an agent to serve on the commissioner's behalf as
117.10 beneficiary to a letter of credit, provided the agent and letter of credit meet requirements
117.11 the commissioner establishes. The commissioner's agent may serve as agent for multiple
117.12 licensing authorities for a single irrevocable letter of credit if the proceeds of the drawable
117.13 amount for the purposes of subdivision 1, clause (4), and this subdivision are assigned to
117.14 the commissioner.

117.15 (e) The commissioner is authorized to participate in multistate processes designed to
117.16 facilitate the issuance and administration of letters of credit, including but not limited to
117.17 services provided by the NMLS and State Regulatory Registry, LLC.

117.19 rule or order otherwise permits an investment to exceed the limit set forth in this subdivision,
117.20 the following investments are permissible under section 53B.61 to the extent specified:

117.21 (1) receivables that are payable to a licensee from its authorized delegates in the ordinary
117.22 course of business that are less than seven days old, up to 50 percent of the aggregate value
117.23 of the licensee's total permissible investments;

118.17 (iv) is not located in a high-risk or noncooperative jurisdiction, as designated by the
118.18 Financial Action Task Force.

118.20 (a) The commissioner may suspend or revoke a license or order a licensee to revoke the
118.21 designation of an authorized delegate if:

120.27 (a) A person licensed in Minnesota to engage in the business of money transmission is

126.10 schedule, other terms and conditions of operating the licensee's virtual-currency business
126.11 activity with the person, and the policies applicable to the person's account; and

126.12 (9) that virtual currency is not money.

126.13 (c) Except as otherwise provided in paragraph (d), at the conclusion of a virtual-currency

126.26 **CURRENCY.**

126.27 (a) A licensee that has control of virtual currency for one or more persons must maintain

126.29 entitlements of the persons to the type of virtual currency.

126.30 (b) If a licensee violates paragraph (a), the property interests of the persons in the virtual
126.31 currency are pro rata property interests in the type of virtual currency to which the persons

127.1 are entitled, without regard to the time the persons became entitled to the virtual currency
127.2 or the licensee obtained control of the virtual currency.

127.3 (c) The virtual currency referred to in this section is:

127.4 (1) held for the persons entitled to the virtual currency;

127.13 control of virtual currency for a person entitled to the protections under section 53B.73.

127.14 (b) A licensee must maintain, for all virtual-currency business activity with or on behalf
127.15 of a person five years after the date of the activity, a record of:

127.26 months;

127.28 money or another form of virtual currency with or on behalf of the person;

141.27 by a qualified third-party professional in the following form:

141.28 CERTIFICATION OF QUALIFIED THIRD-PARTY PROFESSIONAL

141.29 I, (name of qualified third-party professional), do hereby certify under
141.30 penalty of perjury as follows:

1. I am a licensed health care provider, mental health care provider, social worker, marriage and family therapist, domestic abuse advocate, as that term is defined in Minnesota Statutes, section 595.02, subdivision 1, paragraph (l), or sexual assault counselor, as that term is defined in Minnesota Statutes, section 595.02, subdivision 1, paragraph (k), or a staff member of a nonprofit organization that provides direct assistance to victims of domestic abuse, sexual assault, or sex or labor trafficking, who has had in-person contact or face-to-face contact through an electronic medium with (name of debtor).

2. 3. Based on my professional interactions with the debtor and on information presented to me, I have reason to believe that the circumstances under which the coerced debt was incurred are as follows:

I attest that the foregoing is true and correct.

(Printed name of qualified third party)

(Signature of qualified third party)

(Business address and business telephone)

(Date)

EFFECTIVE DATE; APPLICATION. This section is effective January 1, 2024, and applies to all debts incurred on or after that date.

Sec. 69. [332.72] COERCED DEBT PROHIBITED.

A person is prohibited from causing another person to incur coerced debt.

EFFECTIVE DATE; APPLICATION. This section is effective January 1, 2024, and applies to all debts incurred on or after that date.

Sec. 70. [332.73] NOTICE TO CREDITOR OF COERCED DEBT.

Subdivision 1. Notification. (a) Before taking an affirmative action under section 332.74, a debtor must, by certified mail, notify a creditor that the debt or a portion of a debt on

143.1 which the creditor demands payment is coerced debt and request that the creditor cease all
143.2 collection activity on the coerced debt. The notification and request must be in writing and
143.3 include documentation. The creditor, within 30 days of the date the notification and request
143.4 is received, must notify the debtor in writing of the creditor's decision to either immediately
143.5 cease all collection activity or continue to pursue collection.

143.6 (b) If a creditor ceases collection but subsequently decides to resume collection activity,
143.7 the creditor must notify the debtor ten days prior to the date the collection activity resumes.

143.8 (c) A debtor must not proceed with an action under section 332.74 until the 30-day
143.9 period provided under paragraph (a) has expired.

143.10 Subd. 2. **Sale or assignment of coerced debt.** A creditor may sell or assign a debt to
143.11 another party if the creditor selling or assigning the debt includes notification to the buyer
143.12 or assignee that the debtor has asserted the debt is coerced debt.

143.13 Subd. 3. **No inference upon cessation of collection activity.** The fact that a creditor
143.14 ceases collection activity under this section or section 332.74 does not create an inference
143.15 or presumption regarding the validity or invalidity of a debt for which a debtor is liable or
143.16 not liable. The exercise or nonexercise of rights under this section is not a waiver of any
143.17 other debtor or creditor rights or defenses.

143.18 **EFFECTIVE DATE; APPLICATION.** This section is effective January 1, 2024, and
143.19 applies to all debts incurred on or after that date.

143.20 Sec. 71. **[332.74] DEBTOR REMEDIES.**

143.21 Subdivision 1. **Right to petition for declaration and injunction.** A debtor alleging
143.22 violation of section 332.72 may petition for equitable relief in the district court in the county
143.23 where the debtor lives or where the coerced debt was incurred. The petition must include:

143.24 (1) the notice to the creditor required under section 332.73, subdivision 1;

143.25 (2) consistent with Rule 11 of the Minnesota Rules of General Practice, information
143.26 identifying (i) the account or accounts associated with the coerced debt, and (ii) the person
143.27 in whose name the debt was incurred; and

143.28 (3) the identity and, if known, contact information of the person who caused the debtor
143.29 to incur coerced debt, unless the debtor signs a sworn statement that disclosing the
143.30 information is likely to result in domestic abuse or other harm to the debtor, the debtor's
143.31 children, parents, other relatives, or a family pet.

144.1 Subd. 2. **Procedural safeguards.** The court must take appropriate steps necessary to
144.2 prevent abuse of the debtor or to the debtor, the debtor's children, parents, other relatives,
144.3 or a family pet. For purposes of this subdivision, appropriate steps include but are not limited
144.4 to sealing the file, marking the file as confidential, redacting personally identifiable
144.5 information about the debtor, and directing that any deposition or evidentiary hearing be
144.6 conducted remotely.

144.7 Subd. 3. **Relief.** (a) If a debtor shows by a preponderance of the evidence that the debtor
144.8 has been aggrieved by a violation of section 332.72 and the debtor has incurred coerced
144.9 debt, the debtor is entitled to one or more of the following:

144.10 (1) a declaratory judgment that the debt or portion of a debt is coerced debt;

144.11 (2) an injunction prohibiting the creditor from (i) holding or attempting to hold the debtor
144.12 liable for the debt or portion of a debt, or (ii) enforcing a judgment related to the coerced
144.13 debt; and

144.14 (3) an order dismissing any cause of action brought by the creditor to enforce or collect
144.15 the coerced debt from the debtor or, if only a portion of the debt is established as coerced
144.16 debt, an order directing that the judgment, if any, in the action be amended to reflect only
144.17 the portion of the debt that is not coerced debt.

144.18 (b) If the court orders relief for the debtor under paragraph (a), the court, after the
144.19 creditor's motion has been served by United States mail to the last known address of the
144.20 person who violated section 332.72, must issue a judgment in favor of the creditor against
144.21 the person in the amount of the debt or a portion of the debt.

144.22 (c) This subdivision applies regardless of the judicial district in which the creditor's
144.23 action or the debtor's petition was filed.

144.24 Subd. 4. **Affirmative defense.** In an action against a debtor to satisfy a debt, it is an
144.25 affirmative defense that the debtor incurred coerced debt.

144.26 Subd. 5. **Burden.** In any affirmative action taken under subdivision 1 or any affirmative
144.27 defense asserted in subdivision 3, the debtor bears the burden to show by a preponderance
144.28 of the evidence that the debtor incurred coerced debt. There is a presumption that the debtor
144.29 has incurred coerced debt if the person alleged to have caused the debtor to incur the coerced
144.30 debt has been criminally convicted, entered a guilty plea, or entered an Alford plea under
144.31 section 609.27, 609.282, 609.322, or 609.527.

144.32 Subd. 6. **Statute of limitations tolled.** (a) The statute of limitations under section 541.05
144.33 is tolled during the pendency of a proceeding instituted under this section.

(b) A creditor is prohibited from filing a collection action regarding a debt that is the subject of a proceeding instituted under this section while the proceeding is pending.

(c) If a debtor commences a proceeding under this section while a collection action is pending against the debtor regarding a debt that is subject to the proceeding, the court must immediately stay the collection action pending the disposition of the proceeding under this section.

EFFECTIVE DATE; APPLICATION. This section is effective January 1, 2024, and applies to all debts incurred on or after that date.

Sec. 72. **[332.75] CREDITOR REMEDIES.**

Nothing in sections 332.71 to 332.74 diminishes the rights of a creditor to seek payment recovery for a coerced debt from the person who caused the debtor to incur the coerced debt.

EFFECTIVE DATE; APPLICATION. This section is effective January 1, 2024, and applies to all debts incurred on or after that date.

Sec. 73. **UNAUDITED FINANCIAL STATEMENTS; RULEMAKING.**

The commissioner of commerce shall amend Minnesota Rules, part 2876.3021, subpart 2, to remove the prohibition on use of unaudited financial statements if the aggregate amount of all previous sales of securities by the applicant, exclusive of debt financing with banks and similar commercial lenders, exceeds \$1,000,000. The commissioner of commerce may use the good cause exemption under Minnesota Statutes, section 14.388, subdivision 1, clause (3), to amend the rule under this section, and Minnesota Statutes, section 14.386, does not apply except as provided under Minnesota Statutes, section 14.388.

Sec. 74. **MINNESOTA COUNCIL ON ECONOMIC EDUCATION; GRANTS.**

(a) The grants provided under article 1, section 3, to the Minnesota Council on Economic Education must be used by the council to:

(1) provide professional development to Minnesota teachers of courses or content related to personal finance or consumer protection for students in grades 9 through 12;

(3) identify the number of preservice and licensed teachers receiving professional development through each of these opportunities;

(4) summarize evaluations of professional opportunities for teachers; and

(5) list the number, types, and summary evaluations of the direct-to-student ancillary personal finance programs that are supported with funds from the grant.

(c) By February 15 of each year following the receipt of a grant, the Minnesota Council on Economic Education must provide a mid-year report to the commissioner of education and, on August 15 of each year following receipt of a grant, the Minnesota Council on Economic Education must prepare a year-end report according to the requirements of paragraph (b). The reports must be prepared and filed according to Minnesota Statutes, section 3.195. The commissioner may request additional information as necessary.

GPS starter interrupt device includes a device commonly referred to as a fuel or ignition kill switch.

148.19 Subd. 4. **Retail rate for labor.** (a) Compensation for warranty labor must equal the
 148.20 dealer's effective nonwarranty labor rate multiplied by the time ~~allowances recognized by~~
 148.21 ~~the manufacturer to compensate its dealers for warranty work~~ guide used by the dealer for
 148.22 nonwarranty customer-paid service repair orders. If no time guide exists for a warranty
 148.23 repair, compensation for warranty labor must equal the dealer's effective nonwarranty labor
 148.24 rate multiplied by the time actually spent to complete the repair order and must not be less
 148.25 than the time charged to retail customers for the same or similar work performed. The
 148.26 effective nonwarranty labor rate is determined by dividing the total customer labor charges
 148.27 for qualifying nonwarranty repairs in the repair orders submitted under subdivision 2 by
 148.28 the total number of labor hours that generated those sales. Compensation for warranty labor
 148.29 ~~must include reasonable~~ all diagnostic time for repairs performed under this section, including
 148.30 but not limited to all time spent communicating with the manufacturer's technical assistance
 148.31 or external manufacturer source in order to provide a warranty repair, and must not be less
 148.32 than the time charged to retail customers for the same or similar work performed.

149.1 (b) A manufacturer may disapprove a dealer's effective nonwarranty labor rate if:

149.2 (1) the disapproval is provided to the dealer in writing;

149.3 (2) the disapproval is sent to the dealer within 30 days of the submission of the effective
149.4 nonwarranty labor rate by the dealer to the manufacturer;

149.5 (3) the disapproval includes a reasonable substantiation that the effective nonwarranty
149.6 labor rate submission is inaccurate, incomplete, or unreasonable in light of a comparison
149.7 to the retail rate charged by other similarly situated franchised motor vehicle dealers in a
149.8 comparable geographic area in the state offering the same line-make vehicles; and

149.9 (4) the manufacturer proposes an adjustment of the effective nonwarranty labor rate.

149.10 (c) If a manufacturer fails to approve or disapprove the rate within this time period, the
149.11 rate is approved. If a manufacturer disapproves a dealer's effective nonwarranty labor rate,
149.12 and the dealer does not agree to the manufacturer's proposed adjustment, the parties shall
149.13 use the manufacturer's internal dispute resolution procedure, if any, within a reasonable
149.14 time after the dealer notifies the manufacturer of their failure to agree. If the manufacturer's
149.15 internal dispute resolution procedure is unsuccessful, or if the procedure is not implemented
149.16 within a reasonable time after the dealer notifies the manufacturer of their failure to agree,
149.17 the dealer may use the civil remedies available under section 80E.17. A dealer must file a
149.18 civil suit under section 80E.17, as permitted by this subdivision, within 60 days of receiving
149.19 the manufacturer's proposed adjustment to the effective nonwarranty labor rate, or the

149.24 deducting customary cash discounts, plus any excise or sales taxes imposed on such
149.25 commodity, goods, wares or merchandise subsequent to the purchase thereof and prior to
149.26 the resale thereof, plus the cost of doing business at that location by the vendor; and

149.27 (2) where a manufacturer publishes a list price and discounts, in determining such "cost"
149.28 the manufacturer's published list price then currently in effect, less the published trade
149.29 discount but without deducting the customary cash discount, plus any excise or sales taxes
149.30 imposed on such commodity, goods, wares or merchandise subsequent to the purchase
149.31 thereof and prior to the resale thereof, plus the cost of doing business by the vendor shall
149.32 be prima facie evidence of "cost";

150.14 or association with, or certification by, another;

150.15 (4) uses deceptive representations or designations of geographic origin in connection
150.16 with goods or services;

150.17 (5) represents that goods or services have sponsorship, approval, characteristics,
150.18 ingredients, uses, benefits, or quantities that they do not have or that a person has a
150.19 sponsorship, approval, status, affiliation, or connection that the person does not have;

150.20 (6) represents that goods are original or new if they are deteriorated, altered,
150.21 reconditioned, reclaimed, used, or secondhand;

151.4 or practices; or

151.5 ~~(13)~~ (14) engages in any other conduct which similarly creates a likelihood of confusion
151.6 or of misunderstanding.

151.7 Sec. 8. Minnesota Statutes 2022, section 325D.44, subdivision 2, is amended to read:

151.8 Subd. 2. **Proof.** (a) In order to prevail in an action under sections 325D.43 to 325D.48,
151.9 a complainant need not prove competition between the parties or actual confusion or
151.10 misunderstanding.

151.11 (b) For purposes of subdivision 1, clause (13), the standard of proof provided under
151.12 section 325F.69, subdivision 7, applies.

151.13 Sec. 9. **[325E.72] DIGITAL FAIR REPAIR.**

151.18 with an original equipment manufacturer and who has: (1) an arrangement with the original
151.19 equipment manufacturer, for a definite or indefinite period, under which the original
151.20 equipment manufacturer grants to the individual or business a license to use a trade name,
151.21 service mark, or other proprietary identifier to offer diagnostic, maintenance, or repair
151.22 services for digital electronic equipment under the name of the original equipment
151.23 manufacturer; or (2) an arrangement with the original equipment manufacturer to offer
151.24 diagnostic, maintenance, or repair services for digital electronic equipment on behalf of the
151.25 original equipment manufacturer. An original equipment manufacturer that offers diagnostic,

151.29 in this paragraph with an unaffiliated individual or business.

151.30 (c) "Digital electronic equipment" or "equipment" means any product that depends, in

152.2 schematic diagram, or similar information provided to an authorized repair provider to
152.3 facilitate diagnostic, maintenance, or repair services for digital electronic equipment.

152.5 delivered with digital electronic equipment, or with a part for the equipment, in order to

152.7 the manufacturer of the equipment or part in order to operate the equipment.

152.8 (f) "Fair and reasonable terms" means, with respect to:

152.9 (1) parts offered by an original equipment manufacturer:

152.10 (i) costs that are fair to both parties, considering the agreed-upon conditions, promised
152.11 quality, and timeliness of delivery; and

152.12 (ii) terms that do not impose on an owner or an independent repair provider:

152.13 (A) a substantial obligation to use or restrict the use of the part to diagnose, maintain,
152.14 or repair agricultural equipment sold, leased, or otherwise supplied by the original equipment
152.15 manufacturer, including a condition that the owner or independent repair provider become
152.16 an authorized repair provider of the original equipment manufacturer; or

152.17 (B) a requirement that a part be registered, paired with, or approved by the original
152.18 equipment manufacturer or an authorized repair provider before the part is operational or
152.19 prohibit an original equipment manufacturer from imposing any additional cost or burden
152.20 that is not reasonably necessary or is designed to be an impediment on the owner or
152.21 independent repair provider;

152.22 (2) tools, software, and documentation offered by an original equipment manufacturer:

152.23 (i) costs that are equivalent to the lowest actual cost for which the original equipment
152.24 manufacturer offers the tool, software, or documentation to an authorized repair provider,
152.25 including any discount, rebate, or other financial incentive offered to an authorized repair
152.26 provider; and

155.9 described in subdivision 2, paragraph (b), that purports to waive, avoid, restrict, or limit the
155.10 original equipment manufacturer's obligations to comply with this section is void and
155.11 unenforceable.

155.12 (c) Nothing in this section requires an original equipment manufacturer or an authorized
155.13 repair provider to provide to an owner or independent repair provider access to information,

(b) "Essential consumer good or service" means a good or service that is vital and necessary for the health, safety, and welfare of the public, including without limitation: food; water; fuel; gasoline; shelter; transportation; health care services; pharmaceuticals; and medical, personal hygiene, sanitation, and cleaning supplies.

(c) "Seller" means a manufacturer, supplier, wholesaler, distributor, or retail seller of goods and services.

(d) "Unconscionably excessive price" means a price that represents a gross disparity compared to the seller's average price of an essential good or service, offered for sale or sold in the usual course of business, in the 60-day period before an abnormal market disruption is declared under subdivision 2. None of the following is an unconscionably excessive price:

(1) a price that is substantially related to an increase in the cost of manufacturing, obtaining, replacing, providing, or selling a good or service;

(2) a price that is no more than 25 percent above the seller's average price during the 60-day period before an abnormal market disruption is declared under subdivision 2;

(3) a price that is consistent with the fluctuations in applicable commodity markets or seasonal fluctuations; or

(4) a contract price, or the results of a price formula, that was established before an abnormal market disruption is declared under subdivision 2.

Subd. 2. Abnormal market disruption. (a) The governor may by executive order declare an abnormal market disruption if, in the governor's sole determination, there has been or is likely to be a substantial and atypical change in the market for an essential consumer good or service caused by an event or circumstances that result in a declaration of a state of emergency by the governor. The governor may specify an effective period for a declaration under this section that is shorter than the effective period for the state of emergency declaration.

(b) The governor's abnormal market disruption declaration must state that the declaration is activating this section and must specify the geographic area of Minnesota to which the declaration applies.

157.1 (c) Unless an earlier date is specified by the governor, an abnormal market disruption
157.2 declaration under this subdivision terminates 30 days after the date that the state of emergency
157.3 for which it was activated ends.

157.4 Subd. 3. **Notice.** Upon the implementation, renewal, limitation, or termination of an
157.5 abnormal market disruption declaration made under subdivision 2: (1) the governor must
157.6 immediately post notice on applicable government websites and provide notice to the media;
157.7 and (2) the commissioner of commerce must provide notice directly to sellers by any practical
157.8 means.

157.9 Subd. 4. **Prohibition.** If the governor declares an abnormal market disruption, a person
157.10 is prohibited from selling or offering to sell an essential consumer good or service for an
157.11 amount that represents an unconscionably excessive price during the period in which the
157.12 abnormal market disruption declaration is effective.

157.13 Subd. 5. **Civil penalty.** A person who is found to have violated this section is subject
157.14 to a civil penalty of not more than \$1,000 per sale or transaction, with a maximum penalty
157.15 of \$25,000 per day. No other penalties may be imposed for the same conduct regulated
157.16 under this section.

157.17 Subd. 6. **Enforcement authority.** (a) The attorney general may investigate and bring
157.18 an action against a seller for an alleged violation of this section.

157.19 (b) Nothing in this section creates a private cause of action in favor of a person injured
157.20 by a violation of this section.

158.3 in effect for at least 15 days or 500 miles, whichever comes first.

158.4 (b) The express warranty must require the dealer, in the event of a malfunction, defect,
158.5 or failure in a covered part, to repair or replace the covered part, or at the dealer's election,
158.6 to accept return of the used motor vehicle from the consumer and provide a refund to the
158.7 consumer.

158.8 (c) For used motor vehicles with less than 36,000 miles, the dealer's express warranty
158.9 shall cover, at minimum, the following parts:

158.15 shafts and output shafts, and universal joints; but excluding the secondary drive axle on
158.16 vehicles, other than passenger vans, mounted on a truck chassis;

158.17 (4) with respect to the brakes, the master cylinder, vacuum assist booster, wheel cylinders,
158.18 hydraulic lines and fittings, and disc brakes calipers;

158.24 (9) the alternator, generator, and starter.

158.25 (d) For used motor vehicles with 36,000 miles or more, ~~but less than 75,000 miles,~~ the
158.26 dealer's express warranty shall cover, at minimum, the following parts:

158.27 (1) with respect to the engine, all lubricated parts, intake manifolds, engine block, cylinder
158.28 head, rotary engine housings, and ring gear;

159.10 (e)(1) A dealer's obligations under the express warranty remain in effect notwithstanding
159.11 the fact that the warranty period has expired, if the consumer promptly notified the dealer
159.12 of the malfunction, defect, or failure in the covered part within the specified warranty period
159.13 and, within a reasonable time after notification, brings the vehicle or arranges with the dealer
159.14 to have the vehicle brought to the dealer for inspection and repair.

159.15 (2) If a dealer does not have a repair facility, the dealer shall designate where the vehicle
159.16 must be taken for inspection and repair.

159.17 (3) In the event the malfunction, defect, or failure in the covered part occurs at a location
159.18 which makes it impossible or unreasonable to return the vehicle to the selling dealer, the
159.19 consumer may have the repairs completed elsewhere with the consent of the selling dealer,
159.20 which consent may not be unreasonably withheld.

159.21 (4) Notwithstanding the provisions of this paragraph, a consumer may have nonwarranty
159.22 maintenance and nonwarranty repairs performed other than by the selling dealer and without
159.23 the selling dealer's consent.

159.24 (f) Nothing in this section diminishes the obligations of a manufacturer under an express
159.25 warranty issued by the manufacturer. The express warranties created by this section do not
159.26 require a dealer to repair or replace a covered part if the repair or replacement is covered
159.27 by a manufacturer's new car warranty, or the manufacturer otherwise agrees to repair or
159.28 replace the part.

159.29 (g) The express warranties created by this section do not cover defects or repair problems

163.30 genetic material, or genetic data on behalf of the direct-to-consumer genetic testing company,
163.31 or on behalf of any other person that collects, uses, maintains, or discloses biological samples,
163.32 extracted genetic material, or genetic data collected or derived from a direct-to-consumer
163.33 genetic testing product or service, or is directly provided by a consumer, or the delivery of

164.1 the results of the analysis of the biological sample, extracted genetic material, or genetic
164.2 data.

164.3 Subd. 2. **Disclosure and consent requirements.** (a) To safeguard the privacy,
164.4 confidentiality, security, and integrity of a consumer's genetic data, a direct-to-consumer
164.5 genetic testing company must:

164.6 (1) provide easily accessible, clear, and complete information regarding the company's
164.7 policies and procedures governing the collection, use, maintenance, and disclosure of genetic
164.8 data by making available to a consumer all of the following written in plain language:

164.9 (i) a high-level privacy policy overview that includes basic, essential information about
164.10 the company's collection, use, or disclosure of genetic data;

164.11 (ii) a prominent, publicly available privacy notice that includes at a minimum information
164.12 about the company's data collection, consent, use, access, disclosure, maintenance, transfer,
164.13 security, retention, and deletion practices of genetic data; and

164.14 (iii) information that clearly describes how to file a complaint alleging a violation of
164.15 this section, pursuant to section 45.027;

164.16 (2) obtain a consumer's express consent to collect, use, and disclose the consumer's
164.17 genetic data, including at a minimum:

164.18 (i) initial express consent that clearly (A) describes the uses of the genetic data collected
164.19 through the genetic testing product service, and (B) specifies who has access to the test
164.20 results and how the genetic data may be shared;

164.21 (ii) separate express consent, which must include the name of the person receiving the
164.22 information, for each transfer or disclosure of the consumer's genetic data or biological
164.23 sample to any person other than the company's vendors and service providers;

164.24 (iii) separate express consent for each use of genetic data or the biological sample that
164.25 is beyond the primary purpose of the genetic testing product or service and inherent
164.26 contextual uses;

164.27 (iv) separate express consent to retain any biological sample provided by the consumer
164.28 following completion of the initial testing service requested by the consumer;

164.29 (v) informed consent in compliance with federal policy for the protection of human
164.30 research subjects under Code of Federal Regulations, title 45, part 46, to transfer or disclose
164.31 the consumer's genetic data to a third-party person for research purposes or research

165.1 conducted under the control of the company for publication or generalizable knowledge
165.2 purposes; and

165.3 (vi) express consent for marketing by (A) the direct-to-consumer genetic testing company
165.4 to a consumer based on the consumer's genetic data, or (B) a third party to a consumer based
165.5 on the consumer having ordered or purchased a genetic testing product or service. For
165.6 purposes of this clause, "marketing" does not include customized content or offers provided
165.7 on the websites or through the applications or services provided by the direct-to-consumer
165.8 genetic testing company with the first-party relationship to the customer;

165.9 (3) not disclose genetic data to law enforcement or any other governmental agency

165.16 (ii) delete the consumer's account and genetic data; and

165.17 (iii) request and obtain the destruction of the consumer's biological sample.

165.18 (b) Notwithstanding any other provisions in this section, a direct-to-consumer genetic

165.20 consumer's written consent to: (1) any entity offering health insurance, life insurance,
165.21 disability insurance, or long-term care insurance; or (2) any employer of the consumer. Any
165.22 consent under this paragraph must clearly identify the recipient of the consumer's genetic
165.23 data proposed to be disclosed.

165.24 (c) A company that is subject to the requirements described in paragraph (a), clause (2),
165.25 shall provide effective mechanisms, without any unnecessary steps, for a consumer to revoke
165.26 any consent of the consumer or all of the consumer's consents after a consent is given,
165.27 including at least one mechanism which utilizes the primary medium through which the
165.28 company communicates to the consumer. If a consumer revokes consent provided pursuant
165.29 to paragraph (a), clause (2), the company shall honor the consumer's consent revocation as
165.30 soon as practicable, but not later than 30 days after the consumer revokes consent. The
165.31 company shall destroy a consumer's biological sample within 30 days of receipt of revocation
165.32 of consent to store the sample.

(d) A direct-to-consumer genetic testing company must provide a clear and complete notice to a consumer that the consumer's deidentified data may be shared with or disclosed to third parties for research purposes in accordance with Code of Federal Regulations, title 45, part 46.

Subd. 3. **Service provider agreements.** (a) A contract between the company and a service provider must prohibit the service provider from retaining, using, or disclosing any biological sample, extracted genetic material, genetic data, or information regarding the identity of the consumer, including whether that consumer has solicited or received genetic testing, as applicable, for any purpose other than for the specific purpose of performing the services specified in the service contract. The mandatory prohibition set forth in this subdivision requires a service contract to include, at minimum, the following provisions:

(1) a provision prohibiting the service provider from retaining, using, or disclosing the biological sample, extracted genetic material, genetic data, or any information regarding the identity of the consumer, including whether the consumer has solicited or received genetic testing, as applicable, for any purpose other than providing the services specified in the service contract; and

(2) a provision prohibiting the service provider from associating or combining the biological sample, extracted genetic material, genetic data, or any information regarding the identity of the consumer, including whether that consumer has solicited or received genetic testing, as applicable, with information the service provider has received from or on behalf of another person or persons, or has collected from the service provider's own interaction with consumers or as required by law.

(b) A service provider subject to this subdivision is subject to the same confidentiality obligations as a direct-to-consumer genetic testing company with respect to all biological samples, extracted genetic materials, and genetic material, or any information regarding the identity of any consumer in the service provider's possession.

Subd. 4. **Enforcement.** The commissioner of commerce may enforce this section under section 45.027.

Subd. 5. **Limitations.** This section does not apply to:

(2) a public or private institution of higher education; or

(3) an entity owned or operated by a public or private institution of higher education.

167.1 Subd. 6. **Construction.** This section does not supersede the requirements and rights
167.2 described in section 13.386 or the remedies available under chapter 13 for violations of
167.3 section 13.386.

167.4 Sec. 18. Minnesota Statutes 2022, section 325G.051, subdivision 1, is amended to read:

167.5 Subdivision 1. **Limitation; prohibition.** (a) A seller or lessor of goods or services doing
167.6 business in Minnesota may impose a surcharge on transactions in Minnesota with a purchaser
167.7 customer who elects to use a credit or charge card in lieu of payment by cash, check, or
167.8 similar means, provided:

167.9 (1) if the sale or lease of goods or services is processed in person, the seller or lessor
167.10 informs the purchaser customer of the surcharge both orally at the time of sale and by a sign
167.11 conspicuously posted on the seller's or lessor's premises;

167.12 (2) if the sale or lease of goods or services is processed through a website or mobile
167.13 device, the seller or lessor informs the customer of the surcharge by conspicuously posting
167.14 a surcharge notice during the sale, at the point of sale, on the customer order summary, or
167.15 on the checkout page of the website;

167.16 (3) if the sale or lease of services is processed over the telephone, the seller or lessor
167.17 informs the customer of the surcharge orally; and

167.22 check, or similar means.

167.23 (c) For purposes of this section "surcharge" means a fee or charge imposed by a seller
167.24 or lessor upon a buyer customer that increases the price of goods or services to the buyer
167.25 customer because the buyer customer uses a credit or charge card to purchase or lease the
167.26 goods or services. The term does not include a discount offered by a seller or lessor to a
167.27 buyer customer who makes payment for goods or services by cash, check, or similar means
167.28 not involving a credit or charge card if the discount is offered to all prospective buyers
167.29 customers and its availability is clearly and conspicuously disclosed to all prospective buyers
167.30 customers.

167.31 (d) This subdivision applies to an agent of a seller or lessor.

168.1 Sec. 19. [3250.01] CITATION; CONSTRUCTION.

168.2 Subdivision 1. Citation. This chapter may be cited as the "Minnesota Age-Appropriate
168.3 Design Code Act."

168.4 Subd. 2. Construction. (a) A business that develops and provides online services,
168.5 products, or features that children are likely to access must consider the best interests of
168.6 children when designing, developing, and providing that online service, product, or feature.

168.7 (b) If a conflict arises between commercial interests of a business and the best interests
168.8 of children likely to access an online product, service, or feature, the business must prioritize
168.9 the privacy, safety, and well-being of children over the business's commercial interests.

172.16 Subdivision 1. **Requirements for businesses.** A business that provides an online service,
172.17 product, or feature likely to be accessed by children must:

172.18 (1) before any new online services, products, or features are offered to the public,
172.19 complete a data protection impact assessment for any online service, product, or feature

173.7 (8) provide any privacy information, terms of service, policies, and community standards
173.8 concisely, prominently, and using clear language suited to the age of children likely to
173.9 access that online service, product, or feature;

173.18 impact assessment required by this section must:

173.19 (1) identify the purpose of the online service, product, or feature; how it uses children's

173.21 management practices of the business; and

173.22 (2) address, to the extent applicable:

173.23 (i) whether the design of the online product, service, or feature could harm children,
173.24 including by exposing children to harmful, or potentially harmful, content on the online
173.25 product, service, or feature;

173.26 (ii) whether the design of the online product, service, or feature could lead to children
173.27 experiencing or being targeted by harmful, or potentially harmful, contacts on the online
173.28 product, service, or feature;

173.29 (iii) whether the design of the online product, service, or feature could permit children

173.31 online product, service, or feature;

174.1 (iv) whether the design of the online product, service, or feature could allow children
174.2 to be party to or exploited by a harmful, or potentially harmful, contact on the online product,
174.3 service, or feature;

174.9 including the automatic playing of media, rewards for time spent, and notifications; and

174.10 (viii) whether, how, and for what purpose the online product, service, or feature collects
174.11 or processes personal data of children.

174.12 (b) A data protection impact assessment conducted by a business for the purpose of
174.13 compliance with any other law complies with this section if the data protection impact
174.14 assessment meets the requirements of this chapter.

174.15 (c) A single data protection impact assessment may contain multiple similar processing
174.16 operations that present similar risks only if each relevant online service, product, or feature
174.17 is addressed.

174.18 Subd. 3. **Prohibitions on businesses.** A business that provides an online service, product,
174.19 or feature likely to be accessed by children must not:

174.20 (1) use the personal data of any child in a way that the business knows, or has reason to

174.27 (A) profiling is necessary to provide the online service, product, or feature requested
174.28 and only with respect to the aspects of the online service, product, or feature with which a

174.30 (B) the business can demonstrate a compelling reason that profiling is in the best interests
174.31 of children;

175.1 (3) collect, sell, share, or retain any personal data that is not necessary to provide an
175.2 online service, product, or feature with which a child is actively and knowingly engaged,
175.3 or as described below, unless the business can demonstrate a compelling reason that the
175.4 collecting, selling, sharing, or retaining of the personal data is in the best interests of children
175.5 likely to access the online service, product, or feature;

175.6 (4) if the end user is a child, use personal data for any reason other than a reason for
175.7 which that personal data was collected, unless the business can demonstrate a compelling
175.8 reason that use of the personal data is in the best interests of children;

175.9 (5) collect, sell, or share any precise geolocation information of children by default,
175.10 unless the collection of that precise geolocation information is strictly necessary for the
175.11 business to provide the service, product, or feature requested and then only for the limited
175.12 time that the collection of precise geolocation information is necessary to provide the service,
175.13 product, or feature;

175.14 (6) collect any precise geolocation information of a child without providing an obvious
175.15 sign to the child for the duration of that collection that precise geolocation information is
175.16 being collected;

175.17 (7) use dark patterns to lead or encourage children to provide personal data beyond what
175.18 is reasonably expected to provide that online service, product, or feature to forego privacy
175.19 protections, or to take any action that the business knows, or has reason to know, is materially
175.20 detrimental to the child's physical health, mental health, or well-being; or

175.21 (8) use any personal data collected to estimate age or age range for any purpose other
175.22 than to fulfill the requirements of subdivision 1, clause (6), or retain that personal data longer
175.23 than necessary to estimate age. Age assurance must be proportionate to the risks and data
175.24 practice of an online service, product, or feature.

175.25 Subd. 4. **Data practices.** (a) A data protection impact assessment collected or maintained
175.26 by the attorney general under subdivision 1 is classified as nonpublic data or private data
175.27 on individuals under section 13.02, subdivisions 9 and 12.

175.28 (b) To the extent any information contained in a data protection impact assessment
175.29 disclosed to the attorney general includes information subject to attorney-client privilege
175.30 or work product protection, disclosure pursuant to this section does not constitute a waiver
175.31 of the privilege or protection.

176.1 Sec. 23. **[3250.05] ATTORNEY GENERAL ENFORCEMENT.**

176.2 (a) A business that violates this chapter may be subject to an injunction and liable for a
176.3 civil penalty of not more than \$2,500 per affected child for each negligent violation, or not
176.4 more than \$7,500 per affected child for each intentional violation, which may be assessed
176.5 and recovered only in a civil action brought by the attorney general in accordance with
176.6 section 8.31. If the state prevails in an action to enforce this chapter, the state may, in addition
176.7 to penalties provided by this paragraph or other remedies provided by law, be allowed an
176.8 amount determined by the court to be the reasonable value of all or part of the state's litigation
176.9 expenses incurred.

176.10 (b) Any penalties, fees, and expenses recovered in an action brought under this chapter
176.11 must be deposited in an account in the special revenue fund and are appropriated to the
176.12 attorney general to offset costs incurred by the attorney general in connection with
176.13 enforcement of this chapter.

176.14 (c) If a business is in substantial compliance with the requirements of section 325O.04,
176.15 subdivision 1, clauses (1) to (5), the attorney general must, before initiating a civil action
176.16 under this section, provide written notice to the business identifying the specific provisions
176.17 of this chapter that the attorney general alleges have been or are being violated. If, within
176.18 90 days of the notice required by this paragraph, the business cures any noticed violation
176.19 and provides the attorney general a written statement that the alleged violations have been
176.20 cured, and sufficient measures have been taken to prevent future violations, the business is
176.21 not liable for a civil penalty for any violation cured pursuant to this section.

176.22 (d) Nothing in this chapter provides a private right of action under this chapter, section
176.23 8.31, or any other law.

176.24 Sec. 24. **REPEALER.**

176.25 Minnesota Statutes 2022, section 325D.71, is repealed.

176.26 Sec. 25. **EFFECTIVE DATE.**

176.27 (a) Sections 15 to 19 are effective July 1, 2024.

176.28 (b) By July 1, 2025, a business must complete a data protection impact assessment for
176.29 any online service, product, or feature likely to be accessed by children offered to the public
176.30 before July 1, 2024, unless that online service, product, or feature is exempt under paragraph
176.31 (c).

177.1 (c) Sections 15 to 19 do not apply to an online service, product, or feature that is not
177.2 offered to the public on or after July 1, 2024.

177.3 **ARTICLE 5**

177.4 **MISCELLANEOUS COMMERCE POLICY**

177.6 Subd. 4. **Demand reduction measures.** (a) For the purposes of this section, "demand
177.7 reduction measures" means measures that reduce water demand, water losses, peak water
177.8 demands, and nonessential water uses. Demand reduction measures must include a
177.9 conservation rate structure, or a uniform rate structure with a conservation program that
177.10 achieves demand reduction. A "conservation rate structure" means a rate structure that
177.11 encourages conservation and may include increasing block rates, seasonal rates, time of use
177.12 rates, individualized goal rates, or excess use rates. If a conservation rate is applied to
177.13 multifamily dwellings or a manufactured home park, as defined in section 327C.015,
177.14 subdivision 8, the rate structure must consider each residential unit as an individual user.

177.15 (b) To encourage conservation, a public water supplier serving more than 1,000 people
177.16 must implement demand reduction measures by January 1, 2015.

177.17 **EFFECTIVE DATE.** This section is effective August 1, 2024, and applies to a billing
177.18 period that begins on or after that date.

177.19 Sec. 2. Minnesota Statutes 2022, section 237.066, is amended to read:

177.20 **237.066 STATE GOVERNMENT PRICING PLANS.**

177.21 Subdivision 1. **Purpose.** A state government or Tribal government telecommunications
177.22 pricing plan is authorized and found to be in the public interest as it will:

177.23 (1) provide and ensure availability of high-quality, technologically advanced
177.24 telecommunications services at a reasonable cost to the state or Tribal government; and

177.25 (2) further the state telecommunications goals as set forth in section 237.011.

177.26 Subd. 2. **Program participation.** A state government or Tribal government
177.27 telecommunications pricing plan may be available to serve individually or collectively:
177.28 state agencies; Tribal governments; educational institutions, including public schools and
177.29 Tribal schools complying with section 120A.05, subdivision 9, 11, 13, or 17, and nonpublic
177.30 schools complying with sections 120A.22, 120A.24, and 120A.41; private colleges; public
177.31 corporations; and political subdivisions of the state or a Tribal nation. Plans shall be available

178.1 to carry out the commissioner of administration's duties under sections 16E.17 and 16E.18
178.2 and shall also be available to those entities not using the commissioner for contracting for
178.3 telecommunications services.

178.4 Subd. 3. **Rates.** Notwithstanding section 237.09, 237.14, 237.60, subdivision 3, or
178.5 237.74, a telephone company or a telecommunications carrier may, individually or in
178.6 cooperation with other telephone companies or telecommunications carriers, develop and
178.7 offer basic or advanced telecommunications services at discounted or reduced rates as a
178.8 state government or Tribal government telecommunications pricing plan. Any
178.9 telecommunications services provided under any state government or Tribal government
178.10 telecommunications pricing plan shall be used exclusively by ~~those~~ the entities described
178.11 in subdivision 2 subject to the plan solely for ~~their~~ the entities' own use and shall not be
178.12 made available to any other entities by resale, sublease, or in any other way.

178.13 Subd. 4. **Applicability to other customers.** A telephone company or telecommunications
178.14 carrier providing telecommunications services under a state government or Tribal government
178.15 telecommunications pricing plan is not required to provide any other person or entity those
178.16 services at the rates made available to the state or Tribal government.

178.17 Subd. 5. **Commission review.** (a) The terms and conditions of any state government or
178.18 Tribal government telecommunications pricing plan must be submitted to the commission
178.19 for ~~its~~ review and approval within 90 days before implementation to:

178.20 (1) ensure that the terms and conditions benefit the state or Tribal nation and not any
178.21 private entity;

178.22 (2) ensure that the rates for any telecommunications service in any state government or
178.23 Tribal government telecommunications pricing plan are at or below any applicable tariffed
178.24 rates; and

178.25 (3) ensure that the state telecommunications or Tribal government pricing plan meets
178.26 the requirements of this section and is in the public interest.

178.27 (b) The commission shall reject any state government or Tribal government
178.28 telecommunications pricing plan that does not meet ~~these~~ the criteria in paragraph (a).

178.30 to read:

178.31 Subd. 3a. **Commodity rate.** "Commodity rate" means the per unit price for utility service
178.32 that varies directly with the volume of a resident's consumption of utility service and that
178.33 is established or approved by the Minnesota Public Utilities Commission or a municipal

179.1 public utilities commission, an electric cooperative association, or a municipality and charged

179.5 to read:

179.6 Subd. 11a. **Public utility.** "Public utility" has the meaning given in section 216B.02,
179.7 subdivision 4.

179.8 **EFFECTIVE DATE.** This section is effective the day following final enactment.

179.9 Sec. 5. Minnesota Statutes 2022, section 327C.015, subdivision 17, is amended to read:

179.10 Subd. 17. **Substantial modification.** "Substantial modification" means any change in
179.11 a rule which: (a) significantly diminishes or eliminates any material obligation of the park
179.12 owner; (b) significantly diminishes or eliminates any material right, privilege or freedom
179.13 of action of a resident; or (c) involves a significant new expense for a resident. The
179.14 installation of water and sewer meters and the subsequent metering of and billing for water
179.15 and sewer service is not a substantial modification of the lease, provided the park owner
179.16 complies with section 327C.04, subdivision 6.

179.17 **EFFECTIVE DATE.** This section is effective for meter installations initiated on or
179.18 after August 1, 2023.

179.24 Sec. 7. Minnesota Statutes 2022, section 327C.04, subdivision 1, is amended to read:

179.25 Subdivision 1. **Billing permitted.** A park owner who either provides utility service
179.26 directly to residents or who redistributes to residents utility service provided to the park
179.27 owner by a utility provider may charge the residents for that service, only if the charges
179.28 comply with this section.

180.4 devices which accurately meter each household's use of the utility. Utility measuring devices
180.5 installed by the park owner must be installed or repaired only by a licensed plumber, licensed
180.6 electrician, or licensed manufactured home installer.

180.7 **EFFECTIVE DATE.** This section is effective August 1, 2023, and applies to meters

180.16 (b) If a utility bill that a park owner receives from a utility provider separates from
180.17 variable consumption charges a fixed service or meter charge or fee, taxes, surcharges, or
180.18 other miscellaneous charges, the park owner must deduct the park owner's pro rata share
180.19 of these separately itemized charges and apportion the remaining fixed portion of the bill
180.20 equally among residents based on the total number of occupied units in the park.

180.21 (c) A park owner may not charge to or collect from residents any administrative, capital,
180.22 or other expenses associated with the distribution of utility services, including but not limited
180.23 to disconnection, reconnection, and late payment fees.

180.24 **EFFECTIVE DATE.** This section is effective July 1, 2023.

180.25 Sec. 10. Minnesota Statutes 2022, section 327C.04, is amended by adding a subdivision

181.5 (a) Except as provided in subsections (b), (c), (d), ~~and (e)~~, and (f) and subject to the
181.6 provisions of the declaration or bylaws, the association shall have the power to:

181.8 incorporation, bylaws and declaration, as follows: (i) regulating the use of the common
181.9 elements; (ii) regulating the use of the units, and conduct of unit occupants, which may
181.10 jeopardize the health, safety or welfare of other occupants, which involves noise or other
181.11 disturbing activity, or which may damage the common elements or other units; (iii) regulating

182.2 real estate or personal property, but (i) common elements in a condominium or planned
182.3 community may be conveyed or subjected to a security interest only pursuant to section
182.4 515B.3-112, or (ii) part of a cooperative may be conveyed, or all or part of a cooperative

182.9 by the declaration; and, subject to approval by a vote of unit owners other than declarant

182.21 the assessment against the unit owner or owner's unit;

182.22 (12) impose reasonable charges for the review, preparation and recordation of
182.23 amendments to the declaration, resale certificates required by section 515B.4-107, statements
182.24 of unpaid assessments, or furnishing copies of association records;

182.25 (13) provide for the indemnification of its officers and directors, and maintain directors'

182.31 (16) exercise any other powers necessary and proper for the governance and operation
182.32 of the association.

(b) Notwithstanding subsection (a) the declaration or bylaws may not impose limitations on the power of the association to deal with the declarant which are more restrictive than the limitations imposed on the power of the association to deal with other persons.

(c) An association that levies a fine pursuant to subsection (a)(11), or an assessment pursuant to section 515B.3-115(g), or 515B.3-1151(g), must provide a dated, written notice to a unit owner that:

(1) states the amount and reason for the fine or assessment;

(2) for fines levied under section 515B.3-102(a)(11), specifies: (i) the violation for which a fine is being levied; and (ii) the specific section of the declaration, bylaws, rules, or regulations allegedly violated;

The notice shall specify the nature of the construction defect claims to be alleged, the relief sought, and the manner in which the association proposes to fund the cost of pursuing the construction defect claims; and

(2) obtain the approval of owners of units to which a majority of the total votes in the association are allocated. Votes allocated to units owned by the declarant, an affiliate of the declarant, or a mortgagee who obtained ownership of the unit through a foreclosure sale are excluded. The association may obtain the required approval by a vote at an annual or special meeting of the members or, if authorized by the statute under which the association is created and taken in compliance with that statute, by a vote of the members taken by electronic means or mailed ballots. If the association holds a meeting and voting by electronic means or mailed ballots is authorized by that statute, the association shall also provide for voting by those methods. Section 515B.3-110(c) applies to votes taken by electronic means or mailed ballots, except that the votes must be used in combination with the vote taken at a meeting and are not in lieu of holding a meeting, if a meeting is held, and are considered for purposes of determining whether a quorum was present. 185.11 declarant control, to make up any operating deficit incurred by the association during the
185.12 period of declarant control. The existence and amount, if any, of the operating deficit shall
185.13 be determined using the accrual basis of accounting applied as of the date of termination

185.22 (c) After an assessment has been levied by the association, assessments shall be levied
185.23 at least annually, based upon a budget approved at least annually by the association.

(3) the costs of insurance may be assessed in proportion to risk or coverage, and the costs of utilities may be assessed in proportion to usage;

(4) reasonable ~~attorneys~~ attorney fees and costs incurred by the association in connection with (i) the collection of assessments against a unit owner, and; (ii) the enforcement of this chapter, the articles, bylaws, declaration, or rules and regulations, against a unit owner, may be assessed against the unit owner's unit subject to section 515B.3-116(h); and

(5) fees, charges, late charges, fines and interest may be assessed as provided in section 515B.3-116(a).

(f) Assessments levied under section 515B.3-116 to pay a judgment against the association may be levied only against the units in the common interest community at the time the judgment was entered, in proportion to their common expense liabilities.

(g) If any damage to the common elements or another unit is caused by the act or omission of any unit owner, or occupant of a unit, or their invitees, the association may assess the costs of repairing the damage exclusively against the unit owner's unit to the extent not covered by insurance.

(h) Subject to any shorter period specified by the declaration or bylaws, if any installment of an assessment becomes more than 60 days past due, then the association may, upon ten days' written notice to the unit owner, declare the entire amount of the assessment immediately due and payable in full, except that any portion of the assessment that represents installments that are not due and payable without acceleration as of the date of reinstatement must not be included in the amount that a unit owner must pay to reinstate under section 580.30 or chapter 581.

(i) If common expense liabilities are reallocated for any purpose authorized by this chapter, common expense assessments and any installment thereof not yet due shall be recalculated in accordance with the reallocated common expense liabilities.

(j) An assessment against fewer than all of the units must be levied within three years after the event or circumstances forming the basis for the assessment, or shall be barred.

(k) This section applies only to common interest communities created before August 1, 2010.

EFFECTIVE DATE. This section is effective August 1, 2023.

187.1 Sec. 13. Minnesota Statutes 2022, section 515B.3-1151, is amended to read:

187.2 **515B.3-1151 ASSESSMENTS FOR COMMON EXPENSES; CIC CREATED ON**
187.3 **OR AFTER AUGUST 1, 2010.**

187.4 (a) The association shall approve an annual budget of common expenses at or prior to
187.5 the conveyance of the first unit in the common interest community to a purchaser and
187.6 annually thereafter. The annual budget shall include all customary and necessary operating
187.7 expenses and replacement reserves for the common interest community, consistent with
187.8 this section and section 515B.3-114. For purposes of replacement reserves under subsection
187.9 (b), until an annual budget has been approved, the reserves shall be paid based upon the
187.10 budget contained in the disclosure statement required by section 515B.4-102. The obligation
187.11 of a unit owner to pay common expenses shall be as follows:

187.12 (1) If a common expense assessment has not been levied by the association, the declarant
187.13 shall pay all common expenses of the common interest community, including the payment
187.14 of the replacement reserve component of the common expenses for all units in compliance
187.15 with subsection (b).

187.16 (2) If a common expense assessment has been levied by the association, all unit owners,
187.17 including the declarant, shall pay the assessments levied against their units, except as follows:

187.18 (i) The declaration may provide for an alternate common expense plan whereby the
187.19 declarant's common expense liability, and the corresponding assessment lien against the
187.20 units owned by the declarant, is limited to: (A) paying when due, in compliance with
187.21 subsection (b), an amount equal to the full share of the replacement reserves allocated to
187.22 units owned by the declarant, as set forth in the association's annual budget approved as
187.23 provided in this subsection; and (B) paying when due all accrued expenses of the common
187.24 interest community in excess of the aggregate assessments payable with respect to units
187.25 owned by persons other than a declarant; provided, that the alternate common expense plan
187.26 shall not affect a declarant's obligation to make up any operating deficit pursuant to item
187.27 (iv), and shall terminate upon the termination of any period of declarant control unless
187.28 terminated earlier pursuant to item (iii).

187.29 (ii) The alternate common expense plan may be authorized only by including in the
187.30 declaration and the disclosure statement required by section 515B.4-102 provisions
187.31 authorizing and disclosing the alternate common expense plan as described in item (i), and
187.32 including in the disclosure statement either (A) a statement that the alternate common
187.33 expense plan will have no effect on the level of services or amenities anticipated by the

188.1 association's budget contained in the disclosure statement, or (B) a statement describing
188.2 how the services or amenities may be affected.

188.3 (iii) A declarant shall give notice to the association of its intent to utilize the alternate
188.4 common expense plan and a commencement date after the date the notice is given. The
188.5 alternate common expense plan shall be valid only for periods after the notice is given. A
188.6 declarant may terminate its right to utilize the alternate common expense plan prior to the
188.7 termination of the period of declarant control only by giving notice to the association and
188.8 the unit owners at least 30 days prior to a selected termination date set forth in the notice.

188.9 (iv) If a declarant utilizes an alternate common expense plan, that declarant shall cause
188.10 to be prepared and delivered to the association, at the declarant's expense, within 90 days
188.11 after the termination of the period of declarant control, an audited balance sheet and profit
188.12 and loss statement certified to the association and prepared by an accountant having the
188.13 qualifications set forth in section 515B.3-121(b). The audit shall be binding on the declarant
188.14 and the association.

188.15 (v) If the audited profit and loss statement shows an accumulated operating deficit, the
188.16 declarant shall be obligated to make up the deficit within 15 days after delivery of the audit
188.17 to the association, and the association shall have a claim against the declarant for an amount
188.18 equal to the deficit until paid. A declarant who does not utilize an alternate common expense
188.19 plan is not liable to make up any operating deficit. If more than one declarant utilizes an
188.20 alternate common expense plan, all declarants who utilize the plan are jointly and severally
188.21 liable to the association for any operating deficit.

188.22 (vi) The existence and amount, if any, of the operating deficit shall be determined using
188.23 the accrual method of accounting applied as of the date of termination of the period of
188.24 declarant control, regardless of the accounting methodology previously used by the
188.25 association to maintain its accounts.

188.26 (vii) Unless approved by a vote of the unit owners other than the declarant and its
188.27 affiliates, the operating deficit shall not be made up, prior to the election by the unit owners
188.28 of a board of directors pursuant to section 515B.3-103(d), through the use of a special
188.29 assessment described in subsection (c) or by assessments described in subsections (e), (f),
188.30 and (g).

188.31 (viii) The use by a declarant of an alternate common expense plan shall not affect the
188.32 obligations of the declarant or the association as provided in the declaration, the bylaws, or
188.33 this chapter, or as represented in the disclosure statement required by section 515B.4-102,
188.34 except as to matters authorized by this chapter.

189.1 (b) The replacement reserves required by section 515B.3-114 shall be paid to the
189.2 association by each unit owner for each unit owned by that unit owner in accordance with
189.3 the association's annual budget approved pursuant to subsection (a), regardless of whether
189.4 an annual assessment has been levied or whether the declarant has utilized an alternate
189.5 common expense plan under subsection (a)(2). Replacement reserves shall be paid with
189.6 respect to a unit commencing as of the later of (1) the date of creation of the common interest
189.7 community or (2) the date that the structure and exterior of the building containing the unit,
189.8 or the structure and exterior of any building located within the unit boundaries, but excluding
189.9 the interior finishing of the structure itself, are substantially completed. If the association
189.10 has not approved an annual budget as of the commencement date for the payment of
189.11 replacement reserves, then the reserves shall be paid based upon the budget contained in
189.12 the disclosure statement required by section 515B.4-102.

189.13 (c) After an assessment has been levied by the association, assessments shall be levied
189.14 at least annually, based upon an annual budget approved by the association. In addition to
189.15 and not in lieu of annual assessments, an association may, if so provided in the declaration,
189.16 levy special assessments against all units in the common interest community based upon
189.17 the same formula required by the declaration for levying annual assessments. Special
189.18 assessments may be levied only (1) to cover expenditures of an emergency nature, (2) to
189.19 replenish underfunded replacement reserves, (3) to cover unbudgeted capital expenditures
189.20 or operating expenses, or (4) to replace certain components of the common interest
189.21 community described in section 515B.3-114(a), if such alternative method of funding is
189.22 approved under section 515B.3-114(a)(5). The association may also levy assessments against
189.23 fewer than all units as provided in subsections (e), (f), and (g). An assessment under
189.24 subsection (e)(2) for replacement reserves is subject to the requirements of section
189.25 515B.3-114(a)(5).

189.26 (d) Except as modified by subsections (a), clauses (1) and (2), (e), (f), and (g), all common
189.27 expenses shall be assessed against all the units in accordance with the allocations established
189.28 by the declaration pursuant to section 515B.2-108.

189.29 (e) Unless otherwise required by the declaration:

189.30 (1) any common expense associated with the maintenance, repair, or replacement of a
189.31 limited common element shall be assessed against the units to which that limited common
189.32 element is assigned, equally, or in any other proportion the declaration provides;

190.1 (2) any common expense or portion thereof benefiting fewer than all of the units may
190.2 be assessed exclusively against the units benefited, equally, or in any other proportion the
190.3 declaration provides;

190.4 (3) the costs of insurance may be assessed in proportion to risk or coverage, and the
190.5 costs of utilities may be assessed in proportion to usage;

190.6 (4) reasonable attorney fees and costs incurred by the association in connection with (i)
190.7 the collection of assessments, and (ii) the enforcement of this chapter, the articles, bylaws,
190.8 declaration, or rules and regulations, against a unit owner, may be assessed against the unit
190.9 owner's unit, subject to section 515B.3-116(h); and

190.10 (5) fees, charges, late charges, fines, and interest may be assessed as provided in section
190.11 515B.3-116(a).

190.12 (f) Assessments levied under section 515B.3-116 to pay a judgment against the association
190.13 may be levied only against the units in the common interest community at the time the
190.14 judgment was entered, in proportion to their common expense liabilities.

190.15 (g) If any damage to the common elements or another unit is caused by the act or omission
190.16 of any unit owner, or occupant of a unit, or their invitees, the association may assess the
190.17 costs of repairing the damage exclusively against the unit owner's unit to the extent not
190.18 covered by insurance.

190.19 (h) Subject to any shorter period specified by the declaration or bylaws, if any installment
190.20 of an assessment becomes more than 60 days past due, then the association may, upon ten
190.21 days' written notice to the unit owner, declare the entire amount of the assessment
190.22 immediately due and payable in full, except that any portion of the assessment that represents
190.23 installments that are not due and payable without acceleration as of the date of reinstatement
190.24 must not be included in the amount that a unit owner must pay to reinstate under section
190.25 580.30 or chapter 581.

190.26 (i) If common expense liabilities are reallocated for any purpose authorized by this
190.27 chapter, common expense assessments and any installment thereof not yet due shall be
190.28 recalculated in accordance with the reallocated common expense liabilities.

190.29 (j) An assessment against fewer than all of the units must be levied within three years
190.30 after the event or circumstances forming the basis for the assessment, or shall be barred.

190.31 (k) This section applies only to common interest communities created on or after August
190.32 1, 2010.

190.33 **EFFECTIVE DATE.** This section is effective August 1, 2023.

191.1 Sec. 14. Minnesota Statutes 2022, section 515B.3-116, is amended to read:

191.2 **515B.3-116 LIEN FOR ASSESSMENTS.**

191.3 (a) The association has a lien on a unit for any assessment levied against that unit from
191.4 the time the assessment becomes due. If an assessment is payable in installments, the full
191.5 amount of the assessment is a lien from the time the first installment thereof becomes due.
191.6 Unless the declaration otherwise provides, fees, charges, late charges, fines and interest
191.7 charges pursuant to section 515B.3-102(a)(10), (11) and (12) are liens, and are enforceable
191.8 as assessments, under this section. Recording of the declaration constitutes record notice
191.9 and perfection of any assessment lien under this section, and no further recording of any
191.10 notice of or claim for the lien is required.

191.11 (b) Subject to subsection (c), a lien under this section is prior to all other liens and
191.12 encumbrances on a unit except (i) liens and encumbrances recorded before the declaration
191.13 and, in a cooperative, liens and encumbrances which the association creates, assumes, or
191.14 takes subject to, (ii) any first mortgage encumbering the fee simple interest in the unit, or,
191.15 in a cooperative, any first security interest encumbering only the unit owner's interest in the
191.16 unit, (iii) liens for real estate taxes and other governmental assessments or charges against
191.17 the unit, and (iv) a master association lien under section 515B.2-121(h). This subsection
191.18 shall not affect the priority of mechanic's liens.

191.19 (c) If a first mortgage on a unit is foreclosed, the first mortgage was recorded after June
191.20 1, 1994, and no owner or person who acquires the owner's interest in the unit redeems
191.21 pursuant to chapter 580, 581, or 582, the holder of the sheriff's certificate of sale from the
191.22 foreclosure of the first mortgage or any person who acquires title to the unit by redemption
191.23 as a junior creditor shall take title to the unit subject to a lien in favor of the association for
191.24 unpaid assessments for common expenses levied pursuant to section 515B.3-115(a), (e)(1)
191.25 to (3), (f), and (i) which became due, without acceleration, during the six months immediately
191.26 preceding the end of the owner's period of redemption. The common expenses shall be
191.27 based upon the association's then current annual budget, notwithstanding the use of an
191.28 alternate common expense plan under section 515B.3-115(a)(2). If a first security interest
191.29 encumbering a unit owner's interest in a cooperative unit which is personal property is
191.30 foreclosed, the secured party or the purchaser at the sale shall take title to the unit subject
191.31 to unpaid assessments for common expenses levied pursuant to section 515B.3-115(a),
191.32 (e)(1) to (3), (f), and (i) which became due, without acceleration, during the six months
191.33 immediately preceding the first day following either the disposition date pursuant to section
191.34 336.9-610 or the date on which the obligation of the unit owner is discharged pursuant to
191.35 section 336.9-622.

192.1 (d) Proceedings to enforce an assessment lien shall be instituted within three years after
192.2 the last installment of the assessment becomes payable, or shall be barred.

192.3 (e) The unit owner of a unit at the time an assessment is due shall be personally liable
192.4 to the association for payment of the assessment levied against the unit. If there are multiple
192.5 owners of the unit, they shall be jointly and severally liable.

192.6 (f) This section does not prohibit actions to recover sums for which subsection (a) creates
192.7 a lien nor prohibit an association from taking a deed in lieu of foreclosure.

192.8 (g) The association shall furnish to a unit owner or the owner's authorized agent upon
192.9 written request of the unit owner or the authorized agent a statement setting forth the amount
192.10 of unpaid assessments currently levied against the owner's unit. If the unit owner's interest
192.11 is real estate, the statement shall be in recordable form. The statement shall be furnished
192.12 within ten business days after receipt of the request and is binding on the association and
192.13 every unit owner.

192.14 (h) The association's lien may be foreclosed as provided in this subsection.

192.15 (1) In a condominium or planned community, the association's lien may be foreclosed
192.16 in a like manner as a mortgage containing a power of sale pursuant to chapter 580, or by
192.17 action pursuant to chapter 581. The association shall have a power of sale to foreclose the
192.18 lien pursuant to chapter 580, except that any portion of the assessment that represents
192.19 attorney fees or costs shall not be included in the amount a unit owner must pay to reinstate
192.20 under section 580.30 or chapter 581.

192.21 (2) In a cooperative whose unit owners' interests are real estate, the association's lien
192.22 shall be foreclosed in a like manner as a mortgage on real estate as provided in paragraph
192.23 (1).

192.24 (3) In a cooperative whose unit owners' interests in the units are personal property, the
192.25 association's lien shall be foreclosed in a like manner as a security interest under article 9
192.26 of chapter 336. In any disposition pursuant to section 336.9-610 or retention pursuant to
192.27 sections 336.9-620 to 336.9-622, the rights of the parties shall be the same as those provided
192.28 by law, except (i) notice of sale, disposition, or retention shall be served on the unit owner
192.29 90 days prior to sale, disposition, or retention, (ii) the association shall be entitled to its
192.30 reasonable costs and attorney fees not exceeding the amount provided by section 582.01,
192.31 subdivision 1a, (iii) the amount of the association's lien shall be deemed to be adequate
192.32 consideration for the unit subject to disposition or retention, notwithstanding the value of
192.33 the unit, and (iv) the notice of sale, disposition, or retention shall contain the following
192.34 statement in capital letters with the name of the association or secured party filled in:
