

2025 Legislative Session NDC Request 2026-2027 Biennium

Neighborhood Development Center (NDC) has a 31-year track record in training, assisting and lending to community entrepreneurs.

NDC's Core Entrepreneur Services: \$800,000 per year

- NDC reaches 800 Twin Cities entrepreneurs a year through Entrepreneur Training & Workshops, Small Business Lending, Business Technical Assistance, and Affordable Commercial Real Estate program

Technical Assistance for Building Financial Management Skills & Improving Job Quality: \$100,000 per year

- One-on-one and targeted small group Technical Assistance will help NDC entrepreneurs build essential business financial management skills
- Will help businesses improve bookkeeping, understand taxes, and access capital
- Increased management skills improve job quality and standard of living for workers employed by NDC assisted businesses

Implementing NDC Model in Greater MN: \$150,000 per year

- For partners implementing the NDC model in Greater Minnesota communities including St. Cloud, Duluth, and Moorhead
- Funds help partners build capacity to help entrepreneurs in their communities through training, technical assistance, and incubators

Cybersecurity Center Operations & Marketing: \$75,000 per year

- Cybersecurity Center opening in early 2025 in partnership with Metro State University, located in East St. Paul
- Pairs final-year cybersecurity students with local small and micro businesses to help them upgrade security and prevent cyber attacks
- NDC Entrepreneur Training for cybersecurity grads interested in starting their own firms

TOTAL REQUESTED FROM THE STATE: \$2.25MM (Equivalent to 12% of NDC's Annual Budget)

Neighborhood Development Center
