

1.1 moves to amend H.F. No. 5, the second engrossment, as follows:

1.2 Page 9, after line 28, insert:

1.3 "(c) The Minnesota Insurance Marketplace must provide a Tennesen warning, as
1.4 provided in section 13.04, subdivision 2, to any individual asked to supply private data to
1.5 the marketplace. The warning must explicitly list each person or entity authorized by law
1.6 to receive or access the data, and list the specific ways in which the data will be used. The
1.7 Minnesota Insurance Marketplace may not share or use data in any manner not described
1.8 to the data subject in the Tennesen warning. The marketplace must also provide the
1.9 data subject a written notice of the data subject's rights related to the handling of genetic
1.10 information, pursuant to section 13.386."
