

1.1 ..... moves to amend H.F. No. 5, the third engrossment, as follows:

1.2 Page 6, line 34, after the period insert "The training must include assessment of the  
1.3 suitability of various cost sharing responsibilities, evaluation of known health risks for  
1.4 that individual and likely health risks for that age group, and the eligibility requirements  
1.5 for premium assistance and exchange enrollment public health programs."

1.6 Page 7, after line 16, insert:

1.7 "(f) An insurance producer that offers individual market products must not sell an  
1.8 individual health benefit plan to a person whose income may make the person eligible for  
1.9 either premium assistance or a public health program without first assisting that person in  
1.10 assessing the person's eligibility or referring the person for assistance in that assessment.

1.11 (g) An insurance producer that offers health benefit plans in the small group market  
1.12 shall notify the small group purchaser of the benefits of the employer paying 50 percent  
1.13 or more of the employee's premium so that the employer and the employees earn rate  
1.14 review and rate increase protection under section 62L.03, subdivision 3. The insurance  
1.15 producer shall also notify each small group purchaser that only exchange-purchased health  
1.16 benefit plans offer ongoing savings to both the employer and the employees under Internal  
1.17 Revenue Service approved section 125 plans."

1.18 Page 7, line 11, after "discourage" insert "or encourage"
