

1.1 ..... moves to amend H.F. No. 779, the second engrossment, as follows:

1.2 Page 5, after line 29, insert:

1.3 "(c) Accreditation standards must recognize the scope of practice of all types of  
1.4 licensed health care providers and must require provision of coverage for all in-network  
1.5 licensed providers within their scope of practice. This paragraph does not affect limitations  
1.6 on the types of treatment covered."
