

1.1 moves to amend H.F. No. 959, the delete-everything amendment,
1.2 as follows:

1.3 Page ..., after line ..., insert:

1.4 "Sec. Laws 2005, chapter 20, article 1, section 23, subdivision 3, is amended to read:

1.5 Subd. 3. Wastewater Infrastructure Funding Program 29,900,000

1.6 (a) To the Public Facilities Authority for
1.7 the purposes specified in this subdivision.
1.8 \$29,300,000 of this appropriation is for
1.9 grants and loans to eligible municipalities
1.10 under the wastewater infrastructure program
1.11 established in Minnesota Statutes, section
1.12 446A.072.

1.13 To the greatest practical extent, the authority
1.14 must use the appropriation for projects on
1.15 the 2005 project priority list in priority
1.16 order to qualified applicants that submit
1.17 plans and specifications to the Pollution
1.18 Control Agency or receive a funding
1.19 commitment from USDA Rural Economic
1.20 and Community Development before
1.21 December 1, 2006.

1.22 \$600,000 of this appropriation is to
1.23 implement the wastewater infrastructure
1.24 program.

1.25 (b) The grants listed in this paragraph are not
1.26 subject to the 2005 project priority list nor

2.1 to the limitations on grant amounts set forth
2.2 in Minnesota Statutes, section 446A.072,
2.3 subdivision 5a.

2.4 \$1,500,000 is for a grant to the city of Aurora
2.5 to reconstruct its wastewater treatment plant,
2.6 damaged in an explosion May 5, 2004.

2.7 \$1,700,000 is for a grant to the Central Iron
2.8 Range Sanitary Sewer District Authority to
2.9 predesign and design the necessary facilities
2.10 to collect, treat, and dispose of sewage in the
2.11 district, including a pump-storage facility
2.12 and a wind-energy facility.

2.13 Up to \$5,000,000 may be used as grants to
2.14 the cities of Dunnell, Dumont, Henriette,
2.15 Lewisville, McGrath, and Ostrander to
2.16 undertake corrective action on systems
2.17 built since 2001 with federal money from
2.18 USDA Rural Economic and Community
2.19 Development. A grant must not exceed
2.20 the amount of federal money used in the
2.21 construction of systems that incorporated
2.22 sand filter treatment, fixed activated sludge
2.23 treatment, or mechanical package plant
2.24 treatment technologies.

2.25 \$4,950,000 is for a grant to the city of
2.26 Duluth for design and construction of
2.27 sanitary sewer overflow storage facilities at
2.28 selected locations in the city of Duluth. This
2.29 appropriation is available when matched by
2.30 \$1 of money secured or provided by the city
2.31 of Duluth for each \$1 of state money.

2.32 \$1,700,000 is for a grant to the city of
2.33 Eagle Bend to predesign, design, construct,
2.34 furnish, and equip a wastewater collection
2.35 and treatment system.

3.1 \$1,500,000 is for a grant to the city of Two
3.2 Harbors to retire loans, whether interfund
3.3 or otherwise, incurred to acquire land for,
3.4 design, construct, furnish, and equip a
3.5 2,500,000 gallon equalization basin and a
3.6 chlorine-contact tank of at least 100,000
3.7 gallon capacity, adjacent to the city's
3.8 wastewater treatment plant. The equalization
3.9 basin is required under the city's National
3.10 Pollution Discharge Elimination System
3.11 permit. This appropriation is not available
3.12 until the commissioner of finance determines
3.13 that \$325,000 has been committed to the
3.14 project from nonstate sources.

3.15 \$1,550,000 for a grant to the city of Bayport
3.16 for the Middle St. Croix River Watershed
3.17 Management Organization to complete the
3.18 sewer system extending from Minnesota
3.19 Department of Natural Resources pond
3.20 82-310P (the prison pond) in Bayport
3.21 through the Stillwater prison grounds to the
3.22 St. Croix River. Any amount remaining after
3.23 completion of this project may be used for
3.24 a grant to the city of Oak Park Heights to
3.25 predesign, design, engineer, and construct a
3.26 pedestrian tunnel under County State-Aid
3.27 Highway 24 (Osgood Avenue) from Valley
3.28 View Park. The grant to the city of Oak
3.29 Park Heights is not available until at least 20
3.30 percent of the total project cost is committed
3.31 to the project from nonstate sources.

3.32 \$2,000,000 is to the commissioner of
3.33 employment and economic development for
3.34 a grant to the city of New Brighton to relocate
3.35 a sanitary sewer interceptor in the Northwest

- 4.1 Quadrant to allow for redevelopment of that
- 4.2 area."
