1.6 commissioner are best qualified to provide service to the benefit plans. Contracts entered
1.7 into are not subject to the requirements of sections 16C.16 to 16C.19. The commissioner
1.8 may negotiate premium rates and coverage. The commissioner shall consider the cost of
1.9 the plans, conversion options relating to the contracts, service capabilities, character,
1.10 financial position, and reputation of the carriers, and any other factors which the
1.11 commissioner deems appropriate. Each benefit contract must be for a uniform term of at
1.12 least one year, but may be made automatically renewable from term to term in the absence
1.13 of notice of termination by either party. A carrier licensed under chapter 62A is exempt
1.14 from the taxes imposed by chapter 297I on premiums paid to it by the state.

1.15 (b) All self-insured hospital and medical service products must comply with coverage
1.16 mandates, data reporting, and consumer protection requirements applicable to the licensed
1.17 carrier administering the product, had the product been insured, including chapters 62J,

1.19 or provide different levels of coverage between network and nonnetwork providers shall
1.20 comply with section 62D.123 and geographic access standards for health maintenance
1.21 organizations adopted by the commissioner of health in rule under chapter 62D.

2.9 ~~(3) would be eligible to enroll as a dependent of an eligible employee, except that~~
 2.10 ~~the person is not a full-time student.~~

2.11 ~~The definition of "full-time student" for purposes of this paragraph includes any student~~
 2.12 ~~who by reason of illness, injury, or physical or mental disability as documented by~~
 2.13 ~~a physician is unable to carry what the educational institution considers a full-time~~
 2.14 ~~course load so long as the student's course load is at least 60 percent of what otherwise~~
 2.15 ~~is considered by the institution to be a full-time course load. Any notice regarding~~
 2.16 ~~termination of coverage due to attainment of the limiting age must include information~~
 2.17 ~~about this definition of "full-time student."~~

2.18 ~~(d) Beginning January 1, 2010, the health insurance benefit plans offered in the~~
 2.19 ~~commissioner's plan under section 43A.18, subdivision 2, and the managerial plan under~~
 2.20 ~~section 43A.18, subdivision 3, must include an option for a health plan that is compatible~~
 2.21 ~~with the definition of a high-deductible health plan in section 223 of the United States~~

 2.29 ~~criteria its employees must meet to be eligible for coverage under its plan. An employer~~
 2.30 ~~may subsequently change the criteria annually or at other times with approval of the~~
 2.31 ~~commissioner. The criteria must provide that new employees become eligible for coverage~~
 2.32 ~~after a probationary period of at least 30 days, but no more than 90 days.~~

2.33 ~~(c) **Other individuals.** An employer may elect to cover under its plan:~~

2.34 ~~(1) the spouse, dependent children to the limiting age as defined in section 62Q.01,~~
 2.35 ~~subdivision 11, disabled children to the extent required in sections 62A.14 and 62A.141,~~

3.15 state or federal law.

3.16 An employer shall determine when it applies to the program the criteria individuals
3.17 in these categories must meet to be eligible for coverage. An employer may subsequently
3.18 change the criteria annually, or at other times with approval of the commissioner. The
3.19 criteria for dependent children to the limiting age as defined in section 62Q.01, subdivision
3.20 11, disabled children, and dependent grandchildren may be no more inclusive than the
3.21 criteria under section 43A.18, subdivision 2. This paragraph shall not be interpreted
3.22 as relieving the program from compliance with any federal and state continuation of
3.23 coverage requirements.

3.24 (d) **Waiver and late entrance.** An eligible individual may waive coverage at the
3.25 time the employer joins the program or when coverage first becomes available. The

8.11 of a style in general use. The type size must be uniform and not less than ten point with

9.8 nurse meeting the requirements of section 62A.15, subdivision 3a, the person entitled to
9.9 benefits or person performing services under the policy is entitled to reimbursement on an
9.10 equal basis for the service, whether the service is performed by a physician, osteopath,
9.11 optometrist, chiropractor, or registered nurse meeting the requirements of section 62A.15,
9.12 subdivision 3a, licensed under the laws of this state.

9.13 **EFFECTIVE DATE.** This section is effective the day following final enactment.

9.14 Sec. 14. Minnesota Statutes 2012, section 62A.04, subdivision 2, is amended to read:

9.15 Subd. 2. **Required provisions.** Except as provided in subdivision 4 each such
9.16 policy delivered or issued for delivery to any person in this state shall contain the
9.17 provisions specified in this subdivision in the words in which the same appear in this
9.18 section. The insurer may, at its option, substitute for one or more of such provisions
9.19 corresponding provisions of different wording approved by the commissioner which are
9.20 in each instance not less favorable in any respect to the insured or the beneficiary. Such
9.21 provisions shall be preceded individually by the caption appearing in this subdivision or, at
9.22 the option of the insurer, by such appropriate individual or group captions or subcaptions
9.23 as the commissioner may approve.

9.24 (1) A provision as follows:

9.25 ENTIRE CONTRACT; CHANGES: This policy, including the endorsements and
9.26 the attached papers, if any, constitutes the entire contract of insurance. No change in this
9.27 policy shall be valid until approved by an executive officer of the insurer and unless such
9.28 approval be endorsed hereon or attached hereto. No agent has authority to change this
9.29 policy or to waive any of its provisions.

9.30 (2) A provision as follows:

9.31 TIME LIMIT ON CERTAIN DEFENSES: (a) After two years from the date of issue
9.32 of this policy no misstatements, except fraudulent misstatements, made by the applicant
9.33 in the application for such policy shall be used to void the policy or to deny a claim for
9.34 loss incurred or disability (as defined in the policy) commencing after the expiration
9.35 of such two year period.

10.1 The foregoing policy provision shall not be so construed as to affect any legal
10.2 requirement for avoidance of a policy or denial of a claim during such initial two year
10.3 period, nor to limit the application of clauses (1), (2), (3), (4) and (5), in the event of
10.4 misstatement with respect to age or occupation or other insurance. A policy which the
10.5 insured has the right to continue in force subject to its terms by the timely payment of
10.6 premium (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at
10.7 least five years from its date of issue, may contain in lieu of the foregoing the following
10.8 provisions (from which the clause in parentheses may be omitted at the insurer's option)
10.9 under the caption "INCONTESTABLE":

10.10 After this policy has been in force for a period of two years during the lifetime of
10.11 the insured (excluding any period during which the insured is disabled), it shall become
10.12 incontestable as to the statements contained in the application.

10.13 (b) No claim for loss incurred or disability (as defined in the policy) commencing after
10.14 two years from the date of issue of this policy shall be reduced or denied on the ground that
10.15 a disease or physical condition not excluded from coverage by name or specific description
10.16 effective on the date of loss had existed prior to the effective date of coverage of this policy.

10.17 (3) (a) Except as required for health plans offered through the Minnesota Insurance
10.18 Marketplace, a provision as follows:

10.19 GRACE PERIOD: A grace period of (insert a number not less than "7" for
10.20 weekly premium policies, "10" for monthly premium policies and "31" for all other
10.21 policies) days will be granted for the payment of each premium falling due after the first
10.22 premium, during which grace period the policy shall continue in force.

10.23 A policy which contains a cancellation provision may add, at the end of the above
10.24 provision,

10.25 subject to the right of the insurer to cancel in accordance with the cancellation
10.26 provision hereof.

10.27 A policy in which the insurer reserves the right to refuse any renewal shall have,
10.28 at the beginning of the above provision,

10.29 Unless not less than five days prior to the premium due date the insurer has delivered
10.30 to the insured or has mailed to the insured's last address as shown by the records of the
10.31 insurer written notice of its intention not to renew this policy beyond the period for which
10.32 the premium has been accepted.

10.33 **(b) All qualified health plans offered through the Minnesota Insurance Marketplace**
10.34 **must comply with the Affordable Care Act by including a grace period provision no less**
10.35 **restrictive than the grace period required by the Affordable Care Act.**

10.36 (4) A provision as follows:

11.1 REINSTATEMENT: If any renewal premium be not paid within the time granted the
11.2 insured for payment, a subsequent acceptance of premium by the insurer or by any agent
11.3 duly authorized by the insurer to accept such premium, without requiring in connection
11.4 therewith an application for reinstatement, shall reinstate the policy. If the insurer or
11.5 such agent requires an application for reinstatement and issues a conditional receipt for
11.6 the premium tendered, the policy will be reinstated upon approval of such application
11.7 by the insurer or, lacking such approval, upon the forty-fifth day following the date of
11.8 such conditional receipt unless the insurer has previously notified the insured in writing
11.9 of its disapproval of such application. For health plans described in section 62A.011,
11.10 subdivision 3, clause (10), an insurer must accept payment of a renewal premium and
11.11 reinstate the policy, if the insured applies for reinstatement no later than 60 days after the
11.12 due date for the premium payment, unless:

- 11.13 (1) the insured has in the interim left the state or the insurer's service area; or
11.14 (2) the insured has applied for reinstatement on two or more prior occasions.

11.15 The reinstated policy shall cover only loss resulting from such accidental injury as
11.16 may be sustained after the date of reinstatement and loss due to such sickness as may
11.17 begin more than ten days after such date. In all other respects the insured and insurer shall
11.18 have the same rights thereunder as they had under the policy immediately before the due
11.19 date of the defaulted premium, subject to any provisions endorsed hereon or attached
11.20 hereto in connection with the reinstatement. Any premium accepted in connection with
11.21 a reinstatement shall be applied to a period for which premium has not been previously
11.22 paid, but not to any period more than 60 days prior to the date of reinstatement. The last
11.23 sentence of the above provision may be omitted from any policy which the insured has
11.24 the right to continue in force subject to its terms by the timely payment of premiums
11.25 (1) until at least age 50, or, (2) in the case of a policy issued after age 44, for at least
11.26 five years from its date of issue.

- 11.27 (5) A provision as follows:

11.28 NOTICE OF CLAIM: Written notice of claim must be given to the insurer within
11.29 20 days after the occurrence or commencement of any loss covered by the policy, or as
11.30 soon thereafter as is reasonably possible. Notice given by or on behalf of the insured or
11.31 the beneficiary to the insurer at (insert the location of such office as the insurer may
11.32 designate for the purpose), or to any authorized agent of the insurer, with information
11.33 sufficient to identify the insured, shall be deemed notice to the insurer.

11.34 In a policy providing a loss-of-time benefit which may be payable for at least two
11.35 years, an insurer may at its option insert the following between the first and second
11.36 sentences of the above provision:

12.1 Subject to the qualifications set forth below, if the insured suffers loss of time on
12.2 account of disability for which indemnity may be payable for at least two years, the
12.3 insured shall, at least once in every six months after having given notice of claim, give to
12.4 the insurer notice of continuance of said disability, except in the event of legal incapacity.
12.5 The period of six months following any filing of proof by the insured or any payment by
12.6 the insurer on account of such claim or any denial of liability in whole or in part by the
12.7 insurer shall be excluded in applying this provision. Delay in the giving of such notice
12.8 shall not impair the insured's right to any indemnity which would otherwise have accrued
12.9 during the period of six months preceding the date on which such notice is actually given.

12.10 (6) A provision as follows:

12.11 CLAIM FORMS: The insurer, upon receipt of a notice of claim, will furnish to the
12.12 claimant such forms as are usually furnished by it for filing proofs of loss. If such forms
12.13 are not furnished within 15 days after the giving of such notice the claimant shall be
12.14 deemed to have complied with the requirements of this policy as to proof of loss upon
12.15 submitting, within the time fixed in the policy for filing proofs of loss, written proof
12.16 covering the occurrence, the character and the extent of the loss for which claim is made.

12.17 (7) A provision as follows:

12.18 PROOFS OF LOSS: Written proof of loss must be furnished to the insurer at its
12.19 said office in case of claim for loss for which this policy provides any periodic payment
12.20 contingent upon continuing loss within 90 days after the termination of the period for
12.21 which the insurer is liable and in case of claim for any other loss within 90 days after the
12.22 date of such loss. Failure to furnish such proof within the time required shall not invalidate
12.23 nor reduce any claim if it was not reasonably possible to give proof within such time,
12.24 provided such proof is furnished as soon as reasonably possible and in no event, except in
12.25 the absence of legal capacity, later than one year from the time proof is otherwise required.

12.26 (8) A provision as follows:

12.27 TIME OF PAYMENT OF CLAIMS: Indemnities payable under this policy for
12.28 any loss other than loss for which this policy provides periodic payment will be paid
12.29 immediately upon receipt of due written proof of such loss. Subject to due written proof
12.30 of loss, all accrued indemnities for loss for which this policy provides periodic payment
12.31 will be paid (insert period for payment which must not be less frequently than
12.32 monthly) and any balance remaining unpaid upon the termination of liability will be paid
12.33 immediately upon receipt of due written proof.

12.34 (9) A provision as follows:

12.35 PAYMENT OF CLAIMS: Indemnity for loss of life will be payable in accordance
12.36 with the beneficiary designation and the provisions respecting such payment which may

13.1 be prescribed herein and effective at the time of payment. If no such designation or
13.2 provision is then effective, such indemnity shall be payable to the estate of the insured.
13.3 Any other accrued indemnities unpaid at the insured's death may, at the option of the
13.4 insurer, be paid either to such beneficiary or to such estate. All other indemnities will
13.5 be payable to the insured.

13.6 The following provisions, or either of them, may be included with the foregoing
13.7 provision at the option of the insurer:

13.8 If any indemnity of this policy shall be payable to the estate of the insured, or to an
13.9 insured or beneficiary who is a minor or otherwise not competent to give a valid release,
13.10 the insurer may pay such indemnity, up to an amount not exceeding \$..... (insert an amount
13.11 which shall not exceed \$1,000), to any relative by blood or connection by marriage of the
13.12 insured or beneficiary who is deemed by the insurer to be equitably entitled thereto. Any
13.13 payment made by the insurer in good faith pursuant to this provision shall fully discharge
13.14 the insurer to the extent of such payment.

13.15 Subject to any written direction of the insured in the application or otherwise all
13.16 or a portion of any indemnities provided by this policy on account of hospital, nursing,
13.17 medical, or surgical services may, at the insurer's option and unless the insured requests
13.18 otherwise in writing not later than the time of filing proofs of such loss, be paid directly to
13.19 the hospital or person rendering such services; but it is not required that the service be
13.20 rendered by a particular hospital or person.

13.21 (10) A provision as follows:

13.22 PHYSICAL EXAMINATIONS AND AUTOPSY: The insurer at its own expense
13.23 shall have the right and opportunity to examine the person of the insured when and as
13.24 often as it may reasonably require during the pendency of a claim hereunder and to make
13.25 an autopsy in case of death where it is not forbidden by law.

13.26 (11) A provision as follows:

13.27 LEGAL ACTIONS: No action at law or in equity shall be brought to recover on this
13.28 policy prior to the expiration of 60 days after written proof of loss has been furnished in
13.29 accordance with the requirements of this policy. No such action shall be brought after the
13.30 expiration of three years after the time written proof of loss is required to be furnished.

13.31 (12) A provision as follows:

13.32 CHANGE OF BENEFICIARY: Unless the insured makes an irrevocable designation
13.33 of beneficiary, the right to change of beneficiary is reserved to the insured and the consent
13.34 of the beneficiary or beneficiaries shall not be requisite to surrender or assignment of
13.35 this policy or to any change of beneficiary or beneficiaries, or to any other changes in

14.1 this policy. The first clause of this provision, relating to the irrevocable designation of
14.2 beneficiary, may be omitted at the insurer's option.

14.3 **EFFECTIVE DATE.** This section is effective January 1, 2014.

14.4 Sec. 15. Minnesota Statutes 2012, section 62A.047, is amended to read:

14.5 **62A.047 CHILDREN'S HEALTH SUPERVISION SERVICES AND**
14.6 **PRENATAL CARE SERVICES.**

14.7 A policy of individual or group health and accident insurance regulated under this
14.8 chapter, or individual or group subscriber contract regulated under chapter 62C, health
14.9 maintenance contract regulated under chapter 62D, or health benefit certificate regulated
14.10 under chapter 64B, issued, renewed, or continued to provide coverage to a Minnesota
14.11 resident, must provide coverage for child health supervision services and prenatal care
14.12 services. The policy, contract, or certificate must specifically exempt reasonable and
14.13 customary charges for child health supervision services and prenatal care services from a
14.14 deductible, co-payment, or other coinsurance or dollar limitation requirement. Nothing
14.15 in this section prohibits a health carrier that has a network of providers from imposing
14.16 a deductible, co-payment, or other coinsurance or dollar limitation requirement for
14.17 child health supervision services and prenatal care services that are delivered by an
14.18 out-of-network provider. This section does not prohibit the use of policy waiting periods
14.19 ~~or preexisting condition limitations~~ for these services. Minimum benefits may be limited
14.20 to one visit payable to one provider for all of the services provided at each visit cited in
14.21 this section subject to the schedule set forth in this section. Nothing in this section applies
14.22 to a policy designed primarily to provide coverage payable on a per diem, fixed indemnity,
14.23 or non-expense-incurred basis, or a policy that provides only accident coverage. A policy,
14.24 contract, or certificate described under this section may not apply preexisting condition
14.25 limitations to individuals under 19 years of age. This section does not apply to individual
14.26 coverage under a grandfathered plan.

14.27 "Child health supervision services" means pediatric preventive services, appropriate
14.28 immunizations, developmental assessments, and laboratory services appropriate to the age
14.29 of a child from birth to age six, and appropriate immunizations from ages six to 18, as
14.30 defined by Standards of Child Health Care issued by the American Academy of Pediatrics.
14.31 Reimbursement must be made for at least five child health supervision visits from birth
14.32 to 12 months, three child health supervision visits from 12 months to 24 months, once a
14.33 year from 24 months to 72 months.

15.1 "Prenatal care services" means the comprehensive package of medical and
15.2 psychosocial support provided throughout the pregnancy, including risk assessment,
15.3 serial surveillance, prenatal education, and use of specialized skills and technology,
15.4 when needed, as defined by Standards for Obstetric-Gynecologic Services issued by the
15.5 American College of Obstetricians and Gynecologists.

15.6 **EFFECTIVE DATE.** This section is effective the day following final enactment.

15.7 Sec. 16. Minnesota Statutes 2012, section 62A.049, is amended to read:

15.8 **62A.049 LIMITATION ON PREAUTHORIZATIONS; EMERGENCIES.**

15.9 No policy of accident and sickness insurance or group subscriber contract regulated
15.10 under chapter 62C issued or renewed in this state may contain a provision that makes an
15.11 insured person ineligible to receive full benefits because of the insured's failure to obtain
15.12 preauthorization, if that failure occurs because of the need for emergency confinement
15.13 or emergency treatment. The insured or an authorized representative of the insured shall
15.14 notify the insurer as soon after the beginning of emergency confinement or emergency
15.15 treatment as reasonably possible. However, to the extent that the insurer suffers actual
15.16 prejudice caused by the failure to obtain preauthorization, the insured may be denied all or
15.17 part of the insured's benefits. ~~This provision does not apply to admissions for treatment of~~
15.18 ~~chemical dependency and nervous and mental disorders.~~

15.19 **EFFECTIVE DATE.** This section is effective January 1, 2014.

15.20 Sec. 17. Minnesota Statutes 2012, section 62A.136, is amended to read:

15.21 **62A.136 HEARING, DENTAL, AND VISION PLAN COVERAGE.**

15.22 The following provisions do not apply to health plans as defined in section 62A.011,
15.23 subdivision 3, clause (6), providing hearing, dental, or vision coverage only: sections
15.24 62A.041; 62A.0411; 62A.047; 62A.149; 62A.151; 62A.152; 62A.154; 62A.155; 62A.17,
15.25 subdivision 6; 62A.21, subdivision 2b; 62A.26; 62A.28; 62A.285; 62A.30; 62A.304; and
15.26 62A.3093; and 62E.16.

15.27 **EFFECTIVE DATE.** This section is effective January 1, 2014.

15.28 Sec. 18. Minnesota Statutes 2012, section 62A.149, subdivision 1, is amended to read:

15.29 Subdivision 1. **Application.** The provisions of this section apply to all group
15.30 policies of accident and health insurance and group subscriber contracts offered by
15.31 nonprofit health service plan corporations regulated under chapter 62C, and to a plan or

16.1 policy that is individually underwritten or provided for a specific individual and family
16.2 members as a nongroup policy ~~unless the individual elects in writing to refuse benefits~~
16.3 ~~under this subdivision in exchange for an appropriate reduction in premiums or subscriber~~
16.4 ~~charges under the policy or plan~~, when the policies or subscriber contracts are issued or
16.5 delivered in Minnesota or provide benefits to Minnesota residents enrolled thereunder.

16.6 This section does not apply to policies designed primarily to provide coverage
16.7 payable on a per diem, fixed indemnity or nonexpense incurred basis or policies that
16.8 provide accident only coverage.

16.9 Every insurance policy or subscriber contract included within the provisions of this
16.10 subdivision, upon issuance or renewal, shall provide coverage that complies with the
16.11 requirements of section 62Q.47, paragraphs (b) and (c), for the treatment of alcoholism,
16.12 chemical dependency or drug addiction to any Minnesota resident entitled to coverage.

16.13 **EFFECTIVE DATE.** This section is effective January 1, 2014.

16.14 Sec. 19. Minnesota Statutes 2012, section 62A.17, subdivision 2, is amended to read:

16.15 Subd. 2. **Responsibility of employee.** Every covered employee electing to continue
16.16 coverage shall pay the former employer, on a monthly basis, the cost of the continued
16.17 coverage. The policy, contract, or plan must require the group policyholder or contract
16.18 holder to, upon request, provide the employee with written verification from the insurer
16.19 of the cost of this coverage promptly at the time of eligibility for this coverage and at
16.20 any time during the continuation period. If the policy, contract, or health care plan is
16.21 administered by a trust, every covered employee electing to continue coverage shall pay
16.22 the trust the cost of continued coverage according to the eligibility rules established by the
16.23 trust. In no event shall the amount of premium charged exceed 102 percent of the cost
16.24 to the plan for such period of coverage for similarly situated employees with respect to
16.25 whom neither termination nor layoff has occurred, without regard to whether such cost
16.26 is paid by the employer or employee. The employee shall be eligible to continue the
16.27 coverage until the employee becomes covered under another group health plan, or for a
16.28 period of 18 months after the termination of or lay off from employment, whichever is
16.29 shorter. For an individual age 19 or older, if the employee becomes covered under another
16.30 group policy, contract, or health plan and the new group policy, contract, or health plan
16.31 contains any preexisting condition limitations, the employee may, subject to the 18-month
16.32 maximum continuation limit, continue coverage with the former employer until the
16.33 preexisting condition limitations have been satisfied. The new policy, contract, or health
16.34 plan is primary except as to the preexisting condition. In the case of a newborn child who
16.35 is a dependent of the employee, the new policy, contract, or health plan is primary upon

17.1 the date of birth of the child, regardless of which policy, contract, or health plan coverage
17.2 is deemed primary for the mother of the child.

17.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

17.4 Sec. 20. Minnesota Statutes 2012, section 62A.17, subdivision 6, is amended to read:

17.11 ~~interruption of coverage, an individual policy of insurance or an individual subscriber~~
17.12 ~~contract providing at least the minimum benefits of a qualified plan as prescribed by~~
17.13 ~~section 62E.06 and the option of a number three qualified plan, a number two qualified~~

17.15 ~~3, provided application is made to the insurer within 30 days following notice of the~~
17.16 ~~expiration of the continued coverage and upon payment of the appropriate premium.~~
17.17 ~~The required conversion contract must treat pregnancy the same as any other covered~~
17.18 ~~illness under the conversion contract. A health maintenance contract issued by a health~~
17.19 ~~maintenance organization that provides posttermination or layoff coverage as required~~
17.20 ~~by this section shall also include a provision allowing a former employee, surviving~~
17.21 ~~spouse, or dependent at the expiration of the posttermination or layoff coverage provided~~
17.22 ~~in subdivision 2 to obtain from the health maintenance organization, at the former~~
17.23 ~~employee's, spouse's, or dependent's option and expense, without further evidence of~~
17.24 ~~insurability and without interruption of coverage, an individual health maintenance~~
17.25 ~~contract. Effective January 1, 1985, enrollees who have become nonresidents of the health~~
17.26 ~~maintenance organization's service area shall be given the option, to be arranged by the~~
17.27 ~~health maintenance organization, of a number three qualified plan, a number two qualified~~
17.28 ~~plan, or a number one qualified plan as provided by section 62E.06, subdivisions 1 to 3.~~
17.29 ~~This option shall be made available at the enrollee's expense, without further evidence of~~
17.30 ~~insurability and without interruption of coverage.~~

17.31 A policy providing reduced benefits at a reduced premium rate may be accepted
17.32 by the employee, the spouse, or a dependent in lieu of the optional coverage otherwise
17.33 required by this subdivision.

17.34 The An individual policy or contract issued as a conversion policy prior to January
17.35 1, 2014, shall be renewable at the option of the individual as long as the individual is not

18.1 covered under another qualified plan as defined in section 62E.02, subdivision 4. Any
18.2 revisions in the table of rate for the individual policy shall apply to the covered person's
18.3 original age at entry and shall apply equally to all similar conversion policies issued
18.4 by the insurer.

18.5 **EFFECTIVE DATE.** This section is effective January 1, 2014.

18.6 Sec. 21. Minnesota Statutes 2012, section 62A.21, subdivision 2b, is amended to read:

18.7 Subd. 2b. **Conversion privilege.** ~~Every policy described in subdivision 1 shall~~
18.8 ~~contain a provision allowing a former spouse and dependent children of an insured,~~
18.9 ~~without providing evidence of insurability, to obtain from the insurer at the expiration of~~
18.10 ~~any continuation of coverage required under subdivision 2a or sections 62A.146 and~~

18.13 ~~number two qualified plan, a number one qualified plan as provided by section 62E.06,~~
18.14 ~~subdivisions 1 to 3, provided application is made to the insurer within 30 days following~~
18.15 ~~notice of the expiration of the continued coverage and upon payment of the appropriate~~
18.16 ~~premium. The~~ An individual policy or contract issued as a conversion policy prior to
18.17 January 1, 2014 shall be renewable at the option of the covered person as long as the
18.18 covered person is not covered under another qualified plan as defined in section 62E.02,
18.19 subdivision 4. Any revisions in the table of rate for the individual policy shall apply to the
18.20 covered person's original age at entry and shall apply equally to all similar conversion
18.21 policies issued by the insurer.

18.22 ~~A policy providing reduced benefits at a reduced premium rate may be accepted by~~
18.23 ~~the covered person in lieu of the optional coverage otherwise required by this subdivision.~~

18.24 **EFFECTIVE DATE.** This section is effective January 1, 2014.

18.25 Sec. 22. Minnesota Statutes 2012, section 62A.28, subdivision 2, is amended to read:

18.26 Subd. 2. **Required coverage.** Every policy, plan, certificate, or contract referred to
18.27 in subdivision 1 issued or renewed after August 1, 1987, must provide coverage for scalp
18.28 hair prostheses worn for hair loss suffered as a result of alopecia areata.

18.29 The coverage required by this section is subject to the co-payment, coinsurance,
18.30 deductible, and other enrollee cost-sharing requirements that apply to similar types of
18.31 items under the policy, plan, certificate, or contract, ~~and is limited to a maximum of \$350~~
18.32 ~~in any benefit year~~ and may be limited to one prosthesis per benefit year.

18.33 **EFFECTIVE DATE.** This section is effective January 1, 2014.

19.1 Sec. 23. Minnesota Statutes 2012, section 62A.302, is amended to read:

19.2 **62A.302 COVERAGE OF DEPENDENTS.**

19.3 Subdivision 1. **Scope of coverage.** This section applies to:

19.4 (1) a health plan as defined in section 62A.011; and

19.5 ~~(2) coverage described in section 62A.011, subdivision 3, clauses (4), (6), (7), (8),~~
 19.6 ~~(9), and (10); and~~

19.7 ~~(3)~~ (2) a policy, contract, or certificate issued by a community integrated service
 19.8 network licensed under chapter 62N.

19.9 Subd. 2. **Required coverage.** Every health plan included in subdivision 1 that
 19.10 provides dependent coverage must define "dependent" no more restrictively than the
 19.11 definition provided in section 62L.02, subdivision 11.

19.12 Subd. 3. **No additional restrictions permitted.** Any health plan included in
 19.13 subdivision 1 that provides dependent coverage of children shall make that coverage
 19.14 available to children until the child attains 26 years of age. A health carrier must not place
 19.15 restrictions on this coverage and must comply with the following requirements:

19.16 (1) with respect to a child who has not attained 26 years of age, a health carrier shall
 19.17 not define dependent for purposes of eligibility for dependent coverage of children other
 19.18 than the terms of a relationship between a child and the enrollee or spouse of the enrollee;

19.19 (2) a health carrier must not deny or restrict coverage for a child who has not attained
 19.20 26 years of age based on (i) the presence or absence of the child's financial dependency upon
 19.21 the participant, primary subscriber, or any other person; (ii) residency with the participant
 19.22 and in the individual market the primary subscriber, or with any other person; (iii) marital
 19.23 status; (iv) student status; (v) employment; or (vi) any combination of those factors; and

19.24 (3) a health carrier must not deny or restrict coverage of a child based on eligibility
 19.25 for other coverage, except as provided in subdivision 5.

19.26 Subd. 4. **Grandchildren.** Nothing in this section requires a health carrier to make
 19.27 coverage available for a grandchild, unless the grandparent becomes the legal guardian
 19.28 or adoptive parent of that grandchild or unless the grandchild meets the requirements
 19.29 of section 62A.042. For grandchildren included under a grandparent's policy pursuant
 19.30 to section 62A.042, coverage for the grandchild may terminate if the grandchild does
 19.31 not continue to reside with the covered grandparent continuously from birth, if the
 19.32 grandchild does not remain financially dependent upon the covered grandparent, or when
 19.33 the grandchild reaches age 25, except as provided in section 62A.14 or if coverage is
 19.34 continued under section 62A.20.

20.1 Subd. 5. **Terms of coverage of dependents.** The terms of coverage in a health plan
20.2 offered by a health carrier providing dependent coverage of children cannot vary based on
20.3 age except for children who are 26 years of age or older.

20.4 Subd. 6. **Opportunity to enroll.** A health carrier must comply with all provisions
20.5 of the Affordable Care Act in regards to providing an opportunity to enroll in coverage to
20.6 any child whose coverage ended, or was not eligible for coverage under a group health
20.7 plan or individual health plan because, under the terms of the coverage, the availability
20.8 of dependent coverage of a child ended before age 26. This section does not require
20.9 compliance with any provision of the Affordable Care Act before the effective date
20.10 provided for that provision in the Affordable Care Act. The commissioner shall enforce
20.11 this section.

20.12 Subd. 7. **Grandfathered plan coverage.** (a) For plan years beginning before
20.13 January 1, 2014, a group health plan that is a grandfathered plan and makes available
20.14 dependent coverage of children may exclude an adult child who has not attained 26
20.15 years of age from coverage only if the adult child is eligible to enroll in an eligible
20.16 employer-sponsored health benefit plan, as defined in section 5000A(f)(2) of the Internal
20.17 Revenue Code, other than the group health plan of a parent.

20.18 (b) For plan years beginning on or after January 1, 2014, a group health plan that is
20.19 grandfathered plan coverage shall comply with all requirements of this section.

20.20 **EFFECTIVE DATE.** This section is effective the day following final enactment.

20.21 Sec. 24. **[62A.3021] COVERAGE OF DEPENDENTS BY PLANS OTHER THAN**
20.22 **HEALTH PLANS.**

20.23 Subdivision 1. **Scope of coverage.** This section applies to coverage described in
20.24 section 62A.011, subdivision 3, clauses (4), (6), (7), (8), (9), and (10).

20.25 Subd. 2. **Dependent.** "Dependent" means an eligible employee's spouse, unmarried
20.26 child who is under the age of 25 years, dependent child of any age who is disabled and
20.27 who meets the eligibility criteria in section 62A.14, subdivision 2, or any other person
20.28 whom state or federal law requires to be treated as a dependent for purposes of health
20.29 plans. For the purpose of this definition, a child includes a child for whom the employee or
20.30 the employee's spouse has been appointed legal guardian and an adoptive child as provided
20.31 in section 62A.27. A child also includes grandchildren as provided in section 62A.042
20.32 with continued eligibility of grandchildren as provided in section 62A.302, subdivision 4.

20.33 **EFFECTIVE DATE.** This section is effective the day following final enactment.

21.1 Sec. 25. Minnesota Statutes 2012, section 62A.615, is amended to read:

21.2 **62A.615 PREEXISTING CONDITIONS DISCLOSED AT TIME OF**
 21.3 **APPLICATION.**

21.4 No insurer may cancel or rescind a health insurance policy for a preexisting condition
 21.5 of which the application or other information provided by the insured reasonably gave
 21.6 the insurer notice. No insurer may restrict coverage for a preexisting condition of which
 21.7 the application or other information provided by the insured reasonably gave the insurer
 21.8 notice unless the coverage is restricted at the time the policy is issued and the restriction is
 21.9 disclosed in writing to the insured at the time the policy is issued. In addition, no health plan
 21.10 may restrict coverage for a preexisting condition for an individual who is under 19 years
 21.11 of age. This section does not apply to individual health plans that are grandfathered plans.

21.12 **EFFECTIVE DATE.** This section is effective the day following final enactment.

21.13 Sec. 26. Minnesota Statutes 2012, section 62A.65, subdivision 3, is amended to read:

21.14 Subd. 3. **Premium rate restrictions.** No individual health plan may be offered,
 21.15 sold, issued, or renewed to a Minnesota resident unless the premium rate charged is
 21.16 determined in accordance with the following requirements:

21.17 ~~(a) Premium rates must be no more than 25 percent above and no more than 25~~
 21.18 ~~percent below the index rate charged to individuals for the same or similar coverage,~~
 21.19 ~~adjusted pro rata for rating periods of less than one year. The premium variations~~
 21.20 ~~permitted by this paragraph must be based only upon health status, claims experience,~~
 21.21 ~~and occupation. For purposes of this paragraph, health status includes refraining from~~
 21.22 ~~tobacco use or other actuarially valid lifestyle factors associated with good health,~~
 21.23 ~~provided that the lifestyle factor and its effect upon premium rates have been determined~~
 21.24 ~~by the commissioner to be actuarially valid and have been approved by the commissioner.~~
 21.25 ~~Variations permitted under this paragraph must not be based upon age or applied~~
 21.26 ~~differently at different ages. This paragraph does not prohibit use of a constant percentage~~
 21.27 ~~adjustment for factors permitted to be used under this paragraph.~~

21.28 ~~(b) (a) Premium rates may vary based upon the ages of covered persons only as~~
 21.29 ~~provided in this paragraph. In addition to the variation permitted under paragraph (a), each~~
 21.30 ~~health carrier may use an additional premium variation based upon age of up to plus or~~
 21.31 ~~minus 50 percent of the index rate in accordance with the provisions of the Affordable~~
 21.32 ~~Care Act.~~

22.1 ~~(e) A health carrier may request approval by the commissioner to establish separate~~
22.2 ~~geographic regions determined by the health carrier and to establish separate index rates~~
22.3 ~~for each such region.~~

22.4 (b) Premium rates may vary based upon geographic rating area. The commissioner
22.5 shall grant approval if the following conditions are met:

22.6 ~~(1) the geographic regions must be applied uniformly by the health carrier~~ the areas
22.7 are established in accordance with the Affordable Care Act;

22.8 ~~(2) each geographic region must be composed of no fewer than seven counties that~~
22.9 ~~create a contiguous region; and~~

22.10 ~~(3) the health carrier provides actuarial justification acceptable to the commissioner~~
22.11 ~~for the proposed geographic variations in index rates~~ premium rates for each area,
22.12 ~~establishing that the variations are based upon differences in the cost to the health carrier~~
22.13 ~~of providing coverage.~~

22.14 ~~(d) Health carriers may use rate cells and must file with the commissioner the rate~~
22.15 ~~cells they use. Rate cells must be based upon the number of adults or children covered~~
22.16 ~~under the policy and may reflect the availability of Medicare coverage. The rates for~~
22.17 ~~different rate cells must not in any way reflect generalized differences in expected costs~~
22.18 ~~between principal insureds and their spouses.~~

22.19 (c) Premium rates may vary based upon tobacco use, in accordance with the
22.20 provisions of the Affordable Care Act.

22.21 ~~(e)~~ (d) In developing its ~~index rates and~~ premiums for a health plan, a health carrier
22.22 shall take into account only the following factors:

22.23 (1) actuarially valid differences in rating factors permitted under paragraphs (a)
22.24 and ~~(b)~~ (c); and

22.25 (2) actuarially valid geographic variations if approved by the commissioner as
22.26 provided in paragraph ~~(e)~~ (b).

22.27 (e) The premium charged with respect to any particular individual health plan shall
22.28 not be adjusted more frequently than annually or January 1 of the year following initial
22.29 enrollment, except that the premium rates may be changed to reflect:

22.30 (1) changes to the family composition of the policyholder;

22.31 (2) changes in geographic rating area of the policyholder, as provided in paragraph
22.32 (b);

22.33 (3) changes in age, as provided in paragraph (a);

22.34 (4) changes in tobacco use, as provided in paragraph (c);

22.35 (5) transfer to a new health plan requested by the policyholder; or

23.1 (6) other changes required by or otherwise expressly permitted by state or federal
23.2 law or regulations.

23.3 (f) A health carrier shall consider all enrollees in all health plans, other than
23.4 short-term and grandfathered plan coverage, offered by the health carrier in the individual
23.5 market, including those enrollees who enroll in qualified health plans offered through the
23.6 Minnesota Insurance Marketplace to be members of a single risk pool.

23.7 (g) The commissioner may establish regulations to implement the provisions of
23.8 this section.

23.9 (h) In connection with the offering for sale of a health plan in the individual market,
23.10 a health carrier shall make a reasonable disclosure, as part of its solicitation and sales
23.11 materials, of all of the following:

23.12 (1) the provisions of the coverage concerning the health carrier's right to change
23.13 premium rates and the factors that may affect changes in premium rates; and

23.14 (2) a listing of and descriptive information, including benefits and premiums,
23.15 about all individual health plans offered by the health carrier and the availability of the
23.16 individual health plans for which the individual is qualified.

23.17 (i) All premium variations must be justified in initial rate filings and upon request of
23.18 the commissioner in rate revision filings. All rate variations are subject to approval by
23.19 the commissioner.

23.20 ~~(g)~~ (j) The loss ratio must comply with the section 62A.021 requirements for
23.21 individual health plans.

23.22 ~~(h)~~ (k) The rates must not be approved, unless the commissioner has determined that
23.23 the rates are reasonable. In determining reasonableness, the commissioner shall consider
23.24 the growth rates applied under section 62J.04, subdivision 1, paragraph (b), to the calendar
23.25 year or years that the proposed premium rate would be in effect; and actuarially valid
23.26 changes in risks associated with the enrollee populations, and actuarially valid changes as
23.27 a result of statutory changes in Laws 1992, chapter 549.

23.28 ~~(i)~~ (l) An insurer may, as part of a minimum lifetime loss ratio guarantee filing under
23.29 section 62A.02, subdivision 3a, include a rating practices guarantee as provided in this
23.30 paragraph. The rating practices guarantee must be in writing and must guarantee that
23.31 the policy form will be offered, sold, issued, and renewed only with premium rates and
23.32 premium rating practices that comply with subdivisions 2, 3, 4, and 5. The rating practices
23.33 guarantee must be accompanied by an actuarial memorandum that demonstrates that the
23.34 premium rates and premium rating system used in connection with the policy form will
23.35 satisfy the guarantee. The guarantee must guarantee refunds of any excess premiums to
23.36 policyholders charged premiums that exceed those permitted under subdivision 2, 3, 4,

24.1 or 5. An insurer that complies with this paragraph in connection with a policy form is
24.2 exempt from the requirement of prior approval by the commissioner under paragraphs
24.3 (c), (f), and (h).

24.4 **EFFECTIVE DATE.** This section is effective January 1, 2014.

24.5 Sec. 27. Minnesota Statutes 2012, section 62A.65, subdivision 5, is amended to read:

24.6 Subd. 5. **Portability and conversion of coverage.** (a) For plan years beginning
24.7 on or after January 1, 2014, no individual health plan may be offered, sold, issued, or
24.8 ~~with respect to children age 18 or under~~ renewed, to a Minnesota resident that contains a
24.9 preexisting condition limitation, preexisting condition exclusion, or exclusionary rider;
24.10 ~~unless the limitation or exclusion is permitted under this subdivision and under chapter~~
24.11 ~~62L, provided that, except for children age 18 or under, underwriting restrictions may~~
24.12 ~~be retained on individual contracts that are issued without evidence of insurability as a~~
24.13 ~~replacement for prior individual coverage that was sold before May 17, 1993.~~ The An
24.14 individual age 19 or older may be subjected to an 18-month preexisting condition limitation
24.15 during plan years beginning prior to January 1, 2014, unless the individual has maintained
24.16 continuous coverage as defined in section 62L.02. The individual must not be subjected to
24.17 an exclusionary rider. During plan years beginning prior to January 1, 2014, an individual
24.18 who is age 19 or older and who has maintained continuous coverage may be subjected to a
24.19 onetime preexisting condition limitation of up to 12 months, with credit for time covered
24.20 under qualifying coverage as defined in section 62L.02, at the time that the individual first
24.21 is covered under an individual health plan by any health carrier. Credit must be given for
24.22 all qualifying coverage with respect to all preexisting conditions, regardless of whether
24.23 the conditions were preexisting with respect to any previous qualifying coverage. The
24.24 individual must not be subjected to an exclusionary rider. Thereafter, the individual who is
24.25 age 19 or older must not be subject to any preexisting condition limitation, preexisting
24.26 condition exclusion, or exclusionary rider under an individual health plan by any health
24.27 carrier, except an unexpired portion of a limitation under prior coverage, so long as the
24.28 individual maintains continuous coverage as defined in section 62L.02. The prohibition on
24.29 preexisting condition limitations for children age 18 or under does not apply to individual
24.30 health plans that are grandfathered plans. The prohibition on preexisting condition
24.31 limitations for adults age 19 and over beginning for plan years on or after January 1, 2014
24.32 does not apply to individual health plans that are grandfathered plans.

24.33 (b) A health carrier must offer an individual health plan to any individual previously
24.34 covered under a group health plan issued by that health carrier, regardless of the size of
24.35 the group, so long as the individual maintained continuous coverage as defined in section

25.1 62L.02. If the individual has available any continuation coverage provided under sections
25.2 62A.146; 62A.148; 62A.17, subdivisions 1 and 2; 62A.20; 62A.21; 62C.142; 62D.101; or
25.3 62D.105, or continuation coverage provided under federal law, the health carrier need not
25.4 offer coverage under this paragraph until the individual has exhausted the continuation
25.5 coverage. The offer must not be subject to underwriting, except as permitted under this
25.6 paragraph. A health plan issued under this paragraph must be a qualified plan as defined
25.7 in section 62E.02 and must not contain any preexisting condition limitation, preexisting
25.8 condition exclusion, or exclusionary rider, except for any unexpired limitation or
25.9 exclusion under the previous coverage. The individual health plan must cover pregnancy
25.10 on the same basis as any other covered illness under the individual health plan. The offer
25.11 of coverage by the health carrier must inform the individual that the coverage, including
25.12 what is covered and the health care providers from whom covered care may be obtained,
25.13 may not be the same as the individual's coverage under the group health plan. The offer
25.14 of coverage by the health carrier must also inform the individual that the individual, if
25.15 a Minnesota resident, may be eligible to obtain coverage from (i) other private sources
25.16 of health coverage, or (ii) the Minnesota Comprehensive Health Association, without a
25.17 preexisting condition limitation, and must provide the telephone number used by that
25.18 association for enrollment purposes. The initial premium rate for the individual health
25.19 plan must comply with subdivision 3. The premium rate upon renewal must comply with
25.20 subdivision 2. In no event shall the premium rate exceed 100 percent of the premium
25.21 charged for comparable individual coverage by the Minnesota Comprehensive Health
25.22 Association, and the premium rate must be less than that amount if necessary to otherwise
25.23 comply with this section. ~~An individual health plan offered under this paragraph to a
25.24 person satisfies the health carrier's obligation to offer conversion coverage under section
25.25 62E.16, with respect to that person.~~ Coverage issued under this paragraph must provide
25.26 that it cannot be canceled or nonrenewed as a result of the health carrier's subsequent
25.27 decision to leave the individual, small employer, or other group market. Section 72A.20,
25.28 subdivision 28, applies to this paragraph.

25.29 **EFFECTIVE DATE.** This section is effective the day following final enactment,
25.30 except that the amendment made to paragraph (b) is effective January 1, 2014.

25.31 Sec. 28. Minnesota Statutes 2012, section 62A.65, subdivision 6, is amended to read:

25.32 Subd. 6. **Guaranteed issue not required.** (a) Nothing in this section requires a
25.33 health carrier to initially issue a health plan to a Minnesota resident who is age 19 or older
25.34 on the date the health plan becomes effective if the effective date is prior to January 1,
25.35 2014, except as otherwise expressly provided in subdivision 4 or 5.

26.1 (b) Guaranteed issue is required for all health plans, except grandfathered plans,
26.2 beginning January 1, 2014.

26.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

26.4 Sec. 29. Minnesota Statutes 2012, section 62A.65, subdivision 7, is amended to read:

26.5 Subd. 7. **Short-term coverage.** (a) For purposes of this section, "short-term
26.6 coverage" means an individual health plan that:

26.7 (1) is issued to provide coverage for a period of 185 days or less, except that the
26.8 health plan may permit coverage to continue until the end of a period of hospitalization
26.9 for a condition for which the covered person was hospitalized on the day that coverage
26.10 would otherwise have ended;

26.11 (2) is nonrenewable, provided that the health carrier may provide coverage for one or
26.12 more subsequent periods that satisfy clause (1), if the total of the periods of coverage do not
26.13 exceed a total of 365 days out of any 555-day period, plus any additional days covered as a
26.14 result of hospitalization on the day that a period of coverage would otherwise have ended;

26.15 (3) does not cover any preexisting conditions, including ones that originated during
26.16 a previous identical policy or contract with the same health carrier where coverage was
26.17 continuous between the previous and the current policy or contract; and

26.18 (4) is available with an immediate effective date without underwriting upon receipt
26.19 of a completed application indicating eligibility under the health carrier's eligibility
26.20 requirements, provided that coverage that includes optional benefits may be offered on a
26.21 basis that does not meet this requirement.

26.22 (b) Short-term coverage is not subject to subdivisions 2 and 5. Short-term coverage
26.23 may exclude as a preexisting condition any injury, illness, or condition for which the
26.24 covered person had medical treatment, symptoms, or any manifestations before the
26.25 effective date of the coverage, but dependent children born or placed for adoption during
26.26 the policy period must not be subject to this provision.

26.27 (c) Notwithstanding subdivision 3, and section 62A.021, a health carrier may
26.28 combine short-term coverage with its most commonly sold individual qualified plan, as
26.29 defined in section 62E.02, other than short-term coverage, for purposes of complying
26.30 with the loss ratio requirement.

26.31 (d) The 365-day coverage limitation provided in paragraph (a) applies to the total
26.32 number of days of short-term coverage that covers a person, regardless of the number of
26.33 policies, contracts, or health carriers that provide the coverage. A written application for
26.34 short-term coverage must ask the applicant whether the applicant has been covered by
26.35 short-term coverage by any health carrier within the 555 days immediately preceding the

27.1 effective date of the coverage being applied for. Short-term coverage issued in violation
 27.2 of the 365-day limitation is valid until the end of its term and does not lose its status as
 27.3 short-term coverage, in spite of the violation. A health carrier that knowingly issues
 27.4 short-term coverage in violation of the 365-day limitation is subject to the administrative
 27.5 penalties otherwise available to the commissioner of commerce or the commissioner
 27.6 of health, as appropriate.

27.7 ~~(e) Time spent under short-term coverage counts as time spent under a preexisting~~
 27.8 ~~condition limitation for purposes of group or individual health plans, other than short-term~~
 27.9 ~~coverage, subsequently issued to that person, or to cover that person, by any health carrier,~~
 27.10 ~~if the person maintains continuous coverage as defined in section 62L.02. Short-term~~
 27.11 ~~coverage is a health plan and is qualifying coverage as defined in section 62L.02.~~
 27.12 ~~Notwithstanding any other law to the contrary, a health carrier is not required under any~~
 27.13 ~~circumstances to provide a person covered by short-term coverage the right to obtain~~
 27.14 ~~coverage on a guaranteed issue basis under another health plan offered by the health~~
 27.15 ~~carrier, as a result of the person's enrollment in short-term coverage.~~

27.16 **EFFECTIVE DATE.** This section is effective the day following final enactment.

27.17 Sec. 30. **[62A.67] ESSENTIAL HEALTH BENEFIT PACKAGE**
 27.18 **REQUIREMENTS.**

27.19 **Subdivision 1. Essential health benefits package.** (a) Health carriers offering an
 27.20 individual health plan must include the essential health benefits package as required under
 27.21 the Affordable Care Act, and as described in this subdivision.

27.22 (b) The essential health benefits package means coverage that:

27.23 (1) provides essential health benefits as outlined in the Affordable Care Act;

27.24 (2) limits cost-sharing for such coverage in accordance with the Affordable Care
 27.25 Act; and

27.26 (3) subject to subdivision 3, provides bronze, silver, gold, or platinum level of
 27.27 coverage described in the Affordable Care Act.

27.28 **Subd. 2. Coverage for enrollees under the age of 21.** If a health carrier offers
 27.29 health coverage in any level specified under section 1302(d) of the Affordable Care Act, as
 27.30 described in subdivision 1, clause (3), the carrier shall also offer coverage in that level in a
 27.31 health plan in which the only enrollees are children who, as of the beginning of a policy
 27.32 year, have not attained the age of 21 years.

27.33 **Subd. 3. Alternative compliance for catastrophic plans.** A health carrier not
 27.34 providing a bronze, silver, gold, or platinum level of coverage, as described in subdivision
 27.35 1, paragraph (b), clause (3), shall be treated as meeting the requirements of the Affordable

28.1 Care Act with respect to any policy year if the health carrier provides a catastrophic plan
28.2 that meets the requirements of the Affordable Care Act.

28.3 Subd. 4. **Essential health benefits; definition.** For purposes of this section,
28.4 "essential health benefits" has the meaning given under the Affordable Care Act, and
28.5 include:

- 28.6 (1) ambulatory patient services;
28.7 (2) emergency services;
28.8 (3) hospitalization;
28.9 (4) laboratory services;
28.10 (5) maternity and newborn care;
28.11 (6) mental health and substance abuse disorder services, including behavioral health
28.12 treatment;
28.13 (7) pediatric services, including oral and vision care;
28.14 (8) prescription drugs;
28.15 (9) preventative and wellness services and chronic disease management;
28.16 (10) rehabilitative and habilitative services and devices; and
28.17 (11) other services defined as essential health benefits under the Affordable Care Act.

28.18 Subd. 5. **Exception.** This section does not apply to a dental plan as described in
28.19 the Affordable Care Act.

28.20 **EFFECTIVE DATE.** This section is effective January 1, 2014.

28.21 Sec. 31. Minnesota Statutes 2012, section 62C.14, subdivision 5, is amended to read:

28.22 Subd. 5. **Disabled dependents.** A subscriber's individual contract or any group
28.23 contract delivered or issued for delivery in this state and providing that coverage of
28.24 a dependent child of the subscriber or a dependent child of a covered group member
28.25 shall terminate upon attainment of a specified limiting age as defined in section 62Q.01,
28.26 subdivision 11, shall also provide in substance that attainment of that age shall not terminate
28.27 coverage while the child is (a) incapable of self-sustaining employment by reason of
28.28 developmental disability, mental illness or disorder, or physical disability, and (b) chiefly
28.29 dependent upon the subscriber or employee for support and maintenance, provided proof
28.30 of incapacity and dependency is furnished by the subscriber within 31 days of attainment
28.31 of the limiting age as defined in section 62Q.01, subdivision 11, and subsequently as
28.32 required by the corporation, but not more frequently than annually after a two-year period
28.33 following attainment of the age. Any notice regarding termination of coverage due to
28.34 attainment of the limiting age must include information about this provision.

29.1 **EFFECTIVE DATE.** This section is effective the day following final enactment.

29.2 Sec. 32. Minnesota Statutes 2012, section 62C.142, subdivision 2, is amended to read:

29.3 Subd. 2. **Conversion privilege.** ~~Every subscriber contract, other than a contract~~
 29.4 ~~whose continuance is contingent upon continued employment or membership, which~~
 29.5 ~~contains a provision for termination of coverage of the spouse upon dissolution of~~
 29.6 ~~marriage shall contain a provision allowing a former spouse and dependent children of a~~
 29.7 ~~subscriber, without providing evidence of insurability, to obtain from the corporation at~~
 29.8 ~~the expiration of any continuation of coverage required under subdivision 2a or section~~
 29.9 ~~62A.146, or upon termination of coverage by reason of an entry of a valid decree of~~
 29.10 ~~dissolution which does not require the insured to provide continued coverage for the~~
 29.11 ~~former spouse, an individual subscriber contract providing at least the minimum benefits~~
 29.12 ~~of a qualified plan as prescribed by section 62E.06 and the option of a number three~~
 29.13 ~~qualified plan, a number two qualified plan, a number one qualified plan as provided by~~
 29.14 ~~section 62E.06, subdivisions 1 to 3, provided application is made to the corporation within~~
 29.15 ~~30 days following notice of the expiration of the continued coverage and upon payment of~~
 29.16 ~~the appropriate fee. A subscriber contract providing reduced benefits at a reduced fee may~~
 29.17 ~~be accepted by the former spouse and dependent children in lieu of the optional coverage~~
 29.18 ~~otherwise required by this subdivision. The~~ An individual subscriber contract issued as
 29.19 conversion coverage shall be renewable at the option of the former spouse as long as the
 29.20 former spouse is not covered under another qualified plan as defined in section 62E.02,
 29.21 subdivision 4. Any revisions in the table of rate for the individual subscriber contract shall
 29.22 apply to the former spouse's original age at entry and shall apply equally to all similar
 29.23 contracts issued as conversion coverage by the corporation.

29.24 **EFFECTIVE DATE.** This section is effective January 1, 2014.

29.25 Sec. 33. Minnesota Statutes 2012, section 62D.07, subdivision 3, is amended to read:

29.26 Subd. 3. **Required provisions.** Contracts and evidences of coverage shall contain:

29.27 (a) no provisions or statements which are unjust, unfair, inequitable, misleading,
 29.28 deceptive, or which are untrue, misleading, or deceptive as defined in section 62D.12,
 29.29 subdivision 1;

29.30 (b) a clear, concise and complete statement of:

29.31 (1) the health care services and the insurance or other benefits, if any, to which the
 29.32 enrollee is entitled under the health maintenance contract;

30.1 (2) any exclusions or limitations on the services, kind of services, benefits, or kind of
30.2 benefits, to be provided, including any deductible or co-payment feature and requirements
30.3 for referrals, prior authorizations, and second opinions;

30.4 (3) where and in what manner information is available as to how services, including
30.5 emergency and out of area services, may be obtained;

30.6 (4) the total amount of payment and co-payment, if any, for health care services
30.7 and the indemnity or service benefits, if any, which the enrollee is obligated to pay
30.8 with respect to individual contracts, or an indication whether the plan is contributory or
30.9 noncontributory with respect to group certificates; and

30.10 (5) a description of the health maintenance organization's method for resolving
30.11 enrollee complaints and a statement identifying the commissioner as an external source
30.12 with whom complaints may be registered; and

30.13 (c) on the cover page of the evidence of coverage and contract, a clear and complete
30.14 statement of enrollees' rights. The statement must be in bold print and captioned
30.15 "Important Enrollee Information and Enrollee Bill of Rights" and must include but not be
30.16 limited to the following provisions in the following language or in substantially similar
30.17 language approved in advance by the commissioner, except that paragraph (8) does not
30.18 apply to prepaid health plans providing coverage for programs administered by the
30.19 commissioner of human services:

30.20 ENROLLEE INFORMATION

30.21 (1) COVERED SERVICES: Services provided by (name of health maintenance
30.22 organization) will be covered only if services are provided by participating (name of
30.23 health maintenance organization) providers or authorized by (name of health maintenance
30.24 organization). Your contract fully defines what services are covered and describes
30.25 procedures you must follow to obtain coverage.

30.26 (2) PROVIDERS: Enrolling in (name of health maintenance organization) does not

40.18 eligible dependents after initial issuance of the health benefit plan, ~~subject to the health~~
40.19 ~~carrier's right to impose preexisting condition limitations permitted under this chapter.~~

40.20 **EFFECTIVE DATE.** This section is effective January 1, 2014.

40.21 Sec. 44. Minnesota Statutes 2012, section 62L.02, is amended by adding a subdivision
40.22 to read:

40.23 Subd. 17a. **Individual health plan.** "Individual health plan" means a health plan
40.24 as defined under section 62A.011, subdivision 3, that is offered to individuals in the
40.25 individual market, other than conversion policies or short-term coverage. Small group
40.26 market health plans offered through the Minnesota Insurance Marketplace to employees of
40.27 a small employer are not considered individual health plans, regardless of whether the
40.28 health plan is purchased using a defined contribution from the employer.

40.29 **EFFECTIVE DATE.** This section is effective January 1, 2014.

40.30 Sec. 45. Minnesota Statutes 2012, section 62L.02, subdivision 26, is amended to read:

40.31 Subd. 26. **Small employer.** (a) "Small employer" means, with respect to a calendar
40.32 year and a plan year, a person, firm, corporation, partnership, association, or other entity

41.1 actively engaged in business in Minnesota, including a political subdivision of the state, that
41.2 employed an average of ~~no fewer than two nor~~ at least one, not including a sole proprietor,
41.3 but not more than 50 current employees on business days during the preceding calendar
41.4 year and that employs at least ~~two~~ one current employees employee, not including a sole
41.5 proprietor, on the first day of the plan year. ~~If an employer has only one eligible employee~~
41.6 ~~who has not waived coverage, the sale of a health plan to or for that eligible employee~~
41.7 ~~is not a sale to a small employer and is not subject to this chapter and may be treated as~~
41.8 ~~the sale of an individual health plan.~~ A small employer plan may be offered through a
41.9 domiciled association to self-employed individuals and small employers who are members
41.10 of the association, even if the self-employed individual or small employer has fewer than
41.11 two current employees. Entities that are treated as a single employer under subsection (b),
41.12 (c), (m), or (o) of section 414 of the federal Internal Revenue Code are considered a single
41.13 employer for purposes of determining the number of current employees. Small employer
41.14 status must be determined on an annual basis as of the renewal date of the health benefit
41.15 plan. The provisions of this chapter continue to apply to an employer who no longer meets
41.16 the requirements of this definition until the annual renewal date of the employer's health
41.17 benefit plan. If an employer was not in existence throughout the preceding calendar year,
41.18 the determination of whether the employer is a small employer is based upon the average
41.19 number of current employees that it is reasonably expected that the employer will employ
41.20 on business days in the current calendar year. For purposes of this definition, the term
41.21 employer includes any predecessor of the employer. An employer that has more than 50
41.22 current employees but has 50 or fewer employees, as "employee" is defined under United
41.23 States Code, title 29, section 1002(6), is a small employer under this subdivision.

41.24 (b) Where an association, as defined in section 62L.045, comprised of employers
41.25 contracts with a health carrier to provide coverage to its members who are small employers,
41.26 the association and health benefit plans it provides to small employers, are subject to
41.27 section 62L.045, with respect to small employers in the association, even though the
41.28 association also provides coverage to its members that do not qualify as small employers.

41.29 (c) If an employer has employees covered under a trust specified in a collective
41.30 bargaining agreement under the federal Labor-Management Relations Act of 1947,
41.31 United States Code, title 29, section 141, et seq., as amended, or employees whose health
41.32 coverage is determined by a collective bargaining agreement and, as a result of the
41.33 collective bargaining agreement, is purchased separately from the health plan provided
41.34 to other employees, those employees are excluded in determining whether the employer
41.35 qualifies as a small employer. Those employees are considered to be a separate small

42.1 employer if they constitute a group that would qualify as a small employer in the absence
42.2 of the employees who are not subject to the collective bargaining agreement.

42.3 **EFFECTIVE DATE.** This section is effective January 1, 2014.

42.4 Sec. 46. Minnesota Statutes 2012, section 62L.03, subdivision 1, is amended to read:

42.5 Subdivision 1. **Guaranteed issue and reissue.** (a) Every health carrier shall, as a
42.6 condition of authority to transact business in this state in the small employer market,
42.7 affirmatively market, offer, sell, issue, and renew any of its health benefit plans, on a
42.8 guaranteed issue basis, to any small employer, including a small employer covered by
42.9 paragraph (b), that meets the participation and contribution requirements of subdivision 3,
42.10 as provided in this chapter.

42.11 (b) A small employer that ~~has its~~ no longer meets the definition of small employer
42.12 because of a reduction in workforce reduced to one employee may continue coverage as a
42.13 small employer for 12 months from the date the group is reduced to one employee.

42.14 (c) Notwithstanding paragraph (a), a health carrier may, at the time of coverage
42.15 renewal, modify the health coverage for a product offered in the small employer market if
42.16 the modification is consistent with state law, approved by the commissioner, and effective
42.17 on a uniform basis for all small employers purchasing that product other than through a
42.18 qualified association in compliance with section 62L.045, subdivision 2.

42.19 ~~Paragraph (a) does not apply to a health benefit plan designed for a small employer~~
42.20 ~~to comply with a collective bargaining agreement, provided that the health benefit plan~~
42.21 ~~otherwise complies with this chapter and is not offered to other small employers, except~~
42.22 ~~for other small employers that need it for the same reason. This paragraph applies only~~
42.23 ~~with respect to collective bargaining agreements entered into prior to August 21, 1996,~~
42.24 ~~and only with respect to plan years beginning before the later of July 1, 1997, or the date~~
42.25 ~~upon which the last of the collective bargaining agreements relating to the plan terminates~~
42.26 ~~determined without regard to any extension agreed to after August 21, 1996.~~

42.27 (d) ~~Every health carrier participating in the small employer market shall make~~
42.28 ~~available both of the plans described in section 62L.05 to small employers and shall fully~~
42.29 ~~comply with the underwriting and the rate restrictions specified in this chapter for all~~
42.30 ~~health benefit plans issued to small employers.~~

42.31 (e) (d) A health carrier may cease to transact business in the small employer market
42.32 as provided under section 62L.09.

42.33 **EFFECTIVE DATE.** This section is effective January 1, 2014.

43.1 Sec. 47. Minnesota Statutes 2012, section 62L.03, subdivision 3, is amended to read:

43.2 Subd. 3. **Minimum participation and contribution.** (a) A small employer that has
43.3 at least 75 percent of its eligible employees who have not waived coverage participating in
43.4 a health benefit plan and that contributes at least 50 percent toward the cost of coverage of
43.5 each eligible employee must be guaranteed coverage on a guaranteed issue basis from
43.6 any health carrier participating in the small employer market. The participation level
43.7 of eligible employees must be determined at the initial offering of coverage and at the
43.8 renewal date of coverage. A health carrier must not increase the participation requirements
43.9 applicable to a small employer at any time after the small employer has been accepted for
43.10 coverage. For the purposes of this subdivision, waiver of coverage includes only waivers
43.11 due to: (1) coverage under another group health plan; (2) unaffordability as specified by
43.12 the Affordable Care Act as defined under section 62A.011, subdivision 1a; (3) coverage
43.13 under Medicare Parts A and B; or ~~(3)~~ (4) coverage under medical assistance under chapter
43.14 256B or general assistance medical care under chapter 256D.

43.15 (b) If a small employer does not satisfy the contribution or participation requirements
43.16 under this subdivision, a health carrier may voluntarily issue or renew individual health
43.17 plans, or a health benefit plan which must fully comply with this chapter. A health carrier
43.18 that provides a health benefit plan to a small employer that does not meet the contribution
43.19 or participation requirements of this subdivision must maintain this information in its files
43.20 for audit by the commissioner. A health carrier may not offer an individual health plan,
43.21 purchased through an arrangement between the employer and the health carrier, to any
43.22 employee unless the health carrier also offers the individual health plan, on a guaranteed
43.23 issue basis, to all other employees of the same employer. An arrangement permitted under
43.24 section 62L.12, subdivision 2, paragraph (k), is not an arrangement between the employer
43.25 and the health carrier for purposes of this paragraph.

43.26 (c) Nothing in this section obligates a health carrier to issue coverage to a small
43.27 employer that currently offers coverage through a health benefit plan from another health
43.28 carrier, unless the new coverage will replace the existing coverage and not serve as one
43.29 of two or more health benefit plans offered by the employer. This paragraph does not
43.30 apply if the small employer will meet the required participation level with respect to
43.31 the new coverage.

43.32 (d) This section does not apply to health plans offered through the Minnesota
43.33 Insurance Marketplace under chapter 62V.

43.34 **EFFECTIVE DATE.** This section is effective January 1, 2014.

43.35 Sec. 48. Minnesota Statutes 2012, section 62L.03, subdivision 4, is amended to read:

44.1 Subd. 4. **Underwriting restrictions.** ~~(a) Health carriers may apply underwriting~~
44.2 ~~restrictions to coverage for health benefit plans for small employers, including any~~
44.3 ~~preexisting condition limitations, only as expressly permitted under this chapter. For~~
44.4 ~~purposes of this section, "underwriting restrictions" means any refusal of the health carrier~~
44.5 ~~to issue or renew coverage, any premium rate higher than the lowest rate charged by the~~
44.6 ~~health carrier for the same coverage, any preexisting condition limitation, preexisting~~
44.7 ~~condition exclusion, or any exclusionary rider.~~

44.8 (b) Health carriers may collect information relating to the case characteristics and
44.9 demographic composition of small employers, as well as health status and health history
44.10 information about employees, and dependents of employees, of small employers.

44.11 (c) ~~Except as otherwise authorized for late entrants, preexisting conditions may be~~
44.12 ~~excluded by a health carrier for a period not to exceed 12 months from the enrollment~~
44.13 ~~date of an eligible employee or dependent, but exclusionary riders must not be used. Late~~
44.14 ~~entrants may be subject to a preexisting condition limitation not to exceed 18 months from~~
44.15 ~~the enrollment date of the late entrant, but must not be subject to any exclusionary rider or~~
44.16 ~~preexisting condition exclusion. When calculating any length of preexisting condition~~
44.17 ~~limitation, a health carrier shall credit the time period an eligible employee or dependent~~
44.18 ~~was previously covered by qualifying coverage, provided that the individual maintains~~
44.19 ~~continuous coverage. The credit must be given for all qualifying coverage with respect~~
44.20 ~~to all preexisting conditions, regardless of whether the conditions were preexisting with~~
44.21 ~~respect to any previous qualifying coverage. Section 60A.082, relating to replacement of~~
44.22 ~~group coverage, and the rules adopted under that section apply to this chapter, and this~~
44.23 ~~chapter's requirements are in addition to the requirements of that section and the rules~~
44.24 ~~adopted under it. A health carrier shall, at the time of first issuance or renewal of a health~~
44.25 ~~benefit plan on or after July 1, 1993, credit against any preexisting condition limitation~~
44.26 ~~or exclusion permitted under this section, the time period prior to July 1, 1993, during~~
44.27 ~~which an eligible employee or dependent was covered by qualifying coverage, if the~~
44.28 ~~person has maintained continuous coverage.~~

44.29 (d) ~~Health carriers shall not use pregnancy as a preexisting condition under this~~
44.30 ~~chapter.~~

44.31 **EFFECTIVE DATE.** This section is effective January 1, 2014.

44.32 Sec. 49. Minnesota Statutes 2012, section 62L.03, subdivision 6, is amended to read:

44.33 Subd. 6. **MCHA enrollees.** Health carriers shall offer coverage to any eligible
44.34 employee or dependent enrolled in MCHA at the time of the health carrier's issuance or
44.35 renewal of a health benefit plan to a small employer. The health benefit plan must require

45.1 that the employer permit MCHA enrollees to enroll in the small employer's health benefit
 45.2 plan as of the first date of renewal of a health benefit plan occurring on or after July
 45.3 1, 1993, and as of each date of renewal after that, or, in the case of a new group, as of
 45.4 the initial effective date of the health benefit plan and as of each date of renewal after
 45.5 that. ~~Unless otherwise permitted by this chapter,~~ Health carriers must not impose any
 45.6 underwriting restrictions, including any preexisting condition limitations or exclusions, on
 45.7 any eligible employee or dependent previously enrolled in MCHA and transferred to a
 45.8 health benefit plan ~~so long as continuous coverage is maintained, provided that the health~~
 45.9 ~~carrier may impose any unexpired portion of a preexisting condition limitation under the~~
 45.10 ~~person's MCHA coverage. An MCHA enrollee is not a late entrant, so long as the enrollee~~
 45.11 ~~has maintained continuous coverage.~~

45.12 **EFFECTIVE DATE.** This section is effective January 1, 2014.

45.13 Sec. 50. Minnesota Statutes 2012, section 62L.045, subdivision 2, is amended to read:

45.14 Subd. 2. **Qualified associations.** (a) A qualified association, as defined in this
 45.15 section, and health coverage offered by it, to it, or through it, to a small employer in
 45.16 this state must comply with the requirements of this chapter regarding guaranteed issue,
 45.17 guaranteed renewal, preexisting condition limitations, ~~credit against preexisting condition~~
 45.18 ~~limitations for continuous coverage,~~ treatment of MCHA enrollees, and the definition of
 45.19 dependent, and with section 62A.65, subdivision 5, paragraph (b). They must also comply
 45.20 with all other requirements of this chapter not specifically exempted in paragraph (b) or (c).

45.21 (b) A qualified association and a health carrier offering, selling, issuing, or renewing
 45.22 health coverage to, or to cover, a small employer in this state through the qualified
 45.23 association, may, but are not, in connection with that health coverage, required to:

45.24 (1) offer the two small employer plans described in section 62L.05; and

45.25 (2) offer to small employers that are not members of the association, health coverage
 45.26 offered to, by, or through the qualified association.

45.27 ~~(c) A qualified association, and a health carrier offering, selling, issuing, and~~
 45.28 ~~renewing health coverage to, or to cover, a small employer in this state must comply~~
 45.29 ~~with section 62L.08, except that:~~

45.30 ~~(1) a separate index rate may be applied by a health carrier to each qualified~~
 45.31 ~~association, provided that:~~

45.32 ~~(i) the premium rate applied to participating small employer members of the~~
 45.33 ~~qualified association is no more than 25 percent above and no more than 25 percent below~~
 45.34 ~~the index rate applied to the qualified association, irrespective of when members applied~~
 45.35 ~~for health coverage; and~~

46.1 ~~(ii) the index rate applied by a health carrier to a qualified association is no more~~
46.2 ~~than 20 percent above and no more than 20 percent below the index rate applied by the~~
46.3 ~~health carrier to any other qualified association or to any small employer. In comparing~~
46.4 ~~index rates for purposes of this clause, the 20 percent shall be calculated as a percent of~~
46.5 ~~the larger index rate; and~~

46.6 ~~(2) a qualified association described in subdivision 1, paragraph (a), clauses (2)~~
46.7 ~~to (4), providing health coverage through a health carrier, or on a self-insured basis in~~
46.8 ~~compliance with section 471.617 and the rules adopted under that section, may cover~~
46.9 ~~small employers and other employers within the same pool and may charge premiums~~
46.10 ~~to small employer members on the same basis as it charges premiums to members that~~
46.11 ~~are not small employers, if the premium rates charged to small employers do not have~~
46.12 ~~greater variation than permitted under section 62L.08. A qualified association operating~~
46.13 ~~under this clause shall annually prove to the commissioner of commerce that it complies~~
46.14 ~~with this clause through a sampling procedure acceptable to the commissioner. If the~~
46.15 ~~qualified association fails to prove compliance to the satisfaction of the commissioner,~~
46.16 ~~the association shall agree to a written plan of correction acceptable to the commissioner.~~
46.17 ~~The qualified association is considered to be in compliance under this clause if there is~~
46.18 ~~a premium rate that would, if used as an index rate, result in all premium rates in the~~
46.19 ~~sample being in compliance with section 62L.08. This clause does not exempt a qualified~~
46.20 ~~association or a health carrier providing coverage through the qualified association from~~
46.21 ~~the loss ratio requirement of section 62L.08, subdivision 11.~~

46.22 **EFFECTIVE DATE.** This section is effective January 1, 2014.

46.23 Sec. 51. Minnesota Statutes 2012, section 62L.045, subdivision 4, is amended to read:

46.24 Subd. 4. **Principles; association coverage.** (a) This subdivision applies to
46.25 associations as defined in this section, whether qualified associations or not, and is
46.26 intended to clarify subdivisions 1 to 3.

46.27 (b) This section applies only to associations that provide health coverage to small
46.28 employers.

46.29 (c) ~~A health carrier is not required under this chapter to comply with guaranteed~~
46.30 ~~issue and guaranteed renewal with respect to its relationship with the association itself.~~

46.31 An arrangement between the health carrier and the association, once entered into, must
46.32 comply with guaranteed issue and guaranteed renewal with respect to members of the
46.33 association that are small employers and persons covered through them.

47.1 (d) When an arrangement between a health carrier and an association has validly
47.2 terminated, the health carrier has no continuing obligation to small employers and persons
47.3 covered through them, except as otherwise provided in:

47.4 (1) section 62A.65, subdivision 5, paragraph (b);

47.5 (2) any other continuation or conversion rights applicable under state or federal
47.6 law; and

47.7 (3) section 60A.082, relating to group replacement coverage, and rules adopted
47.8 under that section.

47.9 (e) When an association's arrangement with a health carrier has terminated and the
47.10 association has entered into a new arrangement with that health carrier or a different
47.11 health carrier, the new arrangement is subject to section 60A.082 and rules adopted under
47.12 it, with respect to members of the association that are small employers and persons
47.13 covered through them.

47.14 (f) An association that offers its members more than one plan of health coverage
47.15 may have uniform rules restricting movement between the plans of health coverage, if the
47.16 rules do not discriminate against small employers.

47.17 (g) This chapter does not require or prohibit separation of an association's members
47.18 into one group consisting only of small employers and another group or other groups
47.19 consisting of all other members. The association must comply with this section with
47.20 respect to the small employer group.

47.21 (h) For purposes of this section, "member" of an association includes an employer
47.22 participant in the association.

47.23 (i) For purposes of this section, health coverage issued to, or to cover, a small
47.24 employer includes a certificate of coverage issued directly to the employer's employees
47.25 and dependents, rather than to the small employer.

47.26 **EFFECTIVE DATE.** This section is effective January 1, 2014.

47.27 Sec. 52. Minnesota Statutes 2012, section 62L.05, subdivision 10, is amended to read:

47.28 Subd. 10. **Medical expense reimbursement.** Health carriers may reimburse
47.29 or pay for medical services, supplies, or articles provided under a small employer plan
47.30 in accordance with the health carrier's provider contract requirements including, but
47.31 not limited to, salaried arrangements, capitation, the payment of usual and customary
47.32 charges, fee schedules, discounts from fee-for-service, per diems, diagnosis-related
47.33 groups (DRGs), and other payment arrangements. Nothing in this chapter requires a
47.34 health carrier to develop, implement, or change its provider contract requirements for
47.35 a small employer plan. Coinsurance, deductibles, and out-of-pocket maximums, ~~and~~

48.1 ~~maximum lifetime benefits~~ must be calculated and determined in accordance with each
48.2 health carrier's standard business practices.

48.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

48.4 Sec. 53. Minnesota Statutes 2012, section 62L.06, is amended to read:

48.5 **62L.06 DISCLOSURE OF UNDERWRITING RATING PRACTICES.**

48.6 When offering or renewing a health benefit plan, health carriers shall disclose in all
48.7 solicitation and sales materials:

48.8 ~~(1) the case characteristics and other rating factors used to determine initial and~~
48.9 ~~renewal rates;~~

48.10 ~~(2) the extent to which premium rates for a small employer are established or~~
48.11 ~~adjusted based upon actual or expected variation in claim experience;~~

48.12 ~~(3) provisions concerning the health carrier's right to change premium rates and the~~
48.13 ~~factors other than claim experience that affect changes in premium rates;~~

48.14 ~~(4)~~ (2) provisions relating to renewability of coverage;

48.15 ~~(5) the use and effect of any preexisting condition provisions, if permitted;~~

48.16 ~~(6)~~ (3) the application of any provider network limitations and their effect on
48.17 eligibility for benefits; and

48.18 ~~(7)~~ (4) the ability of small employers to insure eligible employees and dependents
48.19 currently receiving coverage from the Comprehensive Health Association ~~through health~~
48.20 ~~benefit plans.~~

48.21 **EFFECTIVE DATE.** This section is effective January 1, 2014.

48.22 Sec. 54. Minnesota Statutes 2012, section 62L.08, is amended to read:

48.23 **62L.08 RESTRICTIONS RELATING TO PREMIUM RATES.**

48.24 Subdivision 1. **Rate restrictions.** Premium rates for all health benefit plans sold or
48.25 issued to small employers are subject to the restrictions specified in this section.

48.26 ~~Subd. 2. **General premium variations.** Beginning July 1, 1993, each health carrier~~
48.27 ~~must offer premium rates to small employers that are no more than 25 percent above~~
48.28 ~~and no more than 25 percent below the index rate charged to small employers for the~~
48.29 ~~same or similar coverage, adjusted pro rata for rating periods of less than one year. The~~
48.30 ~~premium variations permitted by this subdivision must be based only on health status,~~
48.31 ~~claims experience, industry of the employer, and duration of coverage from the date of~~
48.32 ~~issue. For purposes of this subdivision, health status includes refraining from tobacco use~~
48.33 ~~or other actuarially valid lifestyle factors associated with good health, provided that the~~

49.1 ~~lifestyle factor and its effect upon premium rates have been determined to be actuarially~~
49.2 ~~valid and approved by the commissioner. Variations permitted under this subdivision must~~
49.3 ~~not be based upon age or applied differently at different ages. This subdivision does not~~
49.4 ~~prohibit use of a constant percentage adjustment for factors permitted to be used under~~
49.5 ~~this subdivision.~~

49.6 ~~Subd. 2a. **Renewal premium increases limited.** (a) Beginning January 1, 2003,~~
49.7 ~~the percentage increase in the premium rate charged to a small employer for a new rating~~
49.8 ~~period must not exceed the sum of the following:~~

49.9 ~~(1) the percentage change in the index rate measured from the first day of the prior~~
49.10 ~~rating period to the first day of the new rating period;~~

49.11 ~~(2) an adjustment, not to exceed 15 percent annually and adjusted pro rata for rating~~
49.12 ~~periods of less than one year, due to the claims experience, health status, or duration of~~
49.13 ~~coverage of the employees or dependents of the employer; and~~

49.14 ~~(3) any adjustment due to change in coverage or in the case characteristics of the~~
49.15 ~~employer.~~

49.16 ~~(b) This subdivision does not apply if the employer, employee, or any applicant~~
49.17 ~~provides the health carrier with false, incomplete, or misleading information.~~

49.18 ~~Subd. 3. **Age-based premium variations.** Beginning July 1, 1993, Each health~~
49.19 ~~carrier may offer premium rates to small employers that vary based upon the ages of~~
49.20 ~~the eligible employees and dependents of the small employer only as provided in this~~
49.21 ~~subdivision. In addition to the variation permitted by subdivision 2, each health carrier~~
49.22 ~~may use an additional premium variation based upon age of up to plus or minus 50 percent~~
49.23 ~~of the index rate. Premium rates may vary based upon the ages of the eligible employees~~
49.24 ~~and dependents of the small employer in accordance with the provisions of the Affordable~~
49.25 ~~Care Act as defined in section 62A.011, subdivision 1a.~~

49.26 ~~Subd. 4. **Geographic premium variations.** A health carrier may request approval~~
49.27 ~~by the commissioner to establish separate geographic regions determined by the health~~
49.28 ~~carrier and to establish separate index rates for each such region. Premium rates may vary~~
49.29 ~~based on geographic rating areas set by the commissioner. The commissioner shall grant~~
49.30 ~~approval if the following conditions are met:~~

49.31 ~~(1) the geographic regions must be applied uniformly by the health carrier;~~

49.32 ~~(2) each geographic region must be composed of no fewer than seven counties that~~
49.33 ~~create a contiguous region; and~~

49.34 ~~(3) the health carrier provides actuarial justification acceptable to the commissioner~~
49.35 ~~for the proposed geographic variations in index rates, establishing that the variations are~~
49.36 ~~based upon differences in the cost to the health carrier of providing coverage.~~

50.1 Subd. 5. **Gender-based rates prohibited.** ~~Beginning July 1, 1993,~~ No health carrier
50.2 may determine premium rates through a method that is in any way based upon the gender
50.3 of eligible employees or dependents. Rates must not in any way reflect marital status or
50.4 generalized differences in expected costs between employees and spouses.

50.5 Subd. 6. ~~Rate cells permitted~~ **Tobacco rating.** ~~Health carriers may use rate cells~~
50.6 ~~and must file with the commissioner the rate cells they use. Rate cells must be based on~~
50.7 ~~the number of adults and children covered under the policy and may reflect the availability~~
50.8 ~~of Medicare coverage. The rates for different rate cells must not in any way reflect marital~~
50.9 ~~status or differences in expected costs between employees and spouses~~ Premium rates
50.10 may vary based upon tobacco use in accordance with the provisions of the Affordable
50.11 Care Act as defined in section 62A.011, subdivision 1a.

50.12 Subd. 7. ~~Index and Premium rate development.~~ (a) In developing its index rates
50.13 and premiums, a health carrier may take into account only the following factors:

50.14 (1) actuarially valid differences in benefit designs of health benefit plans; and
50.15 ~~(2) actuarially valid differences in the rating factors permitted in subdivisions 2 and 3;~~
50.16 ~~(3)~~ (2) actuarially valid geographic variations if approved by the commissioner as
50.17 provided in subdivision 4.

50.18 (b) All premium variations permitted under this section must be based upon
50.19 actuarially valid differences in expected cost to the health carrier of providing coverage.
50.20 The variation must be justified in initial rate filings and upon request of the commissioner in
50.21 rate revision filings. All premium variations are subject to approval by the commissioner.

50.22 Subd. 8. **Filing requirement.** A health carrier that offers, sells, issues, or renews a
50.23 health benefit plan for small employers shall file with the commissioner the index rates and
50.24 must demonstrate that all rates shall be within the rating restrictions defined in this chapter.
50.25 Such demonstration must include ~~the allowable range of rates from the index rates and a~~
50.26 ~~description of how the health carrier intends to use demographic factors including case~~
50.27 ~~characteristics in calculating the premium rates. The rates shall not be approved, unless the~~
50.28 ~~commissioner has determined that the rates are reasonable. In determining reasonableness,~~
50.29 ~~the commissioner shall consider the growth rates applied under section 62J.04, subdivision~~
50.30 ~~1, paragraph (b), to the calendar year or years that the proposed premium rate would be in~~
50.31 ~~effect, and~~ actuarially valid changes in risk associated with the enrollee population, and
50.32 actuarially valid changes as a result of statutory changes in Laws 1992, chapter 549.

50.33 Subd. 9. **Effect of assessments.** Premium rates must comply with the rating
50.34 requirements of this section, notwithstanding the imposition of any assessments or
50.35 premiums paid by health carriers as provided under sections 62L.13 to 62L.22.

51.1 Subd. ~~10.~~ **Rating report.** Beginning January 1, 1995, and annually thereafter, the
51.2 commissioners of health and commerce shall provide a joint report to the legislature
51.3 on the effect of the rating restrictions required by this section and the appropriateness
51.4 of proceeding with additional rate reform. Each report must include an analysis of the
51.5 availability of health care coverage due to the rating reform, the equitable and appropriate
51.6 distribution of risk and associated costs, the effect on the self-insurance market, and any
51.7 resulting or anticipated change in health plan design and market share and availability of
51.8 health carriers.

51.9 Subd. 11. **Loss ratio standards.** Notwithstanding section 62A.02, subdivision 3,
51.10 relating to loss ratios, each policy or contract form used with respect to a health benefit
51.11 plan offered, or issued in the small employer market, is subject, beginning July 1, 1993,
51.12 to section 62A.021. The commissioner of health has, with respect to carriers under that
51.13 commissioner's jurisdiction, all of the powers of the commissioner of commerce under
51.14 that section.

51.15 **EFFECTIVE DATE.** This section is effective January 1, 2014.

51.16 Sec. 55. Minnesota Statutes 2012, section 62L.12, subdivision 2, is amended to read:

51.17 Subd. 2. **Exceptions.** (a) A health carrier may sell, issue, or renew individual
51.18 conversion policies to eligible employees otherwise eligible for conversion coverage under
51.19 section 62D.104 as a result of leaving a health maintenance organization's service area.

51.20 (b) A health carrier may sell, issue, or renew individual conversion policies to
51.21 eligible employees otherwise eligible for conversion coverage as a result of the expiration
51.22 of any continuation of group coverage required under sections 62A.146, 62A.17, 62A.21,
51.23 62C.142, 62D.101, and 62D.105.

51.24 (c) A health carrier may sell, issue, or renew conversion policies ~~under section~~
51.25 ~~62E.16~~ to eligible employees.

51.26 (d) A health carrier may sell, issue, or renew individual continuation policies to
51.27 eligible employees as required.

51.28 (e) A health carrier may sell, issue, or renew individual health plans if the coverage
51.29 is appropriate due to an unexpired preexisting condition limitation or exclusion applicable
51.30 to the person under the employer's group health plan or due to the person's need for health
51.31 care services not covered under the employer's group health plan.

51.32 (f) A health carrier may sell, issue, or renew an individual health plan, if the
51.33 individual has elected to buy the individual health plan not as part of a general plan to
51.34 substitute individual health plans for a group health plan nor as a result of any violation of
51.35 subdivision 3 or 4.

52.1 (g) A health carrier may sell, issue, or renew an individual health plan if coverage
52.2 provided by the employer is determined to be unaffordable under the provisions of the
52.3 Affordable Care Act as defined in section 62A.011, subdivision 1a.

52.4 (h) Nothing in this subdivision relieves a health carrier of any obligation to provide
52.5 continuation or conversion coverage otherwise required under federal or state law.

52.6 ~~(h)~~ (i) Nothing in this chapter restricts the offer, sale, issuance, or renewal of
52.7 coverage issued as a supplement to Medicare under sections 62A.3099 to 62A.44, or
52.8 policies or contracts that supplement Medicare issued by health maintenance organizations,
52.9 or those contracts governed by sections 1833, 1851 to 1859, 1860D, or 1876 of the federal
52.10 Social Security Act, United States Code, title 42, section 1395 et seq., as amended.

52.11 ~~(i)~~ (j) Nothing in this chapter restricts the offer, sale, issuance, or renewal of
52.12 individual health plans necessary to comply with a court order.

52.13 ~~(j)~~ (k) A health carrier may offer, issue, sell, or renew an individual health plan to
52.14 persons eligible for an employer group health plan, if the individual health plan is a high
52.15 deductible health plan for use in connection with an existing health savings account, in
52.16 compliance with the Internal Revenue Code, section 223. In that situation, the same or
52.17 a different health carrier may offer, issue, sell, or renew a group health plan to cover
52.18 the other eligible employees in the group.

52.19 ~~(k)~~ (l) A health carrier may offer, sell, issue, or renew an individual health plan to
52.20 one or more employees of a small employer if the individual health plan is marketed
52.21 directly to all employees of the small employer and the small employer does not contribute
52.22 directly or indirectly to the premiums or facilitate the administration of the individual
52.23 health plan. The requirement to market an individual health plan to all employees does not
52.24 require the health carrier to offer or issue an individual health plan to any employee. For
52.25 purposes of this paragraph, an employer is not contributing to the premiums or facilitating
52.26 the administration of the individual health plan if the employer does not contribute to the
52.27 premium and merely collects the premiums from an employee's wages or salary through
52.28 payroll deductions and submits payment for the premiums of one or more employees in a
52.29 lump sum to the health carrier. Except for coverage under section 62A.65, subdivision 5,
52.30 paragraph (b), ~~or 62E.16~~, at the request of an employee, the health carrier may bill the
52.31 employer for the premiums payable by the employee, provided that the employer is not
52.32 liable for payment except from payroll deductions for that purpose. If an employer is
52.33 submitting payments under this paragraph, the health carrier shall provide a cancellation
52.34 notice directly to the primary insured at least ten days prior to termination of coverage for
52.35 nonpayment of premium. Individual coverage under this paragraph may be offered only

53.1 if the small employer has not provided coverage under section 62L.03 to the employees
53.2 within the past 12 months.

53.3 ~~The employer must provide a written and signed statement to the health carrier that~~
53.4 ~~the employer is not contributing directly or indirectly to the employee's premiums. The~~
53.5 ~~health carrier may rely on the employer's statement and is not required to guarantee issue~~
53.6 ~~individual health plans to the employer's other current or future employees.~~

53.7 **EFFECTIVE DATE.** This section is effective January 1, 2014.

53.8 Sec. 56. Minnesota Statutes 2012, section 62M.05, subdivision 3a, is amended to read:

53.9 Subd. 3a. **Standard review determination.** (a) Notwithstanding subdivision 3b, an
53.10 initial determination on all requests for utilization review must be communicated to the
53.11 provider and enrollee in accordance with this subdivision within ten business days of the
53.12 request, provided that all information reasonably necessary to make a determination on the
53.13 request has been made available to the utilization review organization.

53.14 (b) When an initial determination is made to certify, notification must be provided
53.15 promptly by telephone to the provider. The utilization review organization shall send
53.16 written notification to the provider or shall maintain an audit trail of the determination
53.17 and telephone notification. For purposes of this subdivision, "audit trail" includes
53.18 documentation of the telephone notification, including the date; the name of the person
53.19 spoken to; the enrollee; the service, procedure, or admission certified; and the date of
53.20 the service, procedure, or admission. If the utilization review organization indicates
53.21 certification by use of a number, the number must be called the "certification number."
53.22 For purposes of this subdivision, notification may also be made by facsimile to a verified
53.23 number or by electronic mail to a secure electronic mailbox. These electronic forms of
53.24 notification satisfy the "audit trail" requirement of this paragraph.

53.25 (c) When an initial determination is made not to certify, notification must be
53.26 provided by telephone, by facsimile to a verified number, or by electronic mail to a secure
53.27 electronic mailbox within one working day after making the determination to the attending
53.28 health care professional and hospital as applicable. Written notification must also be sent
53.29 to the hospital as applicable and attending health care professional if notification occurred
53.30 by telephone. For purposes of this subdivision, notification may be made by facsimile to a
53.31 verified number or by electronic mail to a secure electronic mailbox. Written notification
53.32 must be sent to the enrollee and may be sent by United States mail, facsimile to a verified
53.33 number, or by electronic mail to a secure mailbox. The written notification must include
53.34 the principal reason or reasons for the determination and the process for initiating an appeal
53.35 of the determination. Upon request, the utilization review organization shall provide the

54.1 provider or enrollee with the criteria used to determine the necessity, appropriateness,
54.2 and efficacy of the health care service and identify the database, professional treatment
54.3 parameter, or other basis for the criteria. Reasons for a determination not to certify may
54.4 include, among other things, the lack of adequate information to certify after a reasonable
54.5 attempt has been made to contact the provider or enrollee.

54.6 (d) When an initial determination is made not to certify, the written notification must
54.7 inform the enrollee and the attending health care professional of the right to submit an
54.8 appeal to the internal appeal process described in section 62M.06 and the procedure for
54.9 initiating the internal appeal. The written notice shall be provided in a culturally and
54.10 linguistically appropriate manner consistent with the provisions of the Affordable Care
54.11 Act as defined under section 62A.011, subdivision 1a.

54.12 **EFFECTIVE DATE.** This section is effective the day following final enactment.

54.13 Sec. 57. Minnesota Statutes 2012, section 62M.06, subdivision 1, is amended to read:

54.14 Subdivision 1. **Procedures for appeal.** A utilization review organization must have
54.15 written procedures for appeals of determinations not to certify. The right to appeal must
54.16 be available to the enrollee and to the attending health care professional. The enrollee
54.17 shall be allowed to review the information relied upon in the course of the appeal, present
54.18 evidence and testimony as part of the appeals process, and receive continued coverage
54.19 pending the outcome of the appeals process.

55.5 plan company;
55.6 (6) does not condition membership in the association on any health status related
55.7 factor;
55.8 (7) has at least 1,000 members if it is a national association, 500 members if it is a
55.9 state association, or 200 members if it is a local association;
55.10 (8) all members and dependents of members are eligible for coverage regardless of

56.12 to initiate a referral for specialty care and maintain supervision of health care services
56.13 rendered to the enrollee.

56.14 **EFFECTIVE DATE.** This section is effective the day following final enactment.

56.15 Sec. 65. Minnesota Statutes 2012, section 62Q.01, is amended by adding a subdivision

56.22 marital status, or student status. For coverage under plans offered by the Minnesota
56.23 Comprehensive Health Association, dependent to the limiting age means dependent

 57.9 comply with the Affordable Care Act to the extent that it imposes a requirement that
 57.10 applies in this state but is not required under the laws of this state. This section does not
 57.11 require compliance with any provision of the Affordable Care Act before the effective
 57.12 date provided for that provision in the Affordable Care Act. The commissioner shall
 57.13 enforce this subdivision.

57.14 **EFFECTIVE DATE.** This section is effective the day following final enactment.

57.30 Sec. 69. **[62Q.186] PROHIBITION ON RESCISSIONS OF HEALTH PLANS.**

57.31 Subdivision 1. **Definitions.**

58.1 Subdivision 1. **Definitions.** (a) "Rescission" means a cancellation or discontinuance
58.2 of coverage under a health plan that has a retroactive effect.

58.3 (b) "Rescission" does not include:

58.4 (1) a cancellation or discontinuance of coverage under a health plan if:

58.5 (i) the cancellation or discontinuance of coverage has only a prospective effect; or

58.6 (ii) the cancellation or discontinuance of coverage is effective retroactively to the
58.7 extent it is attributable to a failure to timely pay required premiums or contributions
58.8 toward the cost of coverage; or

58.9 (2) when the health plan covers only active employees and, if applicable,
58.10 dependents and those covered under continuation coverage provisions, the employee
58.11 pays no premiums for coverage after termination of employment and the cancellation or
58.12 discontinuance of coverage is effective retroactively back to the date of termination of
58.13 employment due to a delay in administrative record-keeping.

58.14 Subd. 2. **Prohibition on rescissions.** (a) A health plan company shall not rescind
58.15 coverage under a health plan with respect to an individual, including a group to which
58.16 the individual belongs or family coverage in which the individual is included, after the
58.17 individual is covered under the health plan, unless:

58.18 (1) the individual or a person seeking coverage on behalf of the individual, performs
58.19 an act, practice, or omission that constitutes fraud; or

58.20 (2) the individual makes an intentional misrepresentation or omission of material
58.21 fact, as prohibited by the terms of the health plan.

58.22 For purposes of this section, a person seeking coverage on behalf of an individual
58.23 does not include an insurance producer or employee or authorized representative of the
58.24 health carrier.

58.25 (b) This section does not apply to any benefits classified as excepted benefits under
58.26 United States Code, title 42, section 300gg-91(c), or regulations enacted thereunder
58.27 from time to time.

58.28 Subd. 3. **Notice required.** A health plan company shall provide at least 30 days
58.29 advance written notice to each individual who would be affected by the proposed rescission
58.30 of coverage before coverage under the health plan may be terminated retroactively.

58.31 Subd. 4. **Compliance with other restrictions on rescissions.** Nothing in this
58.32 section allows rescission if rescission would otherwise be prohibited under section
58.33 62A.04, subdivision 2, clause (2), or 62A.615.

58.34 **EFFECTIVE DATE.** This section is effective the day following final enactment.

58.35 Sec. 70. Minnesota Statutes 2012, section 62Q.23, is amended to read:

59.1 **62Q.23 GENERAL SERVICES.**

59.2 (a) Health plan companies shall comply with all continuation and conversion of
59.3 coverage requirements applicable to health maintenance organizations under state or
59.4 federal law.

59.5 (b) Health plan companies shall comply with sections 62A.047, 62A.27, and any
59.6 other coverage required under chapter 62A of newborn infants, dependent children ~~who~~
59.7 ~~do not reside with a covered person~~ to the limiting age as defined in section 62Q.01,
59.8 subdivision 11, disabled children and dependents dependent children, and adopted children.
59.9 A health plan company providing dependent coverage shall comply with section 62A.302.

59.10 (c) Health plan companies shall comply with the equal access requirements of
59.11 section 62A.15.

59.12 **EFFECTIVE DATE.** This section is effective the day following final enactment.

59.13 Sec. 71. Minnesota Statutes 2012, section 62Q.43, subdivision 2, is amended to read:

59.14 Subd. 2. **Access requirement.** Every closed-panel health plan must allow enrollees
59.15 ~~who are full-time students~~ under the age of ~~25~~ 26 years to change their designated clinic or
59.16 physician at least once per month, as long as the clinic or physician is part of the health
59.17 plan company's statewide clinic or physician network. A health plan company shall not
59.18 charge enrollees who choose this option higher premiums or cost sharing than would
59.19 otherwise apply to enrollees who do not choose this option. A health plan company may
59.20 require enrollees to provide 15 days' written notice of intent to change their designated
59.21 clinic or physician.

59.22 **EFFECTIVE DATE.** This section is effective the day following final enactment.

59.23 Sec. 72. **[62Q.46] PREVENTIVE ITEMS AND SERVICES.**

59.24 Subdivision 1. **Coverage for preventive items and services.** (a) "Preventive items
59.25 and services" as specified in the Affordable Care Act.

59.26 (b) A health plan company must provide coverage for preventive items and services
59.27 at a participating provider without imposing cost-sharing requirements, including a
59.28 deductible, coinsurance, or co-payment. Nothing in this section prohibits a health
59.29 plan company that has a network of providers from excluding coverage or imposing
59.30 cost-sharing requirements for preventive items or services that are delivered by an
59.31 out-of-network provider.

59.32 (c) A health plan company is not required to provide coverage for any items or
59.33 services specified in any recommendation or guideline described in paragraph (a) if the

60.1 recommendation or guideline is no longer included as a preventive item or service as
60.2 defined in paragraph (a). Annually, a health plan company must determine whether any
60.3 additional items or services must be covered without cost-sharing requirements or whether
60.4 any items or services are no longer required to be covered.

60.5 (d) Nothing in this section prevents a health plan company from using reasonable
60.6 medical management techniques to determine the frequency, method, treatment, or setting
60.7 for a preventive item or service to the extent not specified in the recommendation or
60.8 guideline.

60.9 (e) This section does not apply to grandfathered plan coverage. This section does

65.27 immediate medical attention to result in a condition described in clause (i), (ii), or (iii), of
65.28 section 1867(e)(1)(A) of the Social Security Act.

65.29 Subd. 3. **Emergency services.** As used in this section, "emergency services" means,

66.8 by a nonparticipating provider, with or without prior authorization, the health plan
66.9 company shall not impose coverage restrictions or limitations that are more restrictive
66.10 than apply to emergency services received from a participating provider. Cost-sharing
66.11 requirements that apply to emergency services received out-of-network must be the same

69.6 of the health plan company, the health plan company may take up to 14 additional days to

69.32 the internal appeal must not be solely the same person or persons who made the complaint
69.33 decision under section 62Q.69.

69.34 (c) The internal appeal process must permit the enrollee to review the information
69.35 relied upon in the course of the appeal and the receipt of testimony, correspondence,

 70.11 complainant notifies the health plan company of the complainant's desire to appeal the
 70.12 health plan company's decision regarding the complaint through the internal appeal
 70.13 process, the health plan company must provide the complainant the option for the appeal
 70.14 to occur either in writing or by hearing.
