

1.1 ..... moves to amend H.F. No. 1151, the delete everything amendment  
1.2 (H1151DE3), as follows:

1.3 Page 90, after line 21, insert:

1.4 "Sec. 16. **SPECIAL EDUCATION SERVICES REIMBURSEMENT.**

1.5 The commissioners of education and human services shall maximize federal  
1.6 financial participation under the Medicaid program for school social work and school  
1.7 psychological services authorized under Minnesota Statutes, section 256B.0625,  
1.8 subdivision 26, for individualized education program health-related services provided to  
1.9 children in public schools. The commissioners must consider:

1.10 (1) how other states have succeeded in receiving Medicaid reimbursement for school  
1.11 social work and school psychological services identified on a student's individualized  
1.12 education program;

1.13 (2) barriers identified by local education agencies in billing for such services;

1.14 (3) how the requirements of the children's therapeutic support services impact a  
1.15 districts' ability to bill for services; and

1.16 (4) how the state can simplify and streamline districts' billing process.

1.17 The commissioners shall recommend any statutory changes needed to implement  
1.18 this section."

1.19 Renumber the sections in sequence and correct the internal references

1.20 Amend the title accordingly
