

1.1 moves to amend H.F. No. 1183, the delete everything amendment
1.2 (H1183DE5), as follows:

1.3 Page 27, after line 26, insert:

1.4 "(k) All proposals requesting funding submitted to the council must be reviewed by
1.5 each council member in such a manner that each council member generally knows the
1.6 details of the proposal, including who is proposing a project, the location of the project,
1.7 the funds requested for the project, the outcomes sought by the project, and how the
1.8 project will restore, protect, and enhance wetlands, prairies, forests and habitat for fish,
1.9 game and wildlife. If the council uses a process which rejects some proposals and accepts
1.10 other proposals for a full hearing before the council, the council shall state in writing to the
1.11 proposer the reasons the proposal or project was not given a full hearing and the reasons
1.12 the council believes the proposal or project did not merit full consideration."
