1.3 "Sec. **REDUCTION OF YOUTH HOMELESSNESS.**

1.4 (a) The Minnesota Interagency Council on Homelessness established by Minnesota
1.5 Statutes, section 462A.29, as it updates its statewide plan to prevent and end homelessness,
1.6 shall make recommendation on strategies to reduce the number of youth experiencing
1.7 homelessness and to prevent homelessness for youth who are at risk of becoming homeless.

1.8 (b) Recommended strategies must take into consideration, to the extent feasible,
1.9 issues that contribute to or reduce youth homelessness, including, but not limited to,
1.10 mental health, chemical dependency, trafficking of youth for sex or other purposes,
1.11 exiting foster care, and involvement in gangs. The recommended strategies must include
1.12 supportive services as outlined in section 256K.45, subdivision 5.

1.13 (c) The council shall provide an update on the status of its work by December 1,
1.14 2014, to the legislative committees with jurisdiction over housing, homelessness, and
1.15 matters pertaining to youth. If the council determines legislative action is required to
1.16 implement recommended strategies, the council shall submit proposals to the legislature at
1.17 the earliest possible opportunity."

1.18 Renumber the sections in sequence and correct the internal references
