1.4 "Sec. 8. Minnesota Statutes 2012, section 256B.0623, subdivision 2, is amended to read:

1.5 Subd. 2. **Definitions.** For purposes of this section, the following terms have the
1.6 meanings given them.

1.7 (a) "Adult rehabilitative mental health services" means mental health services
1.8 which are rehabilitative and enable the recipient to develop and enhance psychiatric
1.9 stability, social competencies, personal and emotional adjustment, ~~and~~ independent living,
1.10 parenting skills, and community skills, when these abilities are impaired by the symptoms
1.11 of mental illness. Adult rehabilitative mental health services are also appropriate when
1.12 provided to enable a recipient to retain stability and functioning, if the recipient would
1.13 be at risk of significant functional decompensation or more restrictive service settings
1.14 without these services.

1.15 (1) Adult rehabilitative mental health services instruct, assist, and support the
1.16 recipient in areas such as: interpersonal communication skills, community resource
1.17 utilization and integration skills, crisis assistance, relapse prevention skills, health care
1.18 directives, budgeting and shopping skills, healthy lifestyle skills and practices, cooking
1.19 and nutrition skills, transportation skills, medication education and monitoring, mental
1.20 illness symptom management skills, household management skills, employment-related
1.21 skills, parenting skills, and transition to community living services.

1.22 (2) These services shall be provided to the recipient on a one-to-one basis in the
1.23 recipient's home or another community setting or in groups.

1.24 (b) "Medication education services" means services provided individually or in
1.25 groups which focus on educating the recipient about mental illness and symptoms; the role
1.26 and effects of medications in treating symptoms of mental illness; and the side effects of
1.27 medications. Medication education is coordinated with medication management services

2.1 and does not duplicate it. Medication education services are provided by physicians,
2.2 pharmacists, physician's assistants, or registered nurses.

2.3 (c) "Transition to community living services" means services which maintain
2.4 continuity of contact between the rehabilitation services provider and the recipient and
2.5 which facilitate discharge from a hospital, residential treatment program under Minnesota
2.6 Rules, chapter 9505, board and lodging facility, or nursing home. Transition to community
2.7 living services are not intended to provide other areas of adult rehabilitative mental health
2.8 services."
