1.4 "Sec. **HEALTH EQUITY REPORT.**

1.5 By February 1, 2014, the commissioner of health, in consultation with local public
1.6 health, health care, and community partners, must submit a report to the chairs and ranking
1.7 minority members of the committees with jurisdiction over health policy and finance, on a
1.8 plan for advancing health equity in Minnesota. The report must include the following:

1.9 (1) assessment of health disparities that exist in the state and how these disparities
1.10 relate to health equity;

1.11 (2) identification of policies, processes, and systems that contribute to health
1.12 inequity in the state;

1.13 (3) recommendations for changes to policies, processes and systems within the
1.14 Department of Health that would increase the department's leadership in addressing health
1.15 inequities;

1.16 (4) identification of best practices for local public health, health care, and community
1.17 partners to provide culturally responsive services and advance health equity; and

1.18 (5) recommendations for strategies for the use of data to document and monitor
1.19 existing health inequities and to evaluate effectiveness of policies, processes, systems,
1.20 and environmental changes that will advance health equity.
