11.26	(3) evidence satisfactory to the board that the licensee has completed 40 clock
11.27	hours of continuing education during the preceding two year renewal period that meet the
11.28	requirements of section 148F.075.
11.29	(b) The application must be postmarked or received by the board by the end of the
11.30	day on which the license expires or the following business day if the expiration date
11.31	falls on a Saturday, Sunday, or holiday. An application which is not completed, signed,
11.32	notarized, or which is not accompanied by the correct fee, is void and must be returned
11.33	to the licensee.

- 12.1 Subd. 4. Pending renewal. If a licensee's application for license renewal is
 12.2 postmarked or received by the board by the end of the business day on the expiration date
 12.3 of the license, the licensee may continue to practice after the expiration date while the
 12.4 application for license renewal is pending with the board.
 12.5 Subd. 5. Late renewal fee. If the application for license renewal is postmarked or
- 12.6 received after the expiration date, the licensee shall pay a late fee as specified by section
- 12.7 <u>148F.115</u>, subdivision 5, clause (1), in addition to the renewal fee, before the application
- 12.8 <u>for license renewal will be considered by the board.</u>

12.9 Sec. 11. [148F.055] EXPIRED LICENSE.

- 12.10 <u>Subdivision 1.</u> Expiration of license. A licensee who fails to submit an application
- 12.11 for license renewal, or whose application for license renewal is not postmarked or received
- 12.12 by the board as required, is not authorized to practice after the expiration date and is
- 12.13 <u>subject to disciplinary action by the board for any practice after the expiration date.</u>
- 12.14 Subd. 2. Termination for nonrenewal. (a) Within 30 days after the renewal date, a
- 12.15 licensee who has not renewed the license shall be notified by letter sent to the last known
- 12.16 address of the licensee in the board's file that the renewal is overdue and that failure to
- 12.17 pay the current fee and current late fee within 60 days after the renewal date will result in
- 12.18 termination of the license.
- (b) The board shall terminate the license of a licensee whose license renewal is at
 least 60 days overdue and to whom notification has been sent as provided in paragraph
 (a). Failure of a licensee to receive notification is not grounds for later challenge of the
 termination. The former licensee shall be notified of the termination by letter within seven
- 12.23 <u>days after the board action, in the same manner as provided in paragraph (a).</u>

12.24 Sec. 12. [148F.060] VOLUNTARY TERMINATION.

12.25 <u>A license may be voluntarily terminated by the licensee at any time upon written</u>

12.26 <u>notification to the board, unless a complaint is pending against the licensee. The</u>

12.27 <u>notification must be received by the board prior to termination of the license for failure to</u>

- 12.28 renew. A former licensee may be licensed again only after complying with the relicensure
- 12.29 <u>following termination requirements under section 148F.065</u>. For purposes of this section,
- 12.30 <u>the board retains jurisdiction over any licensee whose license has been voluntarily</u>
- 12.31 terminated and against whom the board receives a complaint for conduct occurring during
- 12.32 <u>the period of licensure.</u>

12.33 Sec. 13. [148F.065] RELICENSURE FOLLOWING TERMINATION.

13.1	Subdivision 1. Relicensure. For a period of two years, a former licensee whose
13.2	license has been voluntarily terminated or terminated for nonrenewal as provided in
13.3	section 148F.055, subdivision 2, may be relicensed by completing an application for
13.4	relicensure, paying the applicable fee, and verifying that the former licensee has not
13.5	engaged in the practice of alcohol and drug counseling in this state since the date of
13.6	termination. The verification must be accompanied by a notarized affirmation that the
13.7	statement is true and correct to the best knowledge and belief of the former licensee.
13.8	Subd. 2. Continuing education for relicensure. A former licensee seeking
13.9	relicensure after license termination must provide evidence of having completed at least
13.10	20 hours of continuing education activities for each year, or portion thereof, that the
13.11	former licensee did not hold a license.
13.12	Subd. 3. Cancellation of license. The board shall not renew, reissue, reinstate,
13.13	or restore the license of a former licensee which was terminated for nonrenewal, or
13.14	voluntarily terminated, and for which relicensure was not sought for more than two years
13.15	from the date the license was terminated for nonrenewal, or voluntarily terminated. A
13.16	former licensee seeking relicensure after this two-year period must obtain a new license
13.17	by applying for licensure and fulfilling all requirements then in existence for an initial
13.18	license to practice alcohol and drug counseling in Minnesota.

13.19 Sec. 14. [148F.070] INACTIVE LICENSE STATUS.

Subdivision 1. Request for inactive status. Unless a complaint is pending against 13.20 the licensee, a licensee whose license is in good standing may request, in writing, that the 13.21 13.22 license be placed on the inactive list. If a complaint is pending against a licensee, a license 13.23 may not be placed on the inactive list until action relating to the complaint is concluded. The board must receive the request for inactive status before expiration of the license, or 13.24 13.25 the person must pay the late fee. A licensee may renew a license that is inactive under this subdivision by meeting the renewal requirements of subdivision 2. A licensee must not 13.26 practice alcohol and drug counseling while the license is inactive. 13.27 Subd. 2. Renewal of inactive license. A licensee whose license is inactive must 13.28 renew the inactive status by the inactive status expiration date determined by the board, 13.29 or the license will expire. An application for renewal of inactive status must include 13.30 evidence satisfactory to the board that the licensee has completed 40 clock hours of 13.31

13.32 continuing education required in section 148F.075. Late renewal of inactive status must be

13.33 accompanied by a late fee as required in section 148F.115, subdivision 5, paragraph (2).

13.34 Sec. 15. [148F.075] CONTINUING EDUCATION REQUIREMENTS.

14.1	Subdivision 1. Purpose. (a) The purpose of mandatory continuing education is to
14.2	promote the professional development of alcohol and drug counselors so that the services
14.3	they provide promote the health and well-being of clients who receive services.
14.4	(b) Continued professional growth and maintaining competence in providing alcohol
14.5	and drug counseling services are the ethical responsibilities of each licensee.
14.6	Subd. 2. Requirement. Every two years, all licensees must complete a minimum of
14.7	40 clock hours of continuing education activities that meet the requirements in this section.
14.8	The 40 clock hours shall include a minimum of nine clock hours on human diversity, and a
14.9	minimum of three clock hours on professional ethics. A licensee may be given credit only
14.10	for activities that directly relate to the practice of alcohol and drug counseling.
14.11	Subd. 3. Standards for approval. In order to obtain clock hour credit for a
14.12	continuing education activity, the activity must:
14.13	(1) constitute an organized program of learning;
14.14	(2) reasonably be expected to advance the knowledge and skills of the alcohol
14.15	and drug counselor;
14.16	(3) pertain to subjects that directly relate to the practice of alcohol and drug
14.17	counseling;
14.18	(4) be conducted by individuals who have education, training, and experience and
14.19	are knowledgeable about the subject matter; and
14.20	(5) be presented by a sponsor who has a system to verify participation and maintains
14.21	attendance records for three years, unless the sponsor provides dated evidence to each
14.22	participant with the number of clock hours awarded.
14.23	Subd. 4. Qualifying activities. Clock hours may be earned through the following:
14.24	(1) attendance at educational programs of annual conferences, lectures, panel
14.25	discussions, workshops, in-service training, seminars, and symposia;
14.26	(2) successful completion of college or university courses offered by a regionally
14.27	accredited school or education program, if not being taken in order to meet the educational
14.28	requirements for licensure under this chapter. The licensee must obtain a grade of at least
14.29	a "C" or its equivalent or a pass in a pass/fail course in order to receive the following
14.30	continuing education credits:
14.31	(i) one semester credit equals 15 clock hours;
14.32	(ii) one trimester credit equals 12 clock hours;
14.33	(iii) one quarter credit equals 10 clock hours;
14.34	(3) successful completion of home study or online courses offered by an accredited
14.35	school or education program and that require a licensee to demonstrate knowledge
14.36	following completion of the course;

15.1	(4) teaching a course at a regionally accredited institution of higher education. To
15.2	qualify for continuing education credit, the course must directly relate to the practice of
15.3	alcohol and drug counseling, as determined by the board. Continuing education hours may
15.4	be earned only for the first time the licensee teaches the course. Ten continuing education
15.5	hours may be earned for each semester credit hour taught; or
15.6	(5) presentations at workshops, seminars, symposia, meetings of professional
15.7	organizations, in-service trainings, or postgraduate institutes. The presentation must be
15.8	related to alcohol and drug counseling. A presenter may claim one hour of continuing
15.9	education for each hour of presentation time. A presenter may also receive continuing
15.10	education hours for development time at the rate of three hours for each hour of
15.11	presentation time. Continuing education hours may be earned only for the licensee's
15.12	first presentation on the subject developed.
15.13	Subd. 5. Activities not qualifying for continuing education clock hours.
15.14	Approval shall not be given for courses that do not do meet the requirements of this
15.15	section or are limited to the following:
15.16	(1) any subject contrary to the rules of professional conduct;
15.17	(2) supervision of personnel;
15.18	(3) entertainment or recreational activities;
15.19	(4) employment orientation sessions;
15.20	(5) policy meetings;
15.21	(6) marketing;
15.22	(7) business;
15.23	(8) first aid, CPR, and similar training classes; and
15.24	(9) training related to payment systems, including covered services, coding, and
15.25	billing.
15.26	Subd. 6. Documentation of reporting compliance. (a) When the licensee applies
15.27	for renewal of the license, the licensee must complete and submit an affidavit of continuing
15.28	education compliance showing that the licensee has completed a minimum of 40 approved
15.29	continuing education clock hours since the last renewal. Failure to submit the affidavit
15.30	when required makes the licensee's renewal application incomplete and void.
15.31	(b) All licensees shall retain original documentation of completion of continuing
15.32	education hours for a period of five years. For purposes of compliance with this section, a
15.33	receipt for payment of the fee for the course is not sufficient evidence of completion of the
15.34	required hours of continuing education. Information retained shall include:
15.35	(1) the continuing education activity title;
15.36	(2) a brief description of the continuing education activity;

16.1	(3) the sponsor, presenter, or author;
16.2	(4) the location and the dates attended;
16.3	(5) the number of clock hours; and
16.4	(6) the certificate of attendance, if applicable.
16.5	(c) Only continuing education obtained during the two-year reporting period may be
16.6	considered at the time of reporting.
16.7	Subd. 7. Continuing education audit. (a) At the time of renewal, the board may
16.8	randomly audit a percentage of its licensees for compliance with continuing education
16.9	requirements.
16.10	(b) The board shall mail a notice to a licensee selected for an audit of continuing
16.11	education hours. The notice must include the reporting periods selected for audit.
16.12	(c) Selected licensees shall submit copies of the original documentation of completed
16.13	continuing education hours. Upon specific request, the licensee shall submit original
16.14	documentation. Failure to submit required documentation shall result in the renewal
16.15	application being considered incomplete and void and constitute grounds for nonrenewal
16.16	of the license and disciplinary action.
16.17	Subd. 8. Variance of continuing education requirements. (a) If a licensee is
16.18	unable to meet the continuing education requirements by the renewal date, the licensee
16.19	may request a time-limited variance to fulfill the requirements after the renewal date. A
16.20	licensee seeking a variance is considered to be renewing late and is subject to the late
16.21	renewal fee, regardless of when the request is received or whether the variance is granted.
16.22	(b) The licensee shall submit the variance request on a form designated by the board,
16.23	include the variance fee subject to section 14.056, subdivision 2, and the late fee for
16.24	license renewal under section 148F.115. The variance request is subject to the criteria for
16.25	rule variances in section 14.055, subdivision 4, and must include a written plan listing
16.26	the activities offered to meet the requirement. Hours completed after the renewal date
16.27	pursuant to the written plan count toward meeting only the requirements of the previous
16.28	renewal period.
16.29	(c) A variance granted under this subdivision expires six months after the license
16.30	renewal date. A licensee who is granted a variance but fails to complete the required
16.31	continuing education within the six-month period may apply for a second variance
16.32	according to this subdivision.
16.33	(d) If an initial variance request is denied, the license of the licensee shall not be
16.34	renewed until the licensee completes the continuing education requirements. If an initial
16.35	variance is granted, and the licensee fails to complete the required continuing education
16.36	within the six-month period, the license shall be administratively suspended until the

17.1	licensee completes the required continuing education, unless the licensee has obtained a
17.2	second variance according to paragraph (c).
17.3	Sec. 16. [148F.080] SPONSOR'S APPLICATION FOR APPROVAL.
17.4	Subdivision 1. Content. Individuals, organizations, associations, corporations,
17.5	educational institutions, or groups intending to offer continuing education activities for
17.6	approval must submit to the board the sponsor application fee and a completed application
17.7	for approval on a form provided by the board. The sponsor must comply with the
17.8	following to receive and maintain approval:
17.9	(1) submit the application for approval at least 60 days before the activity is
17.10	scheduled to begin; and
17.11	(2) include the following information in the application for approval to enable the
17.12	board to determine whether the activity complies with section 148F.075:
17.13	(i) a statement of the objectives of the activity and the knowledge the participants
17.14	will have gained upon completion of the activity;
17.15	(ii) a description of the content and methodology of the activity which will allow the
17.16	participants to meet the objectives;
17.17	(iii) a description of the method the participants will use to evaluate the activity;
17.18	(iv) a list of the qualifications of each instructor or developer that shows the
17.19	instructor's or developer's current knowledge and skill in the activity's subject;
17.20	(v) a description of the certificate or other form of verification of attendance
17.21	distributed to each participant upon successful completion of the activity;
17.22	(vi) the sponsor's agreement to retain attendance lists for a period of five years
17.23	from the date of the activity; and
17.24	(vii) a copy of any proposed advertisement or other promotional literature.
17.25	Subd. 2. Approval expiration. If the board approves an activity it shall assign the
17.26	activity a number. The approval remains in effect for one year from the date of initial
17.27	approval. Upon expiration, a sponsor must submit a new application for activity approval
17.28	to the board as required by subdivision 1.
17.29	Subd. 3. Statement of board approval. Each sponsor of an approved activity shall
17.30	include in any promotional literature a statement that "This activity has been approved by
17.31	the Minnesota Board of Behavioral Health and Therapy for hours of credit."
17.32	Subd. 4. Changes. The activity sponsor must submit proposed changes in an
17.33	approved activity to the board for its approval.

18.1	Subd. 5. Denial of approval. The board shall not approve an activity if it does not
18.2	meet the continuing education requirements in section 148F.075. The board shall notify
18.3	the sponsor in writing of its reasons for denial.
18.4	Subd. 6. Revocation of approval. The board shall revoke its approval of an activity
18.5	if a sponsor falsifies information contained in its application for approval, or if a sponsor
18.6	fails to notify the board of changes to an approved activity as required in subdivision 4.

18.9	Sec. 18. [148F.090] DENIAL, SUSPENSION, OR REVOCATION OF LICENSE.
18.10	Subdivision 1. Grounds. The board may impose disciplinary action as described
18.11	in subdivision 2 against an applicant or licensee whom the board, by a preponderance of
18.12	the evidence, determines:
18.13	(1) has violated a statute, rule, or order that the board issued or is empowered to
18.14	enforce;
18.15	(2) has engaged in fraudulent, deceptive, or dishonest conduct, whether or not the
18.16	conduct relates to the practice of licensed alcohol and drug counseling that adversely
18.17	affects the person's ability or fitness to practice alcohol and drug counseling;
18.18	(3) has engaged in unprofessional conduct or any other conduct which has the
18.19	potential for causing harm to the public, including any departure from or failure to
18.20	conform to the minimum standards of acceptable and prevailing practice without actual
18.21	injury having to be established;
18.22	(4) has been convicted of or has pled guilty or nolo contendere to a felony or other
18.23	crime, an element of which is dishonesty or fraud, or has been shown to have engaged
18.24	in acts or practices tending to show that the applicant or licensee is incompetent or has
18.25	engaged in conduct reflecting adversely on the applicant's or licensee's ability or fitness
18.26	to engage in the practice of alcohol and drug counseling;
18.27	(5) has employed fraud or deception in obtaining or renewing a license, or in
18.28	passing an examination;
18.29	(6) has had any license, certificate, registration, privilege to take an examination,
18.30	or other similar authority denied, revoked, suspended, canceled, limited, or not renewed
18.31	for cause in any jurisdiction or has surrendered or voluntarily terminated a license or
18.32	certificate during a board investigation of a complaint, as part of a disciplinary order, or
18.33	while under a disciplinary order;

19.1	(7) has failed to meet any requirement for the issuance or renewal of the person's
19.2	license. The burden of proof is on the applicant or licensee to demonstrate the
19.3	qualifications or satisfy the requirements for a license under chapter 148F;
19.4	(8) has failed to cooperate with an investigation by the board;
19.5	(9) has demonstrated an inability to practice alcohol and drug counseling with
19.6	reasonable skill and safety as a result of illness, use of alcohol, drugs, chemicals, or any
19.7	other materials, or as a result of any mental, physical, or psychological condition;
19.8	(10) has engaged in conduct with a client that is sexual or may reasonably be
19.9	interpreted by the client as sexual, or in any verbal behavior that is seductive or sexually
19.10	demeaning to a client;
19.11	(11) has been subject to a corrective action or similar, nondisciplinary action in
19.12	another jurisdiction or by another regulatory authority;
19.13	(12) has been adjudicated as mentally incompetent, mentally ill, or developmentally
19.14	disabled or as a chemically dependent person, a person dangerous to the public, a sexually
19.15	dangerous person, or a person who has a sexual psychopathic personality by a court
19.16	of competent jurisdiction within this state or an equivalent adjudication from another
19.17	state. Adjudication automatically suspends a license for the duration thereof unless the
19.18	board orders otherwise;
19.19	(13) fails to comply with a client's request for health records made under sections
19.20	144.291 to 144.298, or to furnish a client record or report required by law;
19.21	(14) has engaged in abusive or fraudulent billing practices, including violations of
19.22	the federal Medicare and Medicaid laws or state medical assistance laws; or
19.23	(15) has engaged in fee splitting. This clause does not apply to the distribution
19.24	of revenues from a partnership, group practice, nonprofit corporation, or professional
19.25	corporation to its partners, shareholders, members, or employees if the revenues consist
19.26	only of fees for services performed by the licensee or under a licensee's administrative
19.27	authority. Fee splitting includes, but is not limited to:
19.28	(i) dividing fees with another person or a professional corporation, unless the
19.29	division is in proportion to the services provided and the responsibility assumed by
19.30	each professional;
19.31	(ii) referring a client to any health care provider as defined in sections 144.291 to
19.32	144.298 in which the referring licensee has a significant financial interest, unless the
19.33	licensee has disclosed in advance to the client the licensee's own financial interest; or
19.34	(iii) paying, offering to pay, receiving, or agreeing to receive a commission, rebate,
19.35	or remuneration, directly or indirectly, primarily for the referral of clients.

20.1	Subd. 2. Forms of disciplinary action. If grounds for disciplinary action exist
20.2	under subdivision 1, the board may take one or more of the following actions;
20.3	(1) refuse to grant or renew a license;
20.4	(2) revoke a license;
20.5	(3) suspend a license;
20.6	(4) impose limitations or conditions on a licensee's practice of alcohol and drug
20.7	counseling, including, but not limited to, limiting the scope of practice to designated
20.8	competencies, imposing retraining or rehabilitation requirements, requiring the licensee to
20.9	practice under supervision, or conditioning continued practice on the demonstration of
20.10	knowledge or skill by appropriate examination or other review of skill and competence;
20.11	(5) censure or reprimand the licensee;
20.12	(6) impose a civil penalty not exceeding \$10,000 for each separate violation,
20.13	the amount of the civil penalty to be fixed so as to deprive the applicant or licensee
20.14	of any economic advantage gained by reason of the violation charged, to discourage
20.15	similar violations or to reimburse the board for the cost of the investigation and
20.16	proceeding, including, but not limited to, fees paid for services provided by the Office of
20.17	Administrative Hearings, legal and investigative services provided by the Office of the
20.18	Attorney General, court reporters, witnesses, reproduction of records, board members' per
20.19	diem compensation, board staff time, and travel costs and expenses incurred by board staff
20.20	and board members; or
20.21	(7) any other action justified by the case.
20.22	Subd. 3. Evidence. In disciplinary actions alleging violations of subdivision 1,
20.23	clause (4), (12), or (14), a copy of the judgment or proceedings under the seal of the court
20.24	administrator or of the administrative agency that entered the judgment or proceeding
20.25	is admissible into evidence without further authentication and constitutes prima facie
20.26	evidence of its contents.
20.27	Subd. 4. Temporary suspension. (a) In addition to any other remedy provided by
20.28	law, the board may issue an order to temporarily suspend the credentials of a licensee after
20.29	conducting a preliminary inquiry to determine if the board reasonably believes that the
20.30	licensee has violated a statute or rule that the board is empowered to enforce and whether
20.31	continued practice by the licensee would create an imminent risk of harm to others.
20.32	(b) The order may prohibit the licensee from engaging in the practice of alcohol
20.33	and drug counseling in whole or in part and may condition the end of a suspension on
20.34	the licensee's compliance with a statute, rule, or order that the board has issued or is
20.35	empowered to enforce.

21.1	(c) The order shall give notice of the right to a hearing according to this subdivision
21.2	and shall state the reasons for the entry of the order.
21.3	(d) Service of the order is effective when the order is served on the licensee
21.4	personally or by certified mail, which is complete upon receipt, refusal, or return for
21.5	nondelivery to the most recent address of the licensee provided to the board.
21.6	(e) At the time the board issues a temporary suspension order, the board shall
21.7	schedule a hearing to be held before its own members. The hearing shall begin no later
21.8	than 60 days after issuance of the temporary suspension order or within 15 working
21.9	days of the date of the board's receipt of a request for hearing by a licensee, on the sole
21.10	issue of whether there is a reasonable basis to continue, modify, or lift the temporary
21.11	suspension. The hearing is not subject to chapter 14. Evidence presented by the board
21.12	or the licensee shall be in affidavit form only. The licensee or counsel of record may
21.13	appear for oral argument.
21.14	(f) Within five working days of the hearing, the board shall issue its order and, if the
21.15	suspension is continued, schedule a contested case hearing within 30 days of the issuance
21.16	of the order. Notwithstanding chapter 14, the administrative law judge shall issue a report
21.17	within 30 days after closing the contested case hearing record. The board shall issue a
21.18	final order within 30 days of receipt of the administrative law judge's report.
21.18	inal order within 50 days of receipt of the administrative law judges report.

22.5	(3) A licensee or applicant affected under this subdivision shall at reasonable
22.6	intervals be given an opportunity to demonstrate that the licensee or applicant can resume
22.7	the competent practice of licensed alcohol and drug counseling with reasonable skill

22.9	(4) In any proceeding under this subdivision, neither the record of proceedings

22.11	any other proceeding.
22.12	(b) In addition to ordering a physical or mental examination, the board may,

22.31	board has issued or has authority to enforce. The cease and desist order must state the

- 22.32 reason for its issuance and give notice of the person's right to request a hearing under
- 22.33 sections 14.57 to 14.62. If, within 15 days of service of the order, the subject of the order
- 22.34 <u>fails to request a hearing in writing, the order is the final order of the board and is not</u>
- 22.35 reviewable by a court or agency.

23.1	(b) A hearing must be initiated by the board not later than 30 days from the date
23.2	of the board's receipt of a written hearing request. Within 30 days of receipt of the
23.3	administrative law judge's report, and any written agreement or exceptions filed by the
23.4	parties, the board shall issue a final order modifying, vacating, or making permanent the
23.5	cease and desist order as the facts require. The final order remains in effect until modified
23.6	or vacated by the board.
23.7	(c) When a request for a stay accompanies a timely hearing request, the board may,
23.8	in the board's discretion, grant the stay. If the board does not grant a requested stay, the
23.9	board shall refer the request to the Office of Administrative Hearings within three working
23.10	days of receipt of the request. Within ten days after receiving the request from the board,
23.11	an administrative law judge shall issue a recommendation to grant or deny the stay. The
23.12	board shall grant or deny the stay within five working days of receiving the administrative

23.16	relief, including a civil penalty payable to the board, not to exceed \$10,000 for each
23.17	separate violation.
23.18	Subd. 2. Injunctive relief. In addition to any other remedy provided by law,
23.19	including the issuance of a cease and desist order under subdivision 1, the board may in
23.20	the board's own name bring an action in district court for injunctive relief to restrain an
23.21	alcohol and drug counselor from a violation or threatened violation of any statute, rule, or
23.22	order which the board has authority to administer, enforce, or issue.
23.23	Subd. 3. Additional powers. The issuance of a cease and desist order or injunctive
23.24	relief granted under this section does not relieve a counselor from criminal prosecution by
23.25	a competent authority or from disciplinary action by the board.
23.26	Sec. 20. [148F.100] COOPERATION.
23.27	An alcohol and drug counselor who is the subject of an investigation, or who
23.28	is questioned in connection with an investigation, by or on behalf of the board, shall

23.29 <u>cooperate fully with the investigation</u>. Cooperation includes responding fully to any

23.30 <u>question raised by or on behalf of the board relating to the subject of the investigation</u>,

23.31 whether tape recorded or not. Challenges to requests of the board may be brought before

23.32 <u>the appropriate agency or court.</u>

23.33 Sec. 21. [148F.105] PROHIBITED PRACTICE OR USE OF TITLES; PENALTY.

24.1	Subdivision 1. Practice. No person shall engage in alcohol and drug counseling
24.2	without first being licensed under this chapter as an alcohol and drug counselor. For
24.3	purposes of this chapter, an individual engages in the practice of alcohol and drug
24.4	counseling if the individual performs or offers to perform alcohol and drug counseling
24.5	services as defined in section 148F.010, subdivision 18, or if the individual is held out as
24.6	able to perform those services.
24.7	Subd. 2. Use of titles. (a) No individual shall present themselves or any other
24.8	individual to the public by any title incorporating the words "licensed alcohol and drug
24.9	counselor," "alcohol and drug counselor," or otherwise hold themselves out to the public
24.10	by any title or description stating or implying that they are licensed or otherwise qualified
24.11	to practice alcohol and drug counseling, unless that individual holds a valid license.
24.12	(b) An individual issued a temporary permit must use titles consistent with section
24.13	148F.035, subdivisions 1 and 2, paragraph (c), clause (3).
24.14	(c) An individual who is participating in an alcohol and drug counseling practicum
24.15	for purposes of licensure by the board may be designated an "alcohol and drug counselor
24.16	intern."
24.17	(d) Individuals who are trained in alcohol and drug counseling and employed by an
24.18	educational institution recognized by a regional accrediting organization, by a federal,
24.19	state, county, or local government institution, by agencies, or research facilities, may
24.20	represent themselves by the titles designated by that organization provided the title does
24.21	not indicate the individual is licensed by the board.
24.22	Subd. 3. Penalty. A person who violates sections 148F.001 to 148F.205 is guilty
24.23	of a misdemeanor.

Persons engaged in the practice 25.13 of alcohol and drug counseling are not exempt from the board's jurisdiction solely by the 25.14 25.15 use of one of the titles in paragraph (a). Subd. 2. Students. Nothing in sections 148F.001 to 148F.110 shall prevent students 25.16 enrolled in an accredited school of alcohol and drug counseling from engaging in the 25.17 practice of alcohol and drug counseling while under qualified supervision in an accredited 25.18 school of alcohol and drug counseling. 25.19 Subd. 3. Federally recognized tribes. Alcohol and drug counselors practicing 25.20 alcohol and drug counseling according to standards established by federally recognized 25.21 tribes, while practicing under tribal jurisdiction, are exempt from the requirements of this 25.22 25.23 chapter. 26.34 Sec. 25. [148F.125] COMPETENT PROVISION OF SERVICES.

27.1	Subdivision 1. Limits on practice. Alcohol and drug counselors shall limit their
27.2	practice to the client populations and services for which they have competence or for
27.3	which they are developing competence.
27.4	Subd. 2. Developing competence. When an alcohol and drug counselor is
27.5	developing competence in a service, method, procedure, or to treat a specific client
27.6	population, the alcohol and drug counselor shall obtain professional education, training,
27.7	continuing education, consultation, supervision, or experience, or a combination thereof,
27.8	necessary to demonstrate competence.
27.9	Subd. 3. Experimental, emerging, or innovative services. Alcohol and drug
27.10	counselors may offer experimental services, methods, or procedures competently and
27.11	in a manner that protects clients from harm. However, when doing so, they have a
27.12	heightened responsibility to understand and communicate the potential risks to clients, to
27.13	use reasonable skill and safety, and to undertake appropriate preparation as required in
27.14	subdivision 2.
27.15	Subd. 4. Limitations. Alcohol and drug counselors shall recognize the limitations
27.16	to the scope of practice of alcohol and drug counseling. When the needs of clients appear
27.17	to be outside their scope of practice, providers shall inform the clients that there may be
27.18	other professional, technical, community, and administrative resources available to them.
27.19	Providers shall assist with identifying resources when it is in the best interests of clients to
27.20	be provided with alternative or complementary services.
27.21	Subd. 5. Burden of proof. Whenever a complaint is submitted to the board
27.22	involving a violation of this section, the burden of proof is on the provider to demonstrate
27.23	that the elements of competence have reasonably been met.
27.24	Sec. 26. [148F.130] PROTECTING CLIENT PRIVACY.
27.25	Subdivision 1. Protecting private information. The provider shall safeguard
27.26	private information obtained in the course of the practice of alcohol and drug counseling.
27.27	Private information may be disclosed to others only according to section 148F.135, or
27.28	with certain exceptions as specified in subdivisions 2 to 13.
27.29	Subd. 2. Duty to warn; limitation on liability. Private information may be
27.30	disclosed without the consent of the client when a duty to warn arises, or as otherwise
27.31	provided by law or court order. The duty to warn of, or take reasonable precautions to
27.32	provide protection from, violent behavior arises only when a client or other person has
27.33	communicated to the provider a specific, serious threat of physical violence to self or a
27.34	specific, clearly identified or identifiable potential victim. If a duty to warn arises, the duty
27.35	is discharged by the provider if reasonable efforts are made to communicate the threat to

law enforcement agencies, the potential victim, the family of the client, or appropriate 28.1 28.2 third parties who are in a position to prevent or avert the harm. No monetary liability and no cause of action or disciplinary action by the board may arise against a provider 28.3 for disclosure of confidences to third parties, for failure to disclose confidences to third 28.4 parties, or for erroneous disclosure of confidences to third parties in a good faith effort to 28.5 warn against or take precautions against a client's violent behavior or threat of suicide. 28.6 Subd. 3. Services to group clients. Whenever alcohol and drug counseling 28.7 services are provided to group clients, the provider shall initially inform each client of the 28.8 provider's responsibility and each client's individual responsibility to treat any information 28.9 gained in the course of rendering the services as private information, including any 28.10 limitations to each client's right to privacy. 28.11 Subd. 4. Obtaining collateral information. Prior to obtaining collateral 28.12 information about a client from other individuals, the provider shall obtain consent from 28.13 the client unless the consent is not required by law or court order, and shall inform the 28.14 28.15 other individuals that the information obtained may become part of the client's records and may therefore be accessed or released by the client, unless prohibited by law. 29.17	regarding alcohol and drug counseling services, the provider or another individual
29.18	designated by the provider may, with oral consent from the potential client, contact third
29.19	parties to determine payment or benefits information, arrange for precertification of

32.6	Subd. 5. Absence from practice. Nothing in this section requires the provider to
32.7	terminate a client due to an absence from practice that is the result of a period of illness
32.8	or injury that does not affect the provider's ability to practice with reasonable skill and
32.9	safety, as long as arrangements have been made for temporary counseling services that
32.10	may be needed by the client during the provider's absence.

33.13	(2) familial;
33.14	(3) one in which there has been personal involvement with the client or family
