1.9 "Sec. 18. **GRADUATE MEDICAL EDUCATION REPORT.**

1.10 The Board of Regents of the University of Minnesota, working in conjunction
1.11 with the Office of Higher Education, is requested to submit a report on the funding
1.12 and distribution of graduate medical education and residency programs in Minnesota,
1.13 including but not limited to, graduate family medicine education programs, family practice
1.14 resident physician programs, and rural primary care physician programs. At a minimum,
1.15 this report must include an analysis of funding and other approaches to graduate education
1.16 programs by public higher education institutions, sources of funding for graduate medical
1.17 education, stipend payments per residency, geographic distribution of residents and
1.18 any administrative or other costs of the programs. The report must be submitted to the
1.19 committees of the legislature with responsibility for higher education finance and health
1.20 and human services finance by January 15, 2013.

1.21 **EFFECTIVE DATE.** This section is effective the day following final enactment."

1.22 Renumber the sections in sequence and correct the internal references

1.23 Amend the title accordingly
