

1.1 moves to amend H.F. No. 2293, a document labeled H2293UE1,
1.2 as follows:

1.3 Page 2, line 10, after the period, insert "(a)"

1.4 Page 3, after line 25, insert:

1.5 "(b) The department must develop a statewide plan by February 1, 2013, to reduce
1.6 districts' use of restrictive procedures that includes: measurable goals; the resources,
1.7 training, technical assistance, mental health services, and collaborative efforts needed to
1.8 significantly reduce districts' use of prone restraints; and recommendations to clarify
1.9 and improve the law governing districts' use of restrictive procedures. The department
1.10 must convene interested stakeholders to develop the statewide plan and identify the need
1.11 for technical assistance, including representatives of advocacy organizations, special
1.12 education directors, intermediate school districts, school boards, day treatment providers,
1.13 state human services department staff, mental health professionals, and autism experts. To
1.14 assist the department and stakeholders under this paragraph, school districts must report
1.15 summary data to the department by July 1, 2012, on districts' use of restrictive procedures
1.16 during the 2011-2012 school year, including data on the number of incidents involving
1.17 restrictive procedures, the total number of students on which restrictive procedures were
1.18 used, the number of resulting injuries, relevant demographic data on the students and
1.19 school, and other relevant data collected by the district."
