

1.1 moves to amend H.F. No. 2568, the second engrossment, as follows:

1.2 Page 4, line 23, after the period insert "All actions in which data in the system
1.3 are entered, updated, accessed, or shared or disseminated outside of the system, must
1.4 be recorded in a data audit trail. The audit trail must identify the user responsible for
1.5 the action, and the date and time the action occurred. Data contained in the audit trail
1.6 maintain the same classification as the underlying data that was affected by the action,
1.7 and may be accessed by the responsible authority at any time for purposes of auditing the
1.8 system's user activity and security safeguards."
