1.20 **CARE SERVICES.**

1.21 The commissioner of labor and industry shall establish pilot programs to develop
1.22 competency standards for apprenticeship programs in precision manufacturing and health
1.23 care services. The pilot programs shall be administered by the registered apprenticeship
1.24 program within the Department of Labor and Industry. In establishing the pilot programs,
1.25 the commissioner may convene recognized industry experts and representative employers
1.26 to assist in defining credible competency standards acceptable to the information
1.27 technology and health care services industries.

2.1 Sec. ... **PILOT PROGRAM; INFORMATION TECHNOLOGY.**

2.2 The commissioner of employment and economic development shall establish a pilot
2.3 program to develop competency standards for an information technology apprenticeship
2.4 program. In establishing the pilot program, the commissioner may convene recognized
2.5 industry experts and representative employers to define credible competency standards
2.6 acceptable to the information technology industry.

2.7 Sec. ... **OUTCOMES.**

2.8 The outcomes expected from each of the pilot programs listed in sections 1 and
2.9 2 include:

2.10 (1) establishment of competency standards for entry level and at least two additional
2.11 higher skill levels for apprenticeship training in each industry;

2.12 (2) verification of competency standards and skill levels and their transferability by
2.13 representatives of each respective industry;

2.14 (3) clarification of ways for Minnesota educational institutions to engage in
2.15 providing training to meet the competency standards established; and

2.16 (4) participation from the identified industry sectors."
