

Dear Education Finance Committee Chair Youakim and Members of the Committee,

I am writing to oppose HF1269 that would eliminate private Christian schools from the options that have for PSEO. As a man of faith it is crucial to me that my children can attend an institution that reflects our values and doesn't actively oppose them. Please leave it up to the public school and homeschool families where they want to attend PSEO for their education.

Thank you for your attention to this matter.

This is my written testimony and I'm asking for you to add this to the written record.

Sincerely,
John Huss
