## Bill Description

The Bill creates an additional supervisory unit within the state appropriate unit assignments and calls for the Bureau to determine inclusion and conduct an election.

## Assumptions

The Bureau conducts elections for appropriate units through in person and mail ballot elections. For a group of employees who's work sites are at multiple locations mail ballot elections are the normal. Preparing for and conducting elections where there are 80 to 100 eligible voters is not outside the normal operation of the Bureau.
