

# FILMNORTH

A permanent home at 2441 University Avenue West, Saint Paul, Minnesota.

~10,000 square feet education and training facility, including:

- A 54-seat digital screening room cinema
- State-of-the-art digital sound and video editing suites
- Classrooms
- Offices
- Home base for statewide film production workforce development project in partnership with Migizi

An additional ~14,000 square feet managed in an innovative partnership with D/O Architects including space leased to complimentary creative businesses.

- Sustainable, adaptive re-use of an historic building
- Historic and New Market Tax Credits provide 59% of \$12 million cost
- D/O Architects design

## CALL TO ACTION

Help FilmNorth secure \$3 million in cash bonding to complete this \$12 million capital project.

# FILMNORTH

## TIMELINE

### MISSION CRITICAL IMPACT

- Expand youth programs
- Create a home for the nation’s leading film festivals by Native American, Hmong, and Arab filmmakers.
- Expand Sundance Institute partnership – one of only 30 Sundance sites nationwide

### FILMNORTH CINEMA

- A 54-seat, state-of-the-art digital sound and video presentation space/lecture classroom
- The only one of its kind in the area and the only cinema in this Saint Paul neighborhood
- The site is located on the Green Line nestled within the Creative Enterprise Zone, a lively business district

### FILMNORTH OUTDOOR CINEMA - Phase II

- A creative, flexible outdoor screening area for warm-weather events
