

Subject Teacher Preparation Time

Authors Keeler and Others

Analyst Cristina Parra

Date February 21, 2023

Overview

This bill modifies teacher preparation time requirements. It requires additional preparation time and requires the time to be provided in one or two interrupted blocks of time.

Summary

Section	Description
---------	-------------

1	Preparation time.
---	--------------------------

Modifies preparation time requirements.

Subd. 1. Preparation time. Requires five additional minutes of preparation time per every 17 minutes of classroom instructional time.

Subd. 2. Uninterrupted blocks of preparation time. Requires preparation time to be provided in one or two uninterrupted blocks unless the district and exclusive representative agree otherwise.

Subd. 3. Additional preparation time. Requires additional preparation time for teachers with additional professional engagements.

Subd. 4. Flexible learning plans. Encourages districts to explore flexible learning plans to meet preparation time requirements.
