# United Family Medicine Residency Program

Our mission is **To Serve & To Teach**. We strive to meet the needs of the residents of Saint Paul, Minnesota and beyond, delivering high quality, comprehensive care to people of all income levels and focusing on meeting the needs of the **medically uninsured, underinsured, and underserved members of our community.**

# UFMR – Allina Health Partnership

\$501K per year | \$1.02M per biennium

For a grant to United Family Medicine residency program. This appropriation shall be used to support up **to 21 resident physicians each year** in family practice at United Family Medicine residency programs and **shall prepare doctors to practice family care medicine in underserved rural and urban areas of the state. It is intended that this program will improve health care in underserved communities, provide affordable access to appropriate medical care, and manage the treatment of patients in a cost-effective manner.**

# UFMR – Program Update

Dr. Ravi Balasubrahmanyam

The United Family Medicine Residency Program is accredited by the ACGME and approved for 21 residency positions distributed over 3 years (7- 7- 7). All residency positions are currently filled.

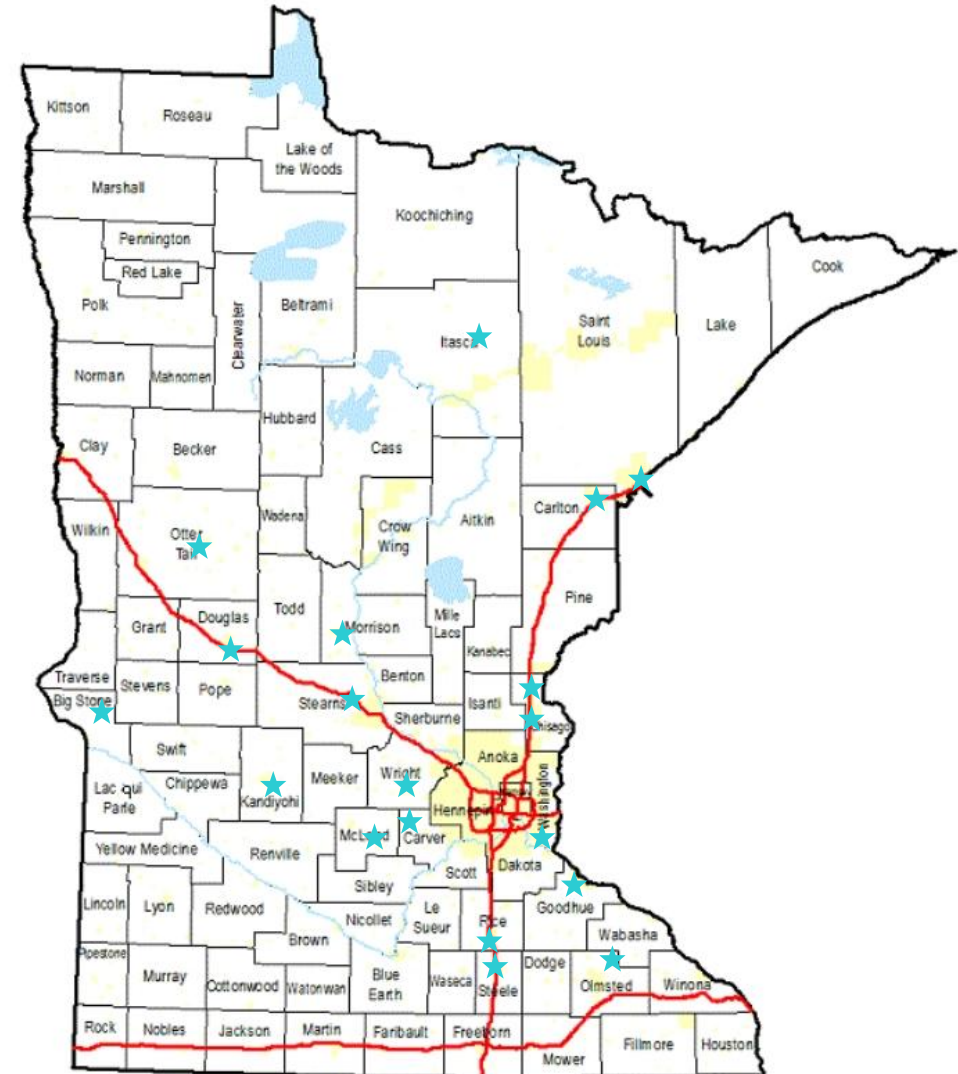

Each year, the UFMR program receives **over 200 applications** from prospective residents across the country.

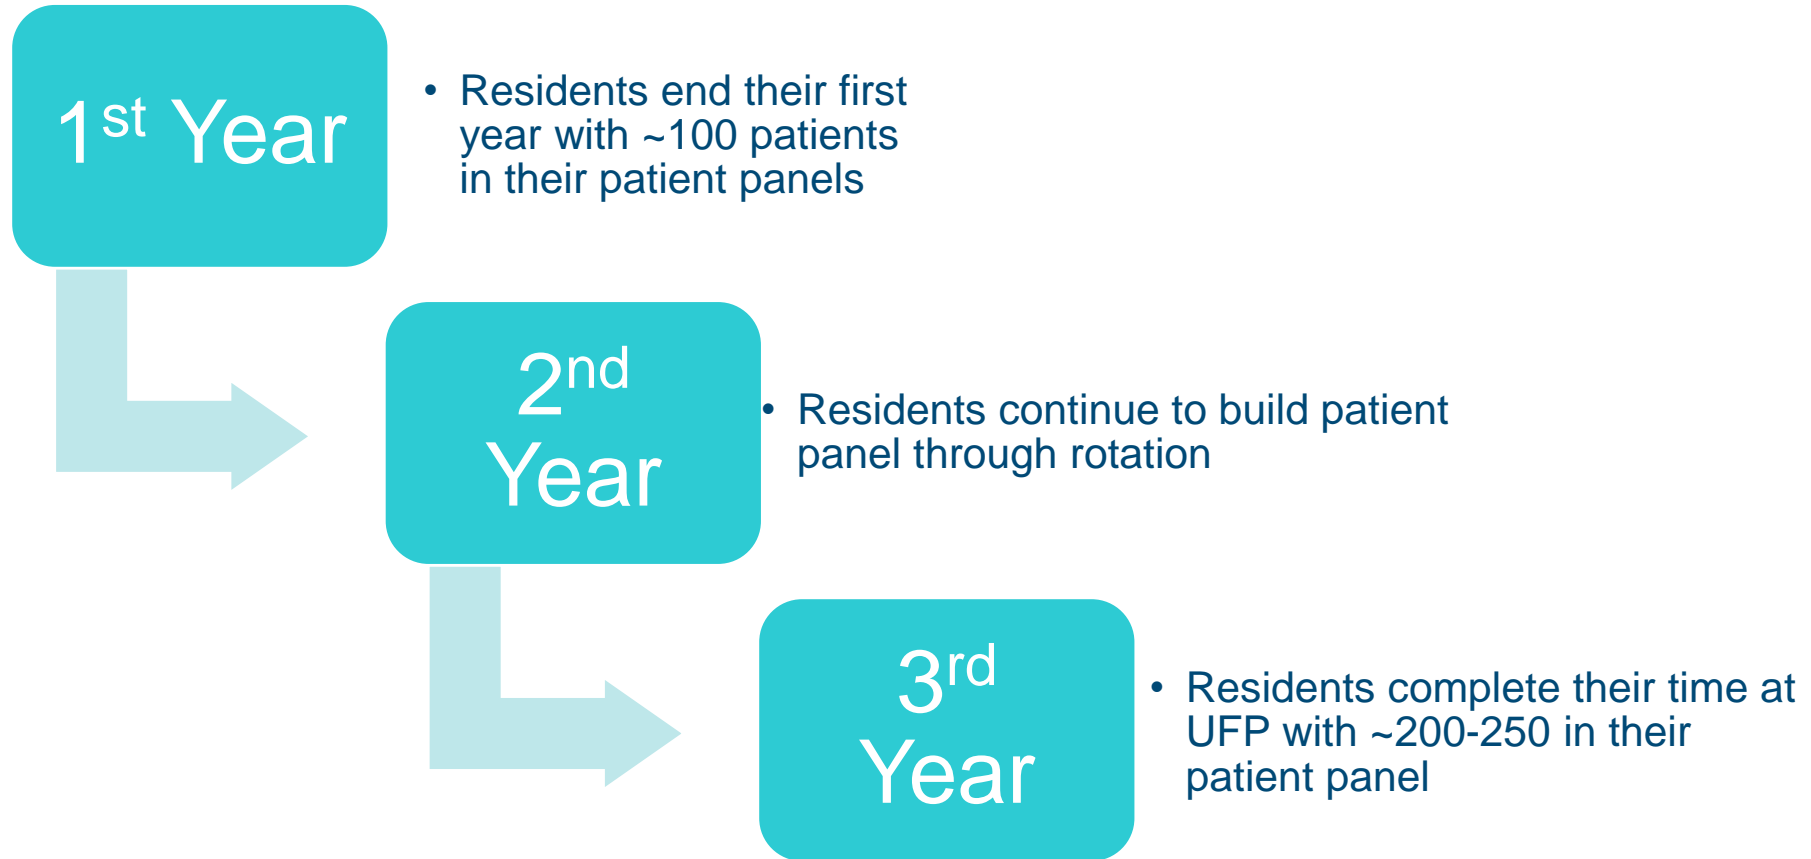

In 2024, UFMR received 268 applications and interviewed 91 applicants for the 7 available residency positions in June.
