## Summary

Makes an appropriation of \$275,000 in fiscal year 2023, from the general fund, for a grant to the University of Minnesota Tourism Center to create and operate an online hospitality training program in partnership with Explore Minnesota Tourism. Requires this program to be available at no cost to Minnesota residents. Stipulates that \$25,000 of the appropriation is for maintenance and management of program technology and that that portion of the appropriation continues in the base.
