Bill Description

The bill requires the Department of Administration (Admin) to perform a study of a program that will allow eligible family members of military service members who died while on active duty and public safety officers who died in the line of duty to be issued one United States and one Minnesota flag that has been flown over the Minnesota State Capitol Building free of charge. Each flag will be accompanied by a certificate memorializing the flag flying occasion. For subsequent flags requested by eligible family members, the Commissioner of the Department of Administration may charge a reasonable fee not exceeding the cost of providing and flying the flag and preparing the certificate. By September 1, 2021 Admin shall implement a pilot program to fly up to 50 flags for eligible family members as part of the study. Flags used in the pilot program shall be provided by the sponsoring party, the family requesting the flag, or a third party. The commissioner must report the results of the study to the legislature by January 15th 2022. The Capitol Flag Program is then implemented effective July 1, 2022.

Assumptions

- This fiscal note provides financial impact analysis for the proposed Capitol Flag Program study and report only.
- The house, senate and constitutional officers will verify eligibility of deceased family members.
- The house, senate and constitutional officers will verify eligibility of family members making flag requests.
- 50 (4'X6' Capitol building spec nylon) flags are estimated to be flown during the study period.
- Flags for the pilot program will be provided by the sponsoring party, the family, or a third party.
- Flags will match the 4'X6' nylon Size Spec for the Capitol Building.
- Every flag in the pilot program will be mailed directly to the eligible family member(s) or the legislator/constitutional officer the family requests to present them the flag, and Admin will incur the costs of First Class U.S. postage.
- Government officials and/or their political subdivisions will be responsible for the costs associated with their conveyance of the flag(s) to the eligible family member.

- A Customer Service Specialist Sr. will receive and log flag requests, schedule flag raisings, track status, and package and mail flags.
- A Groundskeeper Int. will bring flags to the pole, raise and lower flags, fold flags, and return to Customer Service Specialist Sr.
- The portions of the study including coordinating with agencies named in the bill, developing recommendations, and preparing the report will be completed by in-house staff, and the time commitment and costs are expected to be minimal and will be absorbed.
- Cost of certificates and the Groundskeeper Int. will be absorbed by Admin. These costs are minimal and the services are similar to the work Admin already performs.
- Future gift revenue and the quantity of flags to be distributed beginning with the implementation of the program on July 1, 2022 are not possible to accurately estimate. Costs to implement the program will be determined as part of the study to be reported on by January 15, 2022.

Expenditure and/or Revenue Formula

Estimated unabsorbed costs for the study phase:

\$348 for postage (50 flags x \$6.95)

\$856 for .01 FTE Customer Service Specialists Sr. salary and benefits. FTE is based on 0.5 hours x 50 flags.

\$1,204 Total

Estimated costs to be absorbed by Admin for the study phase:

\$50 for certificates (\$50 x \$1)

\$823 for .01 FTE Groundskeeper Int. salary and benefits. FTE is based on 0.25 hours x 50 flags.

\$873 Total

Long-Term Fiscal Considerations

As mentioned previously, the number of flags to be requested and delivered upon implementation of the program on July 1, 2022 and the corresponding total costs cannot be accurately estimated.

Bill Description

The bill implements a new program where a Minnesota state flag and an American flag that were flown over the Minnesota State Capitol are given to the surviving family members of a public safety officer killed in the line of duty or a member of the United States armed forces that died during active duty. The House and Senate and state constitutional offices must adopt procedures for the administration of flag requests received. Legislative members may present flags to surviving family members in the event that flags are not presented by the Minnesota Department of Administration.

The Department of Administration, in consultation with the Legislative Coordinating Commission (LCC) and the state offices of Veterans Affairs, Military Affairs and Public Safety must study and develop recommendations to implement a Capitol flag program. The Department of Administration will implement the pilot program by September 1, 2021 and report to the legislature by January 15, 2022.

Assumptions

1. The House and Senate will develop procedures as a part of the normal course of operations during FY22 interim. Nominal costs will be absorbed by the House and Senate.
2. The cost associated with conveyance of flags by legislative members to surviving family members will be done as a part of member constituent services. Nominal cost will be absorbed by the House and Senate.
3. LCC staff will participate in the development of the study and recommendations for the pilot project. Nominal cost will be absorbed.

Bill Description

The proposed bill will establish a Capitol flag program for families of military service members and first responders who die in the line of duty. Beginning July 1, 2022, the Commissioner of Administration shall issue a Minnesota state flag or American flag that was flown over the Capitol to an eligible family member who requests a flag. Eligible family members include a surviving spouse, parent or legal guardian, child, or sibling of (i) a public safety officer killed in the line of duty or (ii) a person who has died while serving honorably in active service in the United States armed forces. The family of a public safety officer killed in the line of duty or service member of the United States armed forces who died in active service is entitled to receive one flag free of charge under this section. If an eligible family member requests additional flags, the commissioner may charge the person a reasonable fee that does not exceed the actual cost of the flag and certificate memorializing the occasion.

The proposed bill requires the commissioner of administration, in consultation with the Legislative Coordinating Commission and the commissioners of veterans affairs, military affairs, and public safety, must study and develop recommendations to implement a Capitol flag program consistent with the program enacted in Minnesota Statutes, section 16B.276. By September 1, 2021, the commissioner of administration shall implement a pilot program to fly up to 50 flags for eligible family members as part of the study. The commissioner must report the results of the study and pilot program, including any recommendations, to the chairs and ranking minority members of the legislative committees with jurisdiction over state government finance and veterans affairs no later than January 15, 2022

Assumptions

Administrative costs to manage the proposed bill will be negligible. The Minnesota Army and Air National Guard personnel sections will conduct and provide eligibility determinations for families of service members of the United States armed forces who died in active service.

Administrative costs to participate in the required study and pilot program will be negligible. The Minnesota Army and Air National Guard personnel sections and MDMA staff will participate in the development of the study and pilot program.

Bill Description

This bill is establishing a Capitol flag program for families of military service members and first responders who die in the line of duty; providing a Capitol flag program study and pilot program and proposing coding for for a new law in Minnesota Statutes, chapter 16B.

Assumptions

The Department of Administration will conduct the study. The Department of Public Safety's role is to provide consultation. There will not be any fiscal impact to the Department of Public Safety.
