SUPPORT FOR SEWA-AIFW

Dear Mr Fue Lee,

Firstly, thank you for your tremendous leadership and we really appreciate all the work you are doing.

During the crisis in our beautiful Twin Cities, may it be during the George Floyd episode or the two years of Pandemic, we have worked closely with SEWA-AIFW to provide hot home cooked meals, cultural events and many other items of grocery for people of need.

SEWA AIFW has done an amazing job in understanding the needs of the community and then supporting it.

We have seen a lack of proper facilities and infrastructure with SEWA and we as residents of Twin cities and also a start-up closely watching the amazing work from SEWA, full support and request investment into the improving the facilities that SEWA can operate in.

Warm Regards

Mrs Mitun Gupta

Co-Founder, Mother and Resident of Twin Cities
