

1.1 moves to amend Revisor No. 13-2993 as follows:

1.2 Page 9, line 13, strike everything after "(b)" and insert "The license holder must
1.3 place the infant in a crib directly on a firm mattress with a fitted sheet that is appropriate
1.4 to the mattress size, that fits tightly on the mattress, and overlaps the underside of the
1.5 mattress so it cannot be dislodged by pulling on the corner of the sheet with reasonable
1.6 effort. The license holder must not place anything in the crib with the infant except for the
1.7 infant's pacifier. For the purposes of this section a pacifier is defined as a synthetic nipple
1.8 designed for infant sucking with nothing attached to it."

1.9 Page 9, strike lines 14 and 15

1.10 Page 9, line 16, delete the new language and strike old language

1.11 Page 9, line 17, delete the new language and strike "or other soft products in the
1.12 crib with the infant."
