Re: SUPPORT H.F. 127

Dear Members,

Minnesota Family Council represents tens of thousands of families across the state, and on their behalf, we urge you to support H.F. 127 of the Protect Minnesota Kids Act.

H.F. 127 increases the penalties of possession, receipt, or sale of child pornography and creates mandatory terms of probation as a minimum for possession of child pornography.

It's long past time to create greater protections in Minnesota statute for children against child pornography, which has become rampant through digital access in recent decades.<sup>1</sup> Children deserve justice against sexual exploitation. Please vote **yes** in support of H.F. 127.

Sincerely,  
Rebecca Delahunt  
Director of Public Policy
