31.23 Subdivision 1. **Catalog, brochure, or electronic display.** (a) A private career school  
31.24 or its agent must provide the catalog, brochure, or electronic display required in this section  
31.25 ~~136A.822, subdivision 10~~, to a prospective student in a time or manner that gives the

32.28 Sec. 48. Minnesota Statutes 2024, section 136A.827, subdivision 1, is amended to read:

32.29 Subdivision 1. **Student.** For the purposes of this section, "student" means the party to  
32.30 the contract, whether the party is the student, the student's parent or guardian, or other person

33.1 on behalf of the student. If there is no contract, student means the party who has been  
33.2 accepted into the course or program.

33.3 Sec. 49. Minnesota Statutes 2024, section 136A.827, subdivision 4, is amended to read:

33.4 Subd. 4. **Proration.** (a) When a student has been accepted by a private career school  
33.5 and gives notice of cancellation after the program of instruction has begun, the student is  
33.6 entitled to a refund if, at the last documented date of attendance, the student has not completed  
33.7 at least 75 percent of the entire program of instruction. For purposes of this subdivision,  
33.8 program of instruction is calculated under paragraph (c) or (d). Program of instruction does  
33.9 not mean one term, a payment period, a module, or any other portion of the entire  
33.10 instructional program.

33.11 (b) A notice of cancellation from a student under this subdivision must be confirmed in  
33.12 writing by the private career school and mailed to the student's last known address. The  
33.13 confirmation from the school must state that the school has withdrawn the student from  
33.14 enrollment, ~~and if this action was not the student's intent, the student must contact the school.~~

33.15 (c) The length of a program of instruction for a program that has a defined calendar start  
33.16 and end date that does not change after the program has begun equals the number of days  
33.17 from the first scheduled date of the program through the last scheduled date of the program.  
33.18 To calculate the completion percentage, divide the number of calendar days from the first  
33.19 date of the program through the student's last documented date of attendance by the length  
33.20 of the program of instruction, and truncate the result after the second digit following the  
33.21 decimal point. If the completion percentage is less than 75 percent, the private career school  
33.22 may retain:

33.23 (1) tuition, fees, and charges equal to the total of tuition, fees, and charges multiplied  
33.24 by the completion percentage; plus

33.25 (2) the initial program application fees, not to exceed \$50; plus

33.26 (3) the lesser of (i) 25 percent of the total tuition, or (ii) \$100.

33.27 (d) The length of a program of instruction for a program that is measured in clock hours  
33.28 equals the number of clock hours the student was scheduled to attend. To calculate the  
33.29 completion percentage, divide the number of clock hours that the student actually attended  
33.30 by the length of the program of instruction, and truncate the result after the second digit  
33.31 following the decimal point. If the completion percentage is less than 75 percent, the private  
33.32 career school may retain:

34.1 (1) tuition, fees, and charges equal to the total of tuition, fees, and charges multiplied  
34.2 by the completion percentage; plus

34.3 (2) the initial program application fees, not to exceed \$50; plus

34.4 (3) the lesser of (i) 25 percent of the total tuition, or (ii) \$100.

34.5 Sec. 50. Minnesota Statutes 2024, section 136A.828, subdivision 6, is amended to read:

34.6 Subd. 6. **Financial aid payments Transcripts.** ~~(a) All private career schools must~~  
34.7 ~~collect, assess, and distribute funds received from loans or other financial aid as provided~~  
34.8 ~~in this subdivision.~~

34.9 ~~(b) Student loans or other financial aid funds received from federal, state, or local~~  
34.10 ~~governments or administered in accordance with federal student financial assistance programs~~  
34.11 ~~under title IV of the Higher Education Act of 1965, as amended, United States Code, title~~  
34.12 ~~20, chapter 28, must be collected and applied as provided by applicable federal, state, or~~  
34.13 ~~local law or regulation.~~

34.14 ~~(c) Student loans or other financial aid assistance received from a bank, finance or credit~~  
34.15 ~~card company, or other private lender must be collected or disbursed as provided in~~  
34.16 ~~paragraphs (d) and (e).~~

34.17 ~~(d) Loans or other financial aid payments for amounts greater than \$3,000 must be~~  
34.18 ~~disbursed:~~

34.19 ~~(1) in two equal disbursements, if the term length is more than four months. The loan~~  
34.20 ~~or payment amounts may be disbursed no earlier than the first day the student attends class~~  
34.21 ~~with the remainder to be disbursed halfway through the term; or~~

34.22 ~~(2) in three equal disbursements, if the term length is more than six months. The loan~~  
34.23 ~~or payment amounts may be disbursed no earlier than the first day the student attends class,~~  
34.24 ~~one-third of the way through the term, and two-thirds of the way through the term.~~

34.25 ~~(e) Loans or other financial aid payments for amounts less than \$3,000 may be disbursed~~  
34.26 ~~as a single disbursement on the first day a student attends class, regardless of term length.~~

34.27 ~~(f) No private career school may enter into a contract or agreement with, or receive any~~  
34.28 ~~money from, a bank, finance or credit card company, or other private lender, unless the~~  
34.29 ~~private lender follows the requirements for disbursements provided in paragraphs (d) and~~  
34.30 ~~(e).~~

35.1 (g) No private career school may withhold an official transcript for arrears or default on  
35.2 any loan made by the private career school to a student if the loan qualifies as an institutional  
35.3 loan under United States Code, title 11, section 523(a)(8)(b).

35.4 Sec. 51. Minnesota Statutes 2024, section 136A.829, subdivision 1, is amended to read:

35.5 Subdivision 1. **Grounds.** The office may, after notice and upon providing an opportunity  
35.6 for a hearing, under chapter 14 if requested by the parties adversely affected, refuse to issue,  
35.7 refuse to renew, revoke, or suspend a license or solicitor's permit for any of the following  
35.8 grounds:

35.9 (1) violation of any provisions of sections 136A.821 to 136A.833 or any rule adopted  
35.10 by the office;

35.11 (2) furnishing to the office false, misleading, or incomplete information;

35.17 to have committed fraud or any other material violation of law involving federal, state, or  
35.18 local government funds;

35.19 (6) the existence of any circumstance that would be grounds for the refusal of an initial  
35.20 or renewal license under section 136A.822; or

35.21 (7) using fraudulent or coercive practices, whether in the course of business in this state  
35.22 or elsewhere.

35.23 Sec. 52. Minnesota Statutes 2024, section 136A.829, subdivision 3, is amended to read:

35.24 Subd. 3. **Powers and duties.** The office shall have (in addition to the powers and duties  
35.25 now vested therein by law) the following powers and duties:

35.27 in other states, if in the judgment of the office such agreements are or will be helpful in  
35.28 effectuating the purposes of Laws 1973, chapter 714;

35.29 (b) To grant conditional private career school license ~~for periods of less than one year~~  
35.30 if in the judgment of the office correctable deficiencies exist at the time of application and  
35.31 when ~~refusal to issue private career school license would adversely affect currently enrolled~~

36.1 ~~students~~ the risk of harm to students can be minimized through the use of restrictions and  
36.2 requirements as conditions of the license. Conditional licenses may include requirements  
36.3 and restrictions for:

36.4 (1) periodic monitoring and submission of reports on the school's deficiencies to ascertain  
36.5 whether compliance improves;

36.6 (2) periodic collaborative consultations with the school on noncompliance with sections  
36.7 136A.82 to 136A.834 or how the institution is managing compliance;

36.24 person or persons holding or claiming to hold a license or permit. However, before proceeding  
36.25 to a hearing on the question of whether a license or permit shall be refused, revoked or  
36.26 suspended for any cause enumerated in subdivision 1, the office shall grant a reasonable  
36.27 time to the holder of or applicant for a license or permit to correct the situation. If within  
36.28 such time the situation is corrected and the private career school is in compliance with the  
36.29 provisions of sections 136A.82 to 136A.834, no further action leading to refusal, revocation,  
36.30 or suspension shall be taken.

36.31 ~~(d) To grant a private career school a probationary license for periods of less than three~~  
36.32 ~~years if, in the judgment of the office, correctable deficiencies exist at the time of application~~

38.30 and student recruitment. Exemptions denied under this section are subject to appeal under  
38.31 section 136A.829. If an appeal is initiated, the denial of the exemption is not effective until  
38.32 the final determination of the appeal, unless immediate effect is ordered by the court.

38.33 (b) A school that meets any of the exemptions in this section and exclusively seeks to  
38.34 be listed on the eligible training provider list, access WIOA funding, or receive the dual

39.1 training grant, is exempt from sections 136A.822 to 136A.834, except the school must

40.9 to read:

40.10 Subd. 6. **Handling of uncashed distribution checks.** Unless otherwise directed by the

40.13 from which the check was originally disbursed. The amount being credited will be accounted  
40.14 for as a new contribution and will be invested by the plan administrator according to the
