

Minnesota Department of Public Safety

Minnesota Department of Public Safety Revised Supplemental Budget Request

Minnesota Department of Public Safety

State Patrol - Deficiency

- Funding to cover the cost associated with responding to and providing security at unexpected large-scale events at the State Capitol and ongoing Capitol Security cost.

\$3,780,000 FY22 – General Fund

Vest Reimbursement Program

- Funding to cover the backlog for soft body armor reimbursement applications.

\$400,000 FY23 – FY24 \$205,000

Minnesota State Patrol

State Patrol Helicopter Replacement

- The new helicopter would be safer and better equipped to conduct rescue operations.

\$13,850,000 FY23 | FY 24 \$850,000

Federal Match for Commercial Vehicle Enforcement

- Funding to increase commercial vehicle enforcement activities, including monitoring of weight stations, lane enforcement, and school bus inspections.

\$5,064,000 FY23 | FY24 \$5,064,000

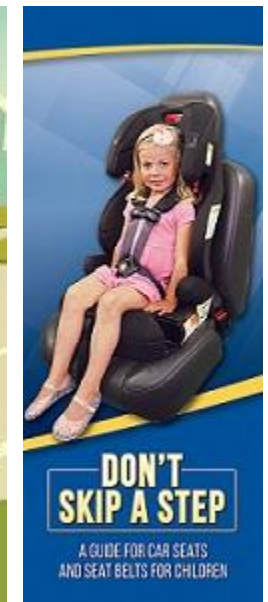

Office of Traffic Safety

Minnesota Advisory Council on Traffic Safety and Expanded Traffic Safety Initiatives

- Creation of the Advisory Council on Traffic Safety. Bring together large group of stakeholders to coordinate and improve Statewide traffic safety initiatives, assisting the State's TZD program, and expanding the amount of grants provided to safe road coalitions.
- Expand current traffic grants, public outreach, media, and education efforts.

\$4,000,000 FY23 | FY24 \$4,000,000
