**Bill Description**

Related to fraud prevention; requiring Licensing Boards to take action for additional areas of convictions of certain theft or fraud offenses.

**Assumptions**

The Health Professionals Regulatory Boards (Boards) currently regulate licensees and applicants for their respective Board. Each Board has well established internal procedures and obligations for enforcement of the laws and rules of the State of Minnesota including those established within individual Board practice acts and all relevant state statute including MN Statute 214.10 subd. 2a. The bill's proposal to include additional sections of statute as violations the Boards are required to take action against is not expected to have a fiscal impact. The Boards expect the volume of cases related to the additional convictions to not be unduly burdensome to the existing processes.

**Bill Description**

This bill adds violations that will result in a suspended or revoked license, or refusal of a new license for a licensee under a licensing board defined in Minnesota Statutes, section 214.01.

**Assumptions**

The Minnesota Department of Health (MDH) manages the Office of Unlicensed Complementary and Alternative Health care, which is listed as a Health-related licensing board under Minnesota Statutes, section. 214.01.

Under Minnesota Statutes, chapter 146A, the Office of Unlicensed Complementary and Alternative Health care does not issue licenses to practitioners. This office does not issue licenses, and because the bill relates to those with licenses, it does not apply to MDH. The department can and does investigate complaint allegations and would have the right to suspend a practitioner’s right to practice or may inform the local jurisdiction of the investigative findings under Minnesota Statutes, section 146A.09. However, this bill proposes new circumstances where a board must suspend, revoke, or deny a license, where again, this provision does not apply to MDH.

**Bill Description**

Section 1 Adds sections 256.98, 609.496, 609.497, and 609.542 to the list of convictions that require investigation/disciplinary action. It also establishes the day of effective date as one day after enactment.

**Assumptions**

PELSB currently has a process for investigating complaints that is similar to what is outlined. This change would not have a fiscal impact on our agency.
