1.3 "Sec. Minnesota Statutes 2024, section 144.291, subdivision 2, is amended to read:

1.4 Subd. 2. **Definitions.** For the purposes of sections 144.291 to 144.298, the following
1.5 terms have the meanings given.

1.6 (a) "Group purchaser" has the meaning given in section 62J.03, subdivision 6.

1.7 (b) "Health information exchange" means a legal arrangement between health care
1.8 providers and group purchasers to enable and oversee the business and legal issues involved
1.9 in the electronic exchange of health records between the entities for the delivery of patient
1.10 care.

1.11 (c) "Health record" means any information, whether oral or recorded in any form or
1.12 medium, that relates to the past, present, or future physical or mental health or condition of
1.13 a patient; the provision of health care to a patient; or the past, present, or future payment
1.14 for the provision of health care to a patient.

1.15 (d) "Identifying information" means the patient's name, address, date of birth, gender,
1.16 parent's or guardian's name regardless of the age of the patient, and other nonclinical data
1.17 which can be used to uniquely identify a patient.

1.18 (e) "Individually identifiable form" means a form in which the patient is or can be
1.19 identified as the subject of the health records.

1.20 (f) "Medical emergency" means medically necessary care which is immediately needed
1.21 to preserve life, prevent serious impairment to bodily functions, organs, or parts, or prevent
1.22 placing the physical or mental health of the patient in serious jeopardy.

(g) "Patient" means a natural person who has received health care services from a provider for treatment or examination of a medical, psychiatric, or mental condition, the surviving spouse and parents of a deceased patient, or a person the patient appoints in writing as a representative, including a health care agent acting according to chapter 145C, unless the authority of the agent has been limited by the principal in the principal's health care directive. Except for minors who have received health care services under ~~sections~~ section 144.341 to 144.347 or 144.342, in the case of a minor, patient includes a parent or guardian, or a person acting as a parent or guardian in the absence of a parent or guardian.

(h) "Patient information service" means a service providing the following query options: a record locator service as defined in paragraph (j) or a master patient index or clinical data repository as defined in section 62J.498, subdivision 1.

(i) "Provider" means:

(1) any person who furnishes health care services and is regulated to furnish the services under chapter 147, 147A, 147B, 147C, 147D, 148, 148B, 148D, 148F, 150A, 151, 153, or 153A;

(2) a home care provider licensed under section 144A.471;

(3) a health care facility licensed under this chapter or chapter 144A;

(4) an assisted living facility licensed under chapter 144G; and

(5) a physician assistant registered under chapter 147A.

(j) "Record locator service" means an electronic index of patient identifying information that directs providers in a health information exchange to the location of patient health records held by providers and group purchasers.

(k) "Related health care entity" means an affiliate, as defined in section 144.6521, subdivision 3, paragraph (b), of the provider releasing the health records.

Sec. **[145.565] PARENT OR GUARDIAN ACCESS TO MEDICAL EXAMINATION ROOM OF MINOR; QUESTIONS ASKED OF MINOR.**

Subdivision 1. Access to examination room. (a) A health care provider providing health services to a minor must allow the minor's parent or guardian to have full, complete access to the examination room in which the minor is receiving health services. If the health services being provided involve a private area of the minor's body and the minor's parent or guardian remains the examination room, the health care provider must provide, upon request, a privacy screen or other mechanism to protect the minor's privacy.

(b) A health care provider providing health services to a minor, or a health clinic or health care facility at which a minor is receiving health services, must provide clear, conspicuous notice of the rights under paragraph (a), before the minor is taken to the examination room.

Subd. 2. **Notice of standardized questions asked of minor.** Before asking any standardized oral or written questions of a minor, a health care provider must provide a minor's parent or guardian with written notice of the standardized oral or written questions. This notice must be provided regardless of whether the parent or guardian chooses to be present in the examination room with the minor and must include:

(1) a statement that the parent, guardian, or minor has the right to opt out of answering questions unrelated to the purpose of the visit;

(2) information on whether the minor's answers to the standardized questions will be shared with others, stored in the minor's health record, or recorded in any manner; and

(3) a list of the categories and topics of questions that may be asked.

Subd. 3. **Exception.** This section does not apply to:

(1) a minor who consents to health services under section 144.341 or 144.342; or

(2) an examination involving a suspected case of physical abuse as defined in section 260E.03, subdivision 18, or sexual abuse as defined in section 260E.03, subdivision 20, provided the health care provider documents the concern and notifies the appropriate authorities."

(i) provide informed consent in making health care decisions for the minor child, including choosing the minor child's health care team and accepting or declining biological, pharmaceutical, and supplemental interventions in coordination with the selected health care team;

(ii) consent in writing before any physical or mental health examination of the minor child takes place or before any pharmaceutical, surgical, or therapeutic intervention for the minor child takes place; and

4.1 (iii) consent in writing before any record of the minor child's blood or DNA is made,
4.2 shared, or stored, unless obtaining the blood or DNA is otherwise required by law or
4.3 authorized by a court order.

4.4 For any health service to which a minor child consents under sections 144.343 to 144.347;
4.5 145.41; 253B.03, subdivision 6; or 253B.04, subdivision 1, the health professional who
4.6 provides the health service must, following provision of the health service, provide written
4.7 notice that the minor child consented to the health service to both parents of the minor child
4.8 if the minor child resides with both parents; to the parent or parents with legal custody of
4.9 the minor child; or to the minor child's legal guardian or custodian;"
