

March 14, 2022

Chair Liebling and Health Finance and Policy Committee Members,

On behalf of Leafline Labs (owned and Operated by Green Thumb Industries), one of the two licensed medical cannabis providers in Minnesota, we are writing in support of House File # 3119 which would lower the enrollment fee from \$200 to \$40 for all program participants.

Providing affordable access to the medical cannabis program to as many Minnesota residents that medically qualify should be a common goal. Lowering the program fee for patients will be a huge first step in making this medication more accessible.

Thank you for your consideration.

Sincerely,

Dina Rollman
SVP, Government Affairs
Green Thumb Industries
