

H.F. 3176

As amended by H3176A1

Subject Long-term equity investment eligibility expanded, and technical

amendments to language made

Authors Freiberg

Analyst Chelsea Griffin

Date February 12, 2022

Overview

This bill expands the eligibility for certain long-term equity investments to local governments with a recent general obligation rating of AA or higher. A technical change to language is also made.

Summary

Section Description

1 Definition; qualifying government.

Expands the qualifying government entities that may invest in certain long-term equity investments to include counties and statutory or home rule charter cities that have a long-term, senior, general obligation rating by one or more national rating organizations of AA or higher.

Effective July 1, 2022.

2 Additional investment authority.

Makes a technical change to describe the conditions of index mutual fund investments for qualifying governments.

Effective July 1, 2022.
