<i>(1) Under federal law, portions of federal CWSRF funds are provided as principal forgiveness (grants). If certified by MPCA, projects meeting Green Project Reserve (GPR) criteria may be eligible for principal forgiveness for 25% of eligible GPR project costs up to \$1,000,000 (Minnesota Statutes, Section 446A.07, subdivision 8).</i>													
<i>(2) Under federal law, portions of federal CWSRF funds, including 49% of I/JA/BIL Supplemental funds, must be provided as principal forgiveness (grants). Principal forgiveness grants are authorized under Minnesota Statutes, Section 446A.07, subdivision 8(a)(7) to address affordability needs based on state WIF affordability criteria in Minnesota Statutes, Section 446A.072, Subdivision 5a(b).</i>													
<i>(3) Water Infrastructure Fund (WIF) grants funds are based on affordability criteria in Minnesota Statutes, Section 446A.072, Subdivision 5a(b). To the extent funds are available, estimated grant funds are reserved when an eligible project is certified by the Pollution Control Agency. WIF eligibility is evaluated during review of the CWRF loan application and not final until funding is awarded based on final as-bid costs.</i>													
<i>(4) Point Source Implementation Grants (Minnesota Statutes 446A.073) are tentatively reserved in an estimated amount when an eligible project is certified by the Pollution Control Agency.</i>
