

1.1 ..... moves to amend H.F. No. 4282 as follows:

1.2 Delete everything after the enacting clause and insert:

1.3 "Section 1. Minnesota Statutes 2025 Supplement, section 241.021, subdivision 4f, is  
1.4 amended to read:

1.5 Subd. 4f. **Provision of medications in correctional facilities.** (a) Correctional facilities  
1.6 licensed by the commissioner shall administer to confined and incarcerated persons the  
1.7 same medications prescribed to those individuals prior to their confinement or incarceration  
1.8 upon such prescriptions being verified as current and valid by the correctional facility based  
1.9 on information reasonably available to the facility's staff at the time of intake and documented  
1.10 in the person's medical records. A facility must make a reasonable attempt to verify a  
1.11 prescription as current and valid and staff must document their efforts to verify the  
1.12 prescription. A reasonable attempt will be considered to have been made if a licensed health  
1.13 care professional seeks to confirm the prescription through one or more reliable sources,  
1.14 including but not limited to the confined or incarcerated person, prescription records,  
1.15 pharmacies, health care providers, or prescription monitoring programs.

1.16 (b) Unless a confined or incarcerated person is subject to a Jarvis order, which is an  
1.17 order issued under section 253B.092, subdivision 8, that dictates otherwise, paragraph (a)  
1.18 does not apply when:

1.19 (1) a licensed health care professional determines, after ~~consulting~~ making reasonable  
1.20 efforts to consult with the ~~licensed~~ health care professional who prescribed the medication,  
1.21 that the prescribed medication is not medically appropriate for the person based on the  
1.22 person's current medical condition or status;

1.23 (2) a licensed health care professional determines ~~a~~ that the medication should be changed  
1.24 to a different medication available to treat the condition that is at least as effective as the

2.1 current medication the person is prescribed ~~is available to treat the condition and the licensed~~  
2.2 ~~health care professional who prescribed the current medication approves the change in~~  
2.3 ~~medications~~ and reasonable attempts were made to consult the health care professional who  
2.4 prescribed the medication; or

2.5 (3) the physical or mental condition of the person creates a medical or mental health  
2.6 emergency that requires an immediate medication change based on circumstances that either  
2.7 exist or would be caused by the continuation of current medications when those circumstances  
2.8 are identified and documented by a licensed health care professional; or

2.9 (4) the person provides written notice to informs the licensed health care professional  
2.10 who is responsible for inmate health care at the correctional facility or the licensed health  
2.11 care professional's designee that the person no longer desires to take the medication and the  
2.12 decision is documented in the person's medical records.

2.13 (c) As used in this subdivision, "licensed health care professional" means a physician  
2.14 licensed under chapter 147, physician assistant licensed under chapter 147A, or advanced  
2.15 practice registered nurse as defined in section 148.171, subdivision 3."
