Article 3: Local Government Policy			
Open meeting law; participation from nonpublic location	H.F. 198	Under current law, a member of certain public bodies may participate in an open meeting from a nonpublic location up to three times under certain circumstances, including due to personal or family medical reasons. However, this exception only applies when a state of emergency has been declared under section 12.31. This section removes the state of emergency limitation on this exception.	1
Additional investment authority for qualifying local units of government	H.F. 159	Expands the eligibility for certain long-term equity investments to local governments with a recent general obligation rating of AA or higher. Creates a new section in Minnesota Statutes regarding investment authority for certain self-insurance pools. Technical and conforming changes to language are also made.	2-5
Library advisory boards	H.F. 2161	Authorizes the Ramsey County and Anoka County boards to direct, operate, and manage the county library systems. Library advisory boards, each comprised of seven members appointed by the county boards, would be created for the purpose of providing advice and recommendations on county library services. The advisory boards would replace the existing library boards in Ramsey County and Anoka County.	6-7
Hennepin County construction manager at risk	H.F. 1784	Creates provisions in the Hennepin County chapter of the Minnesota Statutes relating to contract negotiations and the soliciting, selection, and negotiation of a contract manager at risk for certain projects. Repeals provisions under the Hennepin County contract for purchases statute that allow the county board to enter into certain agreements for up to seven years.	8-9, 17
Native landscapes	H.F. 734	Requires a statutory or home rule charter city to allow an owner, authorized agent, or authorized occupant of private property to install and maintain a managed natural landscape on the private property. A managed natural landscape may include plants and grasses that are more than eight inches tall that have gone to seed. Noxious weeds may not be included in the landscape.	10
Municipal construction manager at risk	H.F. 1555	Creates a new section of Minnesota Statutes that provides procedures for a municipality to award a contract to a construction manager at risk. The Uniform Municipal Contracting Law is also amended to allow municipalities to	11-12

		utilize the new construction manager at risk section as an alternative to current procurement procedures for municipal contracts estimated to exceed \$175,000.	
Municipal hotel licensing	H.F. 626	Creates a new section 471.585, which authorizes a city or town to adopt an ordinance requiring hotels operating within the municipal boundaries to have a valid license issued by the city or town. The license fee may not exceed \$150. The ordinance can only require compliance with state and local laws as a condition of licensure. A license may be refused by the city or town if the hotel fails to comply with the license conditions.	13
Repeal of political subdivision compensation limit	H.F. 1213	Repeals the compensation limit for employees of political subdivisions of the state. Under current law, such employees may not receive compensation in excess of 110 percent of the governor’s salary, adjusted for inflation. The compensation limit does not apply to school districts or hospitals, clinics, health maintenance organizations owned by a governmental unit, or Metropolitan Airports Commission employees. It also does not apply to employees occupied in positions that require an M.D. or D.O. degree. A technical change is made that removes a reference to the repealed language.	14, 17
Metropolitan Mosquito Control District director	New	Removes the requirement that the director of the Metropolitan Mosquito Control District be an entomologist.	15
City reporting of buildings without sprinkler systems	H.F. 2541	Requires a city of the first or second class to provide a list to the state fire marshal of certain residential buildings in the city that have not been retrofitted with a sprinkler system. The list must be provided by June 20, 2024, with updated lists due by June 30, 2027, and June 30, 2032. The state fire marshal then must submit the lists within 60 days of the due dates to the chairs and ranking minority members of the legislative committees with jurisdiction over the State Building Code and the State Fire Code.	16
Article 4: Municipal Building Commission Dissolution			
Municipal Building Commission Dissolution	H.F. 2446	This article authorizes the dissolution of the Municipal Building Commission in the city of Minneapolis, which currently serves as the steward for the historic Minneapolis city hall and Hennepin County courthouse building. All assets of the commission would be transferred to the city of Minneapolis. Statutes in current law relating to the Municipal Building Commission would be repealed.	1-7
