41.12 Tribal Nation under paragraph (e) equals the sum of:

41.13 (1) a base funding amount equal to \$150,000; and

41.14 (2) a community supervision formula equal to the sum of:

41.15 ~~(i) for each individual with a felony sentence, a felony per diem rate of \$5.62 multiplied~~
41.16 ~~by the sum of the county's or Tribal Nation's adult felony population, adult supervised~~
41.17 ~~release and parole populations, and juvenile supervised release and parole populations as~~
41.18 ~~reported in the most recent probation survey published by the commissioner, multiplied by~~
41.19 ~~365; and~~

41.20 ~~(ii) for each individual sentenced for a gross misdemeanor or misdemeanor or under~~
41.21 ~~juvenile probation, the felony per diem rate of \$5.62 multiplied by 0.5 and then multiplied~~
41.22 ~~by the sum of the county's or Tribal Nation's gross misdemeanor, misdemeanor, and juvenile~~
41.23 ~~populations as reported in the most recent probation survey published by the commissioner,~~
41.24 ~~multiplied by 365.~~

41.25 (i) for individuals with a felony sentence, the felony per diem rate of \$5.62 shall be
41.26 multiplied by the average total population over the three most recent years, as reported in
41.27 the probation surveys published by the commissioner. This population includes the county
41.28 or Tribal Nation's adult felony population, adult supervised release population, adult parole
41.29 population, juvenile supervised release population, and juvenile parole population. The
41.30 resulting amount shall then be multiplied by 365 to calculate the total annual allocation;
41.31 and

41.32 (ii) for individuals sentenced for a gross misdemeanor, for a misdemeanor, or under
41.33 juvenile probation, the felony per diem rate of \$5.62 shall be multiplied by 0.5, and then

42.1 multiplied by the average total population over the three most recent years, as reported in
42.2 the probation surveys published by the commissioner. This population includes the county
42.3 or Tribal Nation's gross misdemeanor population, misdemeanor population, and juvenile
42.4 probation population. The resulting amount shall then be multiplied by 365 to calculate the
42.5 total annual allocation.

42.6 (b) For a non-CCA jurisdiction under section 244.19, subdivision 1b, paragraph (b) or
42.7 (c), the base funding amount must be shared equally between the jurisdiction and the
42.8 commissioner for the provision of felony supervision under section 244.20.

42.9 (c) If in any year the total amount appropriated for the purpose of this section is more
42.10 than or less than the total of base funding plus community supervision formula funding for
42.11 all counties and applicable Tribal Nations, the sum of each county's and applicable Tribal
42.12 Nation's base funding plus community supervision formula funding is adjusted by the ratio
42.13 of amounts appropriated for this purpose divided by the total of base funding plus community
42.14 supervision formula funding for all counties and applicable Tribal Nations.

42.15 (d) If in any year the base funding plus the community supervision formula amount
42.16 based on what was appropriated in fiscal year 2024 is less than the funding paid to the
42.17 county in fiscal year 2023, the difference is added to the community supervision formula
42.18 amount for that county. A county is not eligible for additional funding under this paragraph
42.19 unless the base funding plus community supervision formula results in an increase in funding
42.20 for the county based on what was appropriated in the previous fiscal year. This paragraph
42.21 expires June 30, 2029.

42.22 (e) For each Tribal Nation, a funding amount of \$250,000 is allotted annually to purchase
42.23 probation services or probation-related services, including contracted services, but a Tribal
42.24 Nation that becomes a CCA jurisdiction or a non-CCA jurisdiction under section 244.19,
42.25 subdivision 1b, paragraph (b) or (c), is an applicable Tribal Nation under paragraphs (a) to
42.26 (c) and:

42.27 (1) has the Tribal Nation's funding amount of \$250,000 transferred to the total community
42.28 supervision subsidy amount appropriated for the purposes of this section; and

42.29 (2) is allotted a base funding amount equal to \$150,000 plus an amount as determined
42.30 according to the community supervision formula under paragraph (a), clause (2).

42.31 (f) Minnesota Rehabilitation and Reinvestment Act savings under section 244.50,
42.32 subdivision 4, clause (2), are appropriated to each CCA jurisdiction and non-CCA jurisdiction
42.33 served by the Department of Corrections by dividing the three-year average of the number
42.34 of individuals on supervised release and intensive supervised release within the jurisdiction

43.1 by the three-year average of the total number of individuals under supervised release and
43.2 intensive supervised release statewide, using the numbers reported annually in the Probation
43.3 Survey report.

43.24 in that case a new license shall issue upon request of the parties of the original license
43.25 without fee. A local registrar who knowingly issues or signs a civil marriage license in any

54.25 (e) ~~For each Tribal Nation, a funding amount of \$250,000 is allotted annually to purchase

55.2 subdivision 4, clause (2), are appropriated to each CCA jurisdiction and non-CCA jurisdiction
55.3 served by the Department of Corrections by dividing the three-year average of the number
55.4 of individuals on supervised release and intensive supervised release within the jurisdiction
55.5 by the three-year average of the total number of individuals under supervised release and

55.27 program, and the program's purpose, objective, administrative structure, staffing pattern,

(i) of the postponement; and

(ii) if known, of the rescheduled date of the sale and the date on or before which the mortgagor must vacate the property if the sheriff's sale is not further postponed, the mortgage is not reinstated under section 580.30, the property is not redeemed under section 580.23, or the redemption period is not reduced under section 582.032. The notice must state that the time to vacate the property is 11:59 p.m. on the specified date.

(b) If the rescheduled date of the sale is not known at the time of the initial publication and notice to the occupant of postponement, the foreclosing party must, at its expense if and when a new date of sale is scheduled:

(1) publish, only once, notice of the rescheduled date of the sale, as soon as practicable, in the newspaper in which the notice under section 580.03 and the notice of postponement under paragraph (a) was published; and

(2) send by first class mail to the occupant, postmarked within ten days of the rescheduled sale, notice:

(i) of the date of the rescheduled sale; and

(ii) of the date on or before which the mortgagor must vacate the property if the mortgage is not reinstated under section 580.30 or the property redeemed under section 580.23. The notice must state that the time to vacate the property is 11:59 p.m. on the specified date.

(c) The right of a mortgagee to postpone a foreclosure sale under this section applies to a foreclosure by action taken under chapter 581.

80.1 **EFFECTIVE DATE.** This section is effective August 1, 2025, for judicial foreclosures

80.2 with the lis pendens recorded on or after the effective date.

80.3 Sec. 2. Minnesota Statutes 2024, section 580.07, subdivision 2, is amended to read:

80.4 **Subd. 2. Postponement by mortgagor or owner.** (a) If all or a part of the property to
80.5 be sold is classified as homestead under section 273.124 and contains one to four dwelling
80.6 units, the mortgagor or owner may, in the manner provided in this subdivision, postpone
80.7 the sale to the first date that is not a Saturday, Sunday, or legal holiday and is:

80.8 (1) five months after the originally scheduled date of sale if the original redemption
80.9 period was six months under section 580.23, subdivision 1; or

80.10 (2) 11 months after the originally scheduled date of sale if the original redemption period
80.11 was 12 months under section 580.23, subdivision 2. To postpone a foreclosure sale pursuant
80.12 to this subdivision, at any time after the first publication of the notice of mortgage foreclosure
80.13 sale under section 580.03 but at least 15 days prior to the scheduled sale date specified in
80.14 that notice, the mortgagor shall: (1) execute a sworn affidavit in the form set forth in
80.15 subdivision 3, (2) record the affidavit in the office of each county recorder and registrar of
80.16 titles where the mortgage was recorded, and (3) file with the sheriff conducting the sale and
80.17 deliver to the attorney foreclosing the mortgage a copy of the recorded affidavit, showing
80.18 the date and office in which the affidavit was recorded. Recording of the affidavit and
80.19 postponement of the foreclosure sale pursuant to this subdivision shall automatically reduce
80.20 the mortgagor's redemption period under section 580.23 to five weeks. The postponement
80.21 of a foreclosure sale pursuant to this subdivision does not require any change in the contents
80.22 of the notice of sale, service of the notice of sale if the occupant was served with the notice
80.23 of sale prior to postponement under this subdivision, or publication of the notice of sale if
80.24 publication was commenced prior to postponement under this subdivision, notwithstanding
80.25 the service and publication time periods specified in section 580.03, but the sheriff's
80.26 certificate of sale shall indicate the actual date of the foreclosure sale and the actual length
80.27 of the mortgagor's redemption period. No notice of postponement need be published. An
80.28 affidavit complying with subdivision 3 shall be *prima facie* evidence of the facts stated
80.29 therein, and shall be entitled to be recorded. The right to postpone a foreclosure sale pursuant
80.30 to this subdivision may be exercised only once, regardless whether the mortgagor reinstates
80.31 the mortgage prior to the postponed mortgage foreclosure sale.

80.32 (b) If the automatic stay under United States Code, title 11, section 362, applies to the
80.33 mortgage foreclosure after a mortgagor or owner requests postponement of the sheriff's sale
80.34 under this section, then when the automatic stay is no longer applicable, the mortgagor's or

81.1 owner's election to shorten the redemption period to five weeks under this section remains
81.2 applicable to the mortgage foreclosure.

81.3 (c) Except for the circumstances set forth in paragraph (b), this section does not reduce
81.4 the mortgagor's redemption period under section 580.23 for any subsequent foreclosure of
81.5 the mortgage.

81.6 (d) The right of a mortgagor or owner to postpone a foreclosure sale under this section
81.7 applies to a foreclosure by action taken under chapter 581.

81.8 **EFFECTIVE DATE.** This section is effective August 1, 2025, for judicial foreclosures
81.9 with the lis pendens recorded on or after the effective date.

81.10 Sec. 3. Minnesota Statutes 2024, section 581.02, is amended to read:

81.11 **581.02 APPLICATION, CERTAIN SECTIONS.**

81.12 (a) The provisions of sections 580.08, 580.09, 580.12, 580.22, 580.25, and 580.27, so
81.13 far as they relate to the form of the certificate of sale, shall apply to and govern the
81.14 foreclosure of mortgages by action.

81.15 (b) Section 580.07 applies to actions for the foreclosure of mortgages taken under this
81.16 chapter.

81.17 **EFFECTIVE DATE.** This section is effective August 1, 2025, for judicial foreclosures
81.18 with the lis pendens recorded on or after the effective date.

81.19 **ARTICLE 8**

81.20 **GOVERNMENT DATA PRACTICES**

81.21 Section 1. Minnesota Statutes 2024, section 13.03, subdivision 3, is amended to read:

81.22 Subd. 3. **Request for access to data.** (a) Upon request to a responsible authority or
81.23 designee, a person shall be permitted to inspect and copy public government data at
81.24 reasonable times and places, and, upon request, shall be informed of the data's meaning. If
81.25 a person requests access for the purpose of inspection, the responsible authority may not
81.26 assess a charge or require the requesting person to pay a fee to inspect data.

81.27 (b) For purposes of this section, "inspection" includes, but is not limited to, the visual
81.28 inspection of paper and similar types of government data. Inspection does not include
81.29 printing copies by the government entity, unless printing a copy is the only method to provide
81.30 for inspection of the data. In the case of data stored in electronic form and made available
81.31 in electronic form on a remote access basis to the public by the government entity, inspection

82.1 includes remote access to the data by the public and the ability to print copies of or download
82.2 the data on the public's own computer equipment. Nothing in this section prohibits a
82.3 government entity from charging a reasonable fee for remote access to data under a specific
82.4 statutory grant of authority. A government entity may charge a fee for remote access to data
82.5 where either the data or the access is enhanced at the request of the person seeking access.

82.6 (c) The responsible authority or designee shall provide copies of public data upon request.
82.7 If a person requests copies or electronic transmittal of the data to the person, the responsible
82.8 authority may require the requesting person to pay the actual costs of searching for and
82.9 retrieving government data, including the cost of employee time, and for making, certifying,
82.10 and electronically transmitting the copies of the data or the data, but may not charge for
82.11 separating public from not public data. However, if 100 or fewer pages of black and white,
82.12 letter or legal size paper copies are requested, actual costs shall not be used, and instead,
82.13 the responsible authority may charge no more than 25 cents for each page copied. If the
82.14 responsible authority or designee is not able to provide copies at the time a request is made,
82.15 copies shall be supplied as soon as reasonably possible.

82.16 (d) When a request under this subdivision involves any person's receipt of copies of
82.17 public government data that has commercial value and is a substantial and discrete portion
82.18 of or an entire formula, pattern, compilation, program, device, method, technique, process,
82.19 database, or system developed with a significant expenditure of public funds by the
82.20 government entity, the responsible authority may charge a reasonable fee for the information
82.21 in addition to the costs of making and certifying the copies. Any fee charged must be clearly
82.22 demonstrated by the government entity to relate to the actual development costs of the
82.23 information. The responsible authority, upon the request of any person, shall provide
82.24 sufficient documentation to explain and justify the fee being charged.

82.25 (e) The responsible authority of a government entity that maintains public government
82.26 data in a computer storage medium shall provide to any person making a request under this
82.27 section a copy of any public data contained in that medium, in electronic form, if the
82.28 government entity can reasonably make the copy or have a copy made. This does not require
82.29 a government entity to provide the data in an electronic format or program that is different
82.30 from the format or program in which the data are maintained by the government entity. The
82.31 entity may require the requesting person to pay the actual cost of providing the copy.

82.32 (f) If the responsible authority or designee determines that the requested data is classified
82.33 so as to deny the requesting person access, the responsible authority or designee shall inform
82.34 the requesting person of the determination either orally at the time of the request, or in
82.35 writing as soon after that time as possible, and shall cite the specific statutory section,

83.1 temporary classification, or specific provision of federal law on which the determination is
83.2 based. Upon the request of any person denied access to data, the responsible authority or
83.3 designee shall certify in writing that the request has been denied and cite the specific statutory
83.4 section, temporary classification, or specific provision of federal law upon which the denial
83.5 was based.

83.6 (g) If a responsible authority has notified the requesting person that responsive data or
83.7 copies are available for inspection or collection, and the requesting person does not inspect
83.8 the data or collect the copies within five business days of the notification, the responsible
83.9 authority may suspend any further response to the request until the requesting person inspects
83.10 the data that has been made available, or collects and pays for the copies that have been
83.11 produced.

83.12 Sec. 2. Minnesota Statutes 2024, section 13.32, subdivision 2, is amended to read:

83.13 **Subd. 2. Student health and census data; ~~data on parents~~.** (a) Health data concerning
83.14 students, including but not limited to, data concerning immunizations, notations of special
83.15 physical or mental problems and records of school nurses are educational data. Access by
83.16 parents to student health data shall be pursuant to section 13.02, subdivision 8.

83.17 (b) Pupil census data, including emergency information and family information are
83.18 educational data.

83.19 ~~(c) Data concerning parents are private data on individuals but may be treated as directory~~
83.20 ~~information if the same procedures that are used by a school district to designate student~~
83.21 ~~data as directory information under subdivision 5 are followed.~~

83.22 **EFFECTIVE DATE.** This section is effective the day following final enactment.

83.23 ~~Beginning upon the effective date of this section, a parent's personal contact information~~
83.24 ~~subject to this section must be treated by an educational agency or institution as private data~~
83.25 ~~on individuals regardless of whether that contact information was previously designated as~~
83.26 ~~or treated as directory information under Minnesota Statutes, section 13.32, subdivision 2.~~

83.27 Sec. 3. Minnesota Statutes 2024, section 13.32, subdivision 5, is amended to read:

83.28 **Subd. 5. Directory information; ~~data on parents~~.** (a) Educational data designated as
83.29 directory information is public data on individuals to the extent required under federal law.
83.30 Directory information must be designated pursuant to the provisions of:

83.31 (1) this subdivision; and

84.1 (2) United States Code, title 20, section 1232g, and Code of Federal Regulations, title

84.2 34, section 99.37, which were in effect on January 3, 2012.

84.3 (b) When conducting the directory information designation and notice process required

84.4 by federal law, an educational agency or institution shall give parents and students notice

84.5 of the right to refuse to let the agency or institution designate specified data about the student

84.6 as directory information. This notice may be given by any means reasonably likely to inform

84.7 the parents and students of the right.

84.8 (c) An educational agency or institution may not designate a student's or parent's home

84.9 address, telephone number, email address, or other personal contact information as directory

84.10 information under this subdivision. This paragraph does not apply to a postsecondary

84.11 institution.

84.12 (d) When requested, educational agencies or institutions must share personal student or

84.13 parent contact information and directory information, whether public or private, with the

84.14 Minnesota Department of Education, as required for federal reporting purposes.

84.15 (e) When requested, educational agencies or institutions may share personal student or

84.16 parent contact information and directory information for students served in special education

84.17 with postsecondary transition planning and services under section 125A.08, paragraph (b),

84.18 clause (1), whether public or private, with the Department of Employment and Economic

84.19 Development, as required for coordination of services to students with disabilities under

84.20 sections 125A.08, paragraph (b), clause (1); 125A.023; and 125A.027.

84.21 (f) Data concerning parents is private data on individuals but may be treated as directory

84.22 information if the same procedures that are used by a school district to designate student

84.23 data as directory information under this subdivision are followed, except that a parent's

84.24 home address, telephone number, email address, or other personal contact information may

84.25 not be treated as directory information under this subdivision.

84.26 **EFFECTIVE DATE.** This section is effective the day following final enactment.

84.27 Beginning upon the effective date of this section, a parent's personal contact information

84.28 subject to this section must be treated by an educational agency or institution as private data

84.29 on individuals regardless of whether that contact information was previously designated as

84.30 or treated as directory information under Minnesota Statutes, section 13.32, subdivision 2.

85.1 Sec. 4. Minnesota Statutes 2024, section 13.43, subdivision 2, is amended to read:

85.2 Subd. 2. **Public data.** (a) Except for employees described in subdivision 5 and subject
85.3 to the limitations described in subdivision 5a, the following personnel data on current and
85.4 former employees, volunteers, and independent contractors of a government entity is public:

85.5 (1) name; employee identification number, which must not be the employee's Social
85.6 Security number; actual gross salary; salary range; terms and conditions of employment
85.7 relationship; contract fees; actual gross pension; the value and nature of employer paid
85.8 fringe benefits; and the basis for and the amount of any added remuneration, including
85.9 expense reimbursement, in addition to salary;

85.10 (2) job title and bargaining unit; job description; education and training background;
85.11 and previous work experience;

85.12 (3) date of first and last employment;

85.13 (4) the existence and status of any complaints or charges against the employee, regardless
85.14 of whether the complaint or charge resulted in a disciplinary action;

85.15 (5) the final disposition of any disciplinary action together with the specific reasons for
85.16 the action and data documenting the basis of the action, excluding data that would identify
85.17 confidential sources who are employees of the public body;

85.18 (6) the complete terms of any agreement settling any dispute arising out of an employment
85.19 relationship, including a buyout agreement as defined in section 123B.143, subdivision 2,

85.21 it involves the payment of more than \$10,000 of public money;

85.23 education; and honors and awards received; and

85.24 (8) payroll time sheets or other comparable data that are only used to account for
85.25 employee's work time for payroll purposes, except to the extent that release of time sheet
85.26 data would reveal the employee's reasons for the use of sick or other medical leave or other
85.27 not public data.

85.28 (b) For purposes of this subdivision, a final disposition occurs when the government
85.29 entity makes its final decision about the disciplinary action, regardless of the possibility of
85.30 any later proceedings or court proceedings. Final disposition includes a resignation by an
85.31 individual when the resignation occurs after the final decision of the government entity, or
85.32 arbitrator. In the case of arbitration proceedings arising under collective bargaining
85.33 agreements, a final disposition occurs at the conclusion of the arbitration proceedings, or

86.1 upon the failure of the employee to elect arbitration within the time provided by the collective
86.2 bargaining agreement. A disciplinary action does not become public data if an arbitrator
86.3 sustains a grievance and reverses all aspects of any disciplinary action.

86.4 (c) The government entity may display a photograph of a current or former employee

86.8 entity in connection with a complaint or charge against an employee.

86.10 completion of an investigation of a complaint or charge against a public official, or if a
86.11 public official resigns or is terminated from employment while the complaint or charge is
86.12 pending, all data relating to the complaint or charge are public, unless access to the data

87.8 executive heads of divisions, including the general managers and executive directors; the
87.9 executive head responsible for compliance with Equal Employment Opportunity provisions
87.10 of federal law; and the chief law enforcement officer of the Metropolitan Transit Police
87.11 appointed by the regional administrator under section 473.407, subdivision 4.

87.12 (f) Data relating to a complaint or charge against an employee identified under paragraph

87.13 (e), clause (4)(5), are public only if:

87.30 480.40. If the subject of the data is an adult child of a judicial official who does not reside
87.31 with the judicial official, the remedies and penalties under this chapter are available only

88.19 (ODMAP), data that identifies where and when an overdose incident happens, fatality status,
88.20 suspected drug type, naloxone administration, and first responder type. ODMAP may:

88.21 (1) allow secure access to the system by authorized users to report information about an
88.22 overdose incident;

92.10 **Sec. 10. [480.50] PERSONAL INFORMATION IN REAL PROPERTY RECORDS.**

92.11 **Subdivision 1. Definitions.** (a) For the purposes of this section, the following terms have
92.12 the meanings given.

92.14 (4).

92.15 (c) "Government entity" has the meaning given in section 13.02, subdivision 7a.

92.16 (d) "Judicial official" has the meaning given in section 480.40, subdivision 1, paragraph
92.17 (b), except that it does not include employees of the Minnesota judicial branch, the Office
92.18 of Administrative Hearings, the Workers' Compensation Court of Appeals, or the Tax Court.

92.19 (e) "Personal information" has the meaning given in section 480.40, subdivision 1,
92.20 paragraph (c).

92.24 and

92.25 (3) any other records maintained by a county recorder or other government entity
92.26 evidencing title to, or any lien, judgment, or other encumbrance on, real or personal property.

92.27 (g) "Responsible authority" has the meaning given in section 13.02, subdivision 16.

92.28 **Subd. 2. Classification of data.** (a) Subject to the provisions of this section, the personal
92.29 information of all judicial officials collected, created, or maintained in real property records
92.30 is private data on individuals, as defined in section 13.02, subdivision 12.

93.1 (b) If the responsible authority or government entity violates this section, the remedies
93.2 and penalties under chapter 13 are available only if the judicial official making a claim
93.3 previously provided a real property notice that complies with subdivision 3. If the subject
93.4 of the data is the spouse, domestic partner, or adult child of a judicial official who does not
93.5 reside with the judicial official, the remedies and penalties under chapter 13 are available
93.6 only if the spouse, domestic partner, or adult child previously provided a notification under
93.7 subdivision 3 to the responsible authority confirming their status as the spouse, domestic
93.8 partner, or adult child of a judicial official. In the case of county records, the notification
93.9 shall be filed with the responsible authority that maintains the personal information for
93.10 which protection is sought. A notification submitted under this section is private data on
93.11 individuals, as defined in section 13.02, subdivision 12.

93.12 Subd. 3. **Notification.** (a) For the classification in subdivision 2 to apply to personal
93.13 information in real property records, a judicial official must submit a real property notice
93.14 in writing to the county recorder in the county where the property identified in the real
93.15 property notice is located and to the Office of the Secretary of State. To affect real property
93.16 records maintained by any other government entity, a judicial official must submit a real
93.17 property notice in writing to the other government entity's responsible authority. If the
93.18 personal information is that of the spouse, domestic partner, or adult child of a judicial
93.19 official who does not reside with the judicial official, the spouse, domestic partner, or adult
93.20 child must submit a real property notice. The real property notice is classified as private
93.21 data on individuals, as defined in section 13.02, subdivision 12. A real property notice must
93.22 be on a form provided by the judicial branch and must include:

93.23 (1) the full legal name of the individual submitting the form;
93.24 (2) the last four digits of the individual's Social Security number;
93.25 (3) the individual's date of birth;
93.26 (4) the individual's telephone number and email;
93.27 (5) the residential address of the individual in Minnesota;
93.28 (6) the legal description, parcel identification number, and street address, if any, of the
93.29 real property affected by the notice; and
93.30 (7) a certification that the individual is a judicial official or the spouse, domestic partner,
93.31 or adult child of a judicial official that contains the notarized signature of the individual.

94.1 (b) A notice submitted by a judicial official employed by the state must include the
94.2 employer's business address and a verification of current employment signed by the
94.3 employer's human resources office.

94.4 (c) A notice submitted pursuant to this subdivision by a spouse, domestic partner, or
94.5 adult child of a judicial official not residing with the judicial official must include a notarized
94.6 verification that the individual is the spouse, domestic partner, or adult child of a judicial
94.7 official.

94.8 (d) Only one parcel of real property may be included in each notice, but an individual
94.9 may submit more than one notice. A government entity may require an individual to provide
94.10 additional information necessary to identify the records or the real property described in
94.11 the notice. An individual submitting a notice must submit a new real property notice if their
94.12 legal name changes.

94.13 Subd. 4. **Access to real property records.** (a) If an individual submits a notice under
94.14 subdivision 3, the county recorder or other government entity must not disclose the
94.15 individual's personal information in conjunction with the property identified in the written
94.16 notice, unless:

94.17 (1) the individual has consented to sharing or dissemination of the personal information
94.18 for the purpose identified in a writing signed by the individual and acknowledged by a
94.19 notary public;

94.20 (2) the personal information is subject to dissemination pursuant to a court order under
94.21 section 13.03, subdivision 6;

94.22 (3) the personal information is shared with a government entity for the purpose of
94.23 administering assessment and taxation laws;

94.24 (4) the personal information is disseminated pursuant to subdivision 5; or

94.25 (5) the personal information is shared with the examiner of titles or deputy examiner as
94.26 necessary to perform their statutory duties under chapters 508 and 508A, including the
94.27 dissemination of personal information in Reports of Examiner.

94.28 (b) This subdivision does not prevent the county recorder from returning original
94.29 documents to the person who submitted the documents for recording. Each county recorder
94.30 shall establish procedures for recording documents to comply with this subdivision. These
94.31 procedures may include masking personal information and making documents or certificates
94.32 of title containing the personal information private and not viewable except as allowed by
94.33 this paragraph. The procedure must comply with the requirements of chapters 386, 507,

95.1 508, and 508A, and other laws as appropriate, to the extent these requirements do not conflict
95.2 with this section. The procedures must provide public notice of the existence of recorded
95.3 documents and certificates of title that are not publicly viewable and the provisions for
95.4 viewing them under this subdivision. Notice that a document or certificate is private and
95.5 viewable only under this subdivision or subdivision 5 is deemed constructive notice of the
95.6 document or certificate.

95.7 (c) A real property notice submitted under subdivision 3 shall apply retroactively to all
95.8 online and digital real property records, except digitized or scanned images of tract pages
95.9 and books, but only to the extent the individual submitting the notice provides the parcel
95.10 identification number, document number, or certificate of title number of each record for
95.11 which protection is sought. Otherwise, paragraph (a) applies only to the real property records
95.12 recorded or filed concurrently with the real property notice specified in subdivision 3 and
95.13 to real property records affecting the same real property recorded subsequent to the county
95.14 recorder or other government entity's receipt of the real property notice.

95.15 (d) The county recorder or other government entity shall have 60 days from the date of
95.16 receipt of a real property notice under subdivision 3 to process the request. If the individual
95.17 cites exigent circumstances, the county recorder or other government entity shall process
95.18 the request as soon as practicable.

95.19 (e) The prohibition on disclosure in paragraph (a) continues until:

95.20 (1) the individual has consented to the termination of the real property notice in a writing
95.21 signed by the individual and acknowledged by a notary public;

95.22 (2) the real property notice is terminated pursuant to a court order;

95.23 (3) the individual no longer holds a record interest in the real property identified in the
95.24 real property notice;

95.25 (4) the individual is deceased and a certified copy of the death certificate has been filed
95.26 with the county recorder or other government entity to which a notice was given under
95.27 subdivision 3; or

95.28 (5) the judicial official no longer qualifies as a judicial official. Notification that the
95.29 judicial official no longer qualifies as a judicial official must be given by the judicial official
95.30 to each county recorder or other government entity to which a notice under subdivision 3
95.31 was given within 90 days after the judicial official no longer qualifies as a judicial official.

96.1 (f) Upon termination of the prohibition of disclosure, the county recorder shall make
96.2 publicly viewable all documents and certificates of title that were previously partially or
96.3 wholly private and not viewable pursuant to a notice filed under subdivision 3.

96.4 **Subd. 5. Access to personal information in real property records; title**
96.5 **examination.** (a) Upon request, the individual who submitted the real property notice under
96.6 subdivision 3 shall verify that the individual's real property is the property subject to a bona
96.7 fide title exam.

96.8 (b) The county recorder or other government entity shall provide the unredacted real
96.9 property records of an individual who submitted a real property notice under subdivision 3
96.10 upon request of any of the following persons:

96.11 (1) a licensed title insurance company representative, a licensed title insurance agent, a
96.12 licensed abstractor, or an attorney licensed to practice law in Minnesota;

96.13 (2) a mortgage loan originator;

96.14 (3) a real estate broker or a real estate salesperson; and

96.15 (4) an individual or entity that has made or received an offer for the purchase of real
96.16 property to or from an individual who submitted a real property notice under subdivision 3
96.17 whose address is subject to nondisclosure, provided the request is accompanied by a written
96.18 consent from the individual.

96.19 (c) A request made under paragraph (a) or (b) must be made on a notarized form and
96.20 include:

96.21 (1) the full legal name, title, address, and place of employment, if applicable, of the
96.22 person requesting the real property records;

96.23 (2) the lawful purpose for requesting the real property records;

96.24 (3) the requestor's relationship, if any, to the individual who submitted a real property
96.25 notice under subdivision 3;

96.26 (4) the legal description of the property subject to the title examination; and

96.27 (5) proof of the requestor's licensure.

96.28 (d) Personal information provided under this subdivision may be used only for the
96.29 purposes authorized in this subdivision or the lawful purposes set forth in the request for
96.30 disclosure form and may not be further disseminated to any other person. However, the
96.31 dissemination of personal information in real property records by a licensed attorney or any

97.1 employees in the office of the licensed attorney is permitted when reasonably necessary for
97.2 the provision of legal services.

97.3 Subd. 6. Service fees to county recorder or other government entity. The county
97.4 recorder or any other government entity is authorized to charge the following service fees:

97.5 (1) up to \$75 for each real property notice under subdivision 3;

97.6 (2) up to \$75 for each consent submitted under subdivision 4, paragraph (a), clause (1),
97.7 and subdivision 4, paragraph (e), clause (1); and

97.8 (3) up to \$75 for each request submitted under subdivision 5.

97.9 These service fees shall not be considered county recorder fees under section 357.18 or
97.10 registrar of titles fees under section 508.82 or 508A.82 and shall be deposited into the county
97.11 recorder or other government entity's general fund.
