

Dear Committee,
My name is Rio. I am
17 years old and getting
ready for college. I would
like for colleges to
understand MY disability
And be able to make
accommodations

Thank you!

DIST 56B

Dear

Committee,

Having a disability
shouldn't stop me
from going to
college.

Dmitry

Dear Committee,

Help colleges
get ready for people
with disabilities. We
want to go to
college.
