Analysis of S.F. 3910 (Xiong) / H.F. 3950 (Fischer)

The bill authorizes the city of Maplewood, if approved by the voters at a general election, to impose a sales and use tax of 0.5%.

The proceeds would be used to finance the following projects plus associated bonding costs: \$25 million for the East Metro Public Safety Training Facility, \$48 million for the Maplewood Community Center, and \$8 million for Afton Heights Park. The bill also authorizes the city to issue up to \$81 million worth of bonds, plus bond issuance costs.

The tax would terminate at the earlier of 20 years after the tax is first imposed or after the city council determines that the amount received from the tax is sufficient to pay for the costs of the projects listed above plus bond issuance costs and interest. The tax could expire earlier if the city so determines by ordinance.

The bill would have no direct impact on state taxes.
