Dear Chair Hornstein and Members of the Transportation Committee:

Metro Cities, representing the collective interests of cities in the metropolitan area, supports HF 1910 (Petersburg), which is being heard in the Transportation Committee on Tuesday.

Metro Cities supports a comprehensive transportation system as a vital component in planning for and meeting the physical, social, and economic needs of the state and metropolitan region.

HF 1910 appropriates \$100 million in 2024 and \$100 million 2025 for the Corridors of Commerce program. This funding will help the state increase capacity on its highway system, and will result in economic growth, job creation, and more efficient transportation of goods to and from the metropolitan region.

Thank you for your consideration of this letter. Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads 'Michael Lund'. The signature is fluid and cursive, with the first name 'Michael' being more prominent than the last name 'Lund'.
