Dear Representative Frazier and Members of the House Public Safety Finance and Policy Committee:

Earlier today NAMI Minnesota submitted a letter outlining concerns with HF 25 and HF 855. We have now read the amendments to both bills and no longer have those concerns. We want to thank Rep. Frazier for listening to our addresses and working to address them.

Thank you for allowing me to correct the record.

Sincerely,

A handwritten signature in black ink, appearing to read "Sue Abderholden".
