

Parks and Trails Legacy Partner Agency Update

House Legacy Finance Committee • February 26, 2025

**Greater Minnesota Regional
Parks and Trails Commission**

**Metropolitan Council
Metropolitan Regional Parks and Trails**

Minnesota Department of Natural Resources

Minnesota Clean Water, Land and Legacy

***Legacy Amendment
revenue is distributed into
four funds.***

Minnesota voters passed the Clean Water, Land and Legacy Amendment to the Minnesota Constitution in 2008. The Legacy Amendment is funded from a three-eighths of one percent increase to the state sales tax with revenue dedicated to:

1. protect, enhance, and restore water quality in lakes, rivers, and streams, groundwater from degradation, and to protect drinking water sources;
2. restore, protect, and enhance wetlands, prairies, forest and habitat for fish, game, and wildlife;
3. support arts, arts education and arts access, and to preserve Minnesota's history and cultural heritage;
4. **support parks and trails of regional or statewide significance.**

Minnesota 25-Year Parks and Trails Legacy Plan

VISION: *In 2035, our world-class parks and trails connect everyone to the outdoors...*

- *Every Minnesotan has a strong connection to natural resource-based parks and trails throughout the state.*
- *Young people, families, and seniors are active outdoors and as a result are healthy.*
- *Minnesotans who have traditionally not participated as much at parks and trails are active outdoors and feel welcome.*

Minnesotans Engage in Outdoor Recreation

- **Parks and Trails Legacy Advisory Committee**
- **Advance joint projects with partners (user-friendly websites, trail projects, cooperative research, etc.)**
- **Minnesota Parks Artist-in-Residence program**
- **Welcoming and accessible parks and trails**

NATURE-BASED
SYSTEM PROVIDES
SIGNIFICANT
GREENSPACE AND
WILDLIFE HABITAT

8 SPECIAL
RECREATION
FEATURES (LIKE COMO
PARK ZOO AND CONSERVATORY
AND GALE WOODS FARM)

58 REGIONAL
PARKS AND PARK
RESERVES

NEARLY 500 MILES
OF INTERCONNECTED
REGIONAL TRAILS

OVER 69 MILLION
VISITS
IN 2023

OVER 65,000
ACRES OF
LAND PROTECTED

Parks & Trails Fund - Minnesota's Legacy

Metro region Legacy distribution

State statute allocates funding for metropolitan regional park implementing agencies.

- 90% distributed non-competitively by legislative formula
- 10% dedicated for land acquisition, distributed on a first-come-first-served basis.
 - Met Council matches acquisition funds \$2 for every \$3

Lake Waconia Regional Park, Carver County

Parks & Trails Fund - Minnesota's Legacy

Metro region project selection process

- Projects selected by each of the 10 locally elected boards or commissions
- Projects reviewed by Met Council
 - Consistency with park and trail plans
 - Consistency with all state guidelines and requirements

Minnehaha Parkway Regional Trail, Bridge Refurbishment Project

Parks & Trails Fund - Minnesota's Legacy

2050 Regional Parks and Trails Policy Plan

Imagine 2050 aligns with and supports the Parks and Trails Legacy Plan, A 25-year long-range plan for Minnesota

- Legacy funding is critical to advancing our shared work:
 - Connecting people and the Outdoors
 - Acquiring Land and Creating Opportunities
 - Taking Care of What we Have
 - Coordinating Among Partners

Parks & Trails Fund - Minnesota's Legacy

Critical Investments, Big Impacts

Baker Park Reserve Restroom Project,
Three Rivers Park District

Blakeley Bluffs Park Reserve Acquisition
Scott County

Minnesota River Greenway Regional
Trail Development, Dakota County

Parks and Trails Legacy Fund: Minnesota DNR Overview

Laura Preus | Minnesota DNR, Division of Parks and Trails

State Parks and Trails System

State Parks and Recreation Areas

- 73 State Parks and Recreation Areas
- 5,000 camping and lodging units
- 240,000 acres of land managed, including critical habitat for the state's threatened/endangered species and cultural resources of statewide significance.

State and Grant-in-Aid (GIA) Trails

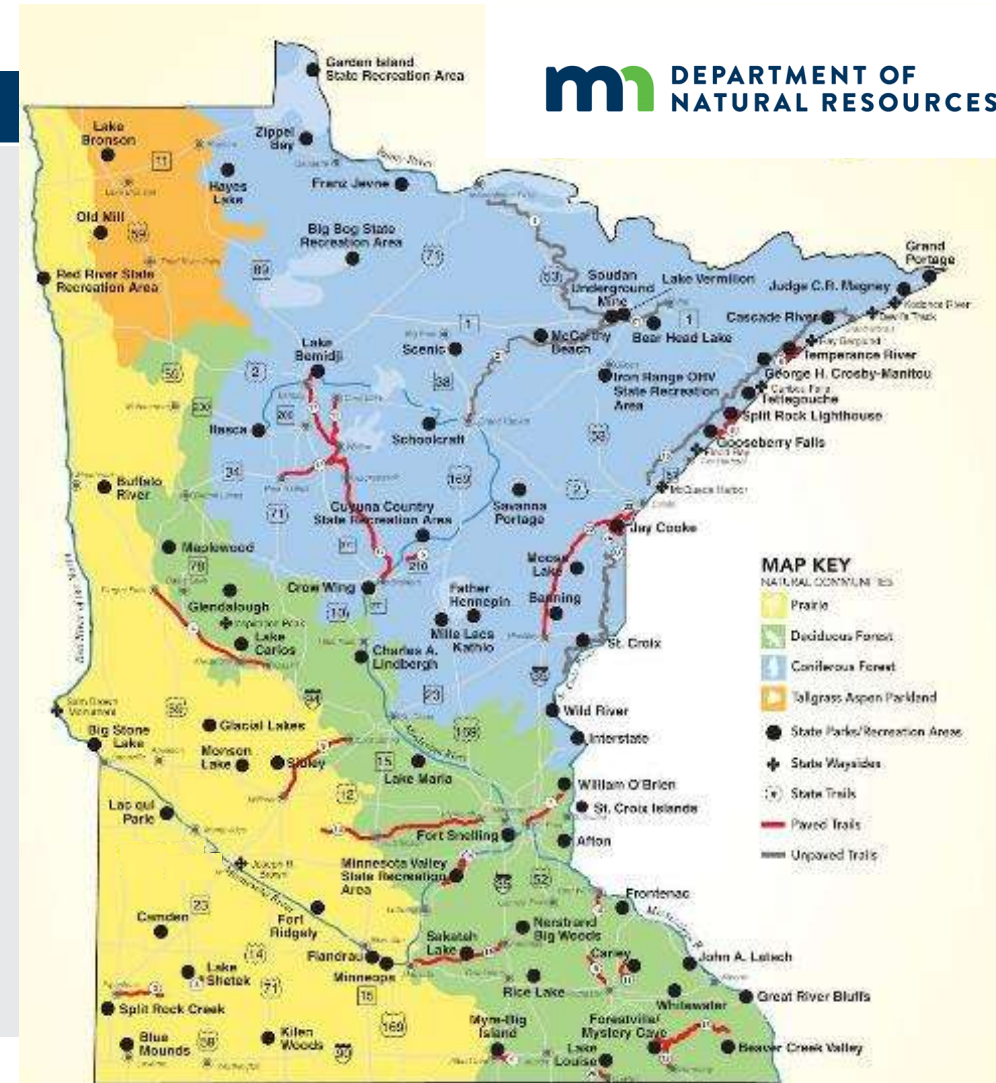

- 25 state trails
- 1,500 miles of developed state trails
2,700 are designated
- 24,600 miles of Grant-in-aid trails

State Forest Recreation Areas

- 43 state forest campgrounds
- 12 state forest horse campgrounds
- 29 forest day-use areas

Water Recreation

- 35 state water trails
- 1,700 public water accesses
- 390 fishing piers

State Parks and Trails

Parks and Trails Legacy Fund Biennial Priorities

Connect People to the Outdoors

Outcome: Everyone invited and welcomed to build skills and experience outdoor recreation in Minnesota.

Acquire Land, Create Opportunities

Outcome: New and expanded park and trail opportunities serve current users and create outdoor recreation opportunities for new and future users.

Take Care of What We Have

Outcome: Parks and trails meet current needs and provide high-quality recreation opportunities for a variety of users with diverse interests, needs and abilities.

Coordinate with Partners

Outcome: Parks and trails of state and regional significance welcome all Minnesotans to a seamless and integrated network of outdoor recreation opportunities throughout Minnesota

State Parks and Trails

Connect People and the Outdoors

I Can!... Programs

State Parks and Trails

Connect People and the Outdoors

Library Pass Program

Junior Ranger Program

State Parks and Trails

Acquire Land, Create Opportunities

A Parks and Trails Legacy investment has gone towards adding a new trail segment dedicated for bicyclists in **Itasca State Park**. This provides safer recreational transportation opportunities for visitors and eliminate a 3-mile shared use segment on Wilderness Drive.

State Parks and Trails

Acquire Land, Create Opportunities

The Parks and Trails Legacy Fund provided \$8 million dollars to develop Shipwreck Creek Campground to meet camping demands in the popular area.

Prior to this project, the only camping offered at **Split Rock Lighthouse State Park** were limited cart-in or walk-in camping opportunities

State Parks and Trails

Take Care of What We Have

Vault toilets at **Sibley State Park's** Lakeview Campground provide family-friendly year-round facilities to the public.

Nearby is the historic Veteran's Conservation Corps building, renovated to be used as a shower building.

Greater Minnesota Regional Parks and Trails Commission

Renee Mattson
Executive Director

About the Commission

6 Districts across 80-counties

13 Commissioners Appointed by the Governor 2 in each District and 1 At-Large

80 Designated Facilities

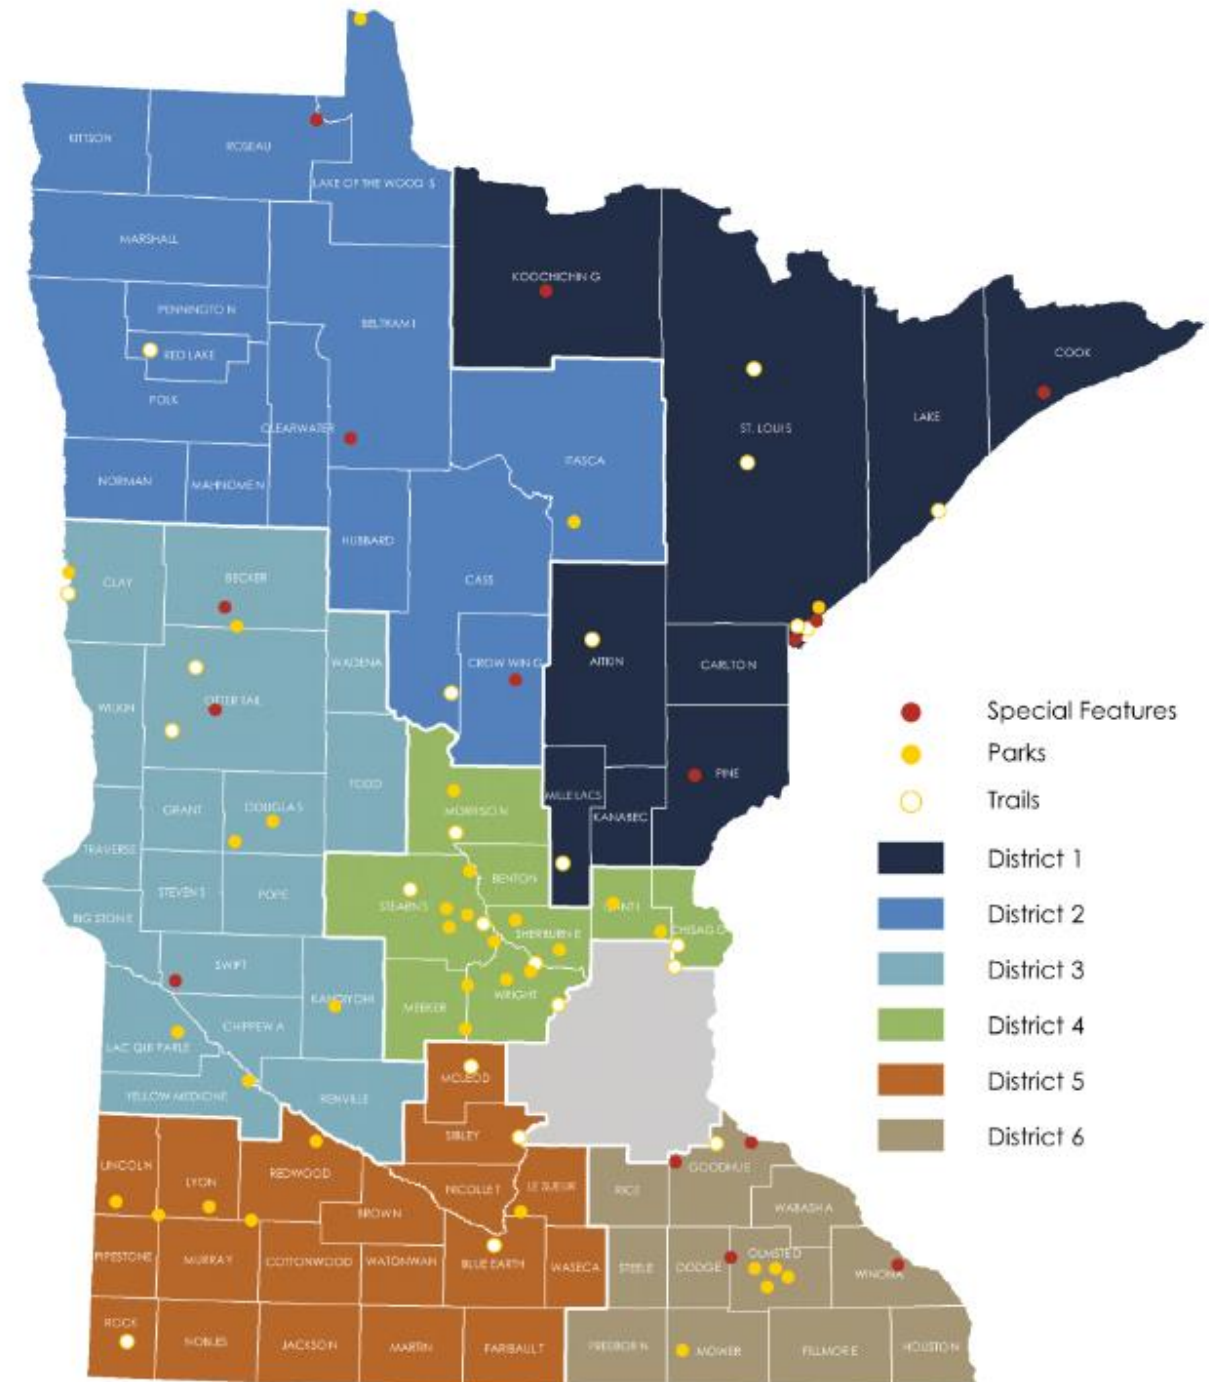

37 Natural Resource Based Parks

25 Regional Trails

17 Special Features

1 Supportive Partnership

17 Designation Eligible Facilities

How to Achieve Regionally Significant Designation

- Application reviewed by 5-member Evaluation Team and ranked High, Medium or Low. High ranked applications are invited to submit a qualified Master Plan
- Staff review plan for completeness and eligibility and conduct a site visit of the facility. Evaluation Team review of the Master Plan and criteria scoring. Commissioners review and deliberation for regional designation.
- Annual funding applications are submitted for regionally impactful components as described in the Master Plan. Staff conduct site visits and score applications based on established criteria. Commissioners review, comment and determine priority list.

Classifications

Natural Resource Based Parks

Provide a high quality outdoor recreational opportunities in a natural and scenic setting.

Classifications

Trails

Provide high quality recreational trail experiences that are readily accessible from an already populated or growing regional center or tourism destination.

Classifications

Special Features

Relates to new, unique or innovative “special feature” outdoor recreational facilities of regional significance.

Classifications

Supportive Partnership - New

Regional quality city and county facilities that support large, diverse key recreation resources that are owned or controlled by non-eligible entities or units of government, such as federal, state, or non-profit organizations.
