

What Else Should You Know?

Your local units of government have proposed the amount they will need to levy in 2024.

The following circumstances could change these amounts:

- Upcoming referenda
- Legal judgments
- Natural disasters
- Voter-approved levy limit increases, or
- Special assessments

Your county commissioners, school board, city council (if your property is located in a city with a population over 500), and metropolitan special taxing district will soon be holding meetings to discuss the 2024 budgets and proposed 2024 property taxes. (The school board will discuss the 2023 budget.) You are invited to attend these meetings and express your opinion.

How Can You Learn More?

The time to provide feedback on Proposed Levies is now.

You are invited to attend budget meetings to express your opinion.

This information is provided by the county, city, and school district. It compares two years of levy information for those jurisdictions. For more information contact the county, city, or school district directly or you may visit their websites for more information.

Levy amounts impact the taxes your property will pay.

In addition to levy decisions made by local units of government, other changes may also impact the property taxes you pay, including: any change to taxable market value, any improvements you may have made, and any changes in special programs such as homestead market value exclusion.
