Bill Description

This bill appropriate funds to increase funding for emergency services grants, maintain the Homeless Management Information system (HMIS), increase funding for Homeless Youth Act grants, including for chosen family grants for Homeless youth, and increase funding for the transitional housing program. The bill establishes an Emergency Shelter Program and appropriates \$150,000,000 in one-time capital projects to fund additional emergency shelter facilities, add additional beds in emergency shelter facilities, improve current facilities and expand access to emergency shelter facilities by providing culturally appropriate and gender-inclusive shelters.

Assumptions

This bill would require additional administrative resources to support the expansion or establishment of new programs. Staff are required to administer the additional grants, manage contracts, ensure fiscal oversight, and provide technical assistance to grantees. The capital project component of this bill will require 5 temporary FTEs--Three FTEs will be hired in the first year and two additional staff will be hired in the second year. Staggering the hire dates will ensure continuity of service.

FTEs are assumed to begin in FY2024, and require an up-front administrative cost of \$17,744, and ongoing monthly administrative costs of \$2,228. Fringe benefits are estimated using the most recent union contracts.

It is assumed this work will require three FTEs classified as 14L for the Emergency Services Program.

It is assumed this work will require three FTEs classified as 14L for the Homeless Youth Act.

It is assumed this work will require one FTE classified as 14L for the Transitional Housing Program.

It is assumed one FTE classified as 21K will be required to supervise the unit providing expanded services.

It is assumed this will work require one FTE classified as 14L to provider operational, contract management and project management support.

It is assumed this work will require five temporary FTEs classified as 14L to manage the one-time funding in emergency shelter facilities capital projects.

A 32% federal funds participation rate is applied to administrative expenses.
