

Subject DNR Rulemaking

Authors Hansen, R.

Analyst Janelle Taylor

Date February 24, 2021

Summary

This bill would allow the Department of Natural Resources (DNR) to use the expedited rulemaking process when adopting changes to the placement and boundaries of land use districts in the Mississippi River Corridor Critical Area (MRCCA). The MRCCA is a state designated corridor along 72 miles of the Mississippi River within the seven-county metropolitan area where land use is regulated by local governments through plans and ordinances that meet specific criteria intended to protect the river and adjacent lands.
