

The Advocate:

On February 14th, Linda was crowned Ms. Wheelchair Minnesota 2022, just 3½ years after the autoimmune disorder Guillain-Barre Syndrome (GBS) left her fully paralyzed. She is a quadriplegic, and her care assistant has to change her on the floor. Now, she is a fierce advocate for the needs of people with disabilities.

The Issue:

To create awareness of the fact that in most Family/Personal Caregivers bathrooms, we need a pull-down table for the elderly, the wheelchair-bound, the disabled, or any person not able to sit on the toilet. We need adult changing tables in public bathrooms at places such as schools, hospitals, malls, parks, sports arenas, airports, resorts and highway rest stops.

Help make the world a better place by turning
Linda's slogan into reality:

**"NO MORE
CHANGING ON
THE FLOOR!"**
