1.7 Subdivision 1. Purpose. The commissioner of human services shall establish a pilot
1.8 project to assist parents with disabilities in childrearing tasks. The purpose of this pilot
1.9 project is to assist a parent with a disability in childrearing tasks and to prevent removal of
1.10 a child from a parent solely because the parent has a disability.

1.11 Subd. 2. Definitions. (a) For the purposes of this section, the definitions in Minnesota
1.12 Statutes, section 256B.0659, subdivision 1, apply except for the following terms that have
1.13 the meanings given them in this subdivision.

1.14 (b) "Adaptive parenting equipment" means a piece of equipment that increases, extends,
1.15 or improves the parenting capabilities of a parent with a disability.

1.16 (c) "Child" means a person under 18 years of age.

1.17 (d) "Childrearing task" means a task that assists a parent with a disability to care for a
1.18 child. Childrearing task includes, but is not limited to: lifting and carrying the child,
1.19 organizing supplies for the child, preparing meals for the child, washing clothing and bedding
1.20 for the child, bathing the child, childproofing the home that the parent and child live in, and
1.21 assisting with transporting the child.

1.22 (e) "Commissioner" means the commissioner of human services.

2.1 (f) "Parent" means a child's biological, foster, or adoptive parent or legal guardian who

2.6 (h) "Supportive parenting service" means a service that (1) helps a parent with a disability
2.7 compensate for aspects of the parent's disability that affect the parent's ability to care for
2.8 the child, and (2) enables the parent to complete parental responsibilities, including
2.9 childrearing tasks. Supportive parenting service does not include disciplining the parent's
2.10 child.

2.11 Subd. 3. **Personal care assistance services; covered services.** (a) If a parent is eligible
2.12 for and receiving personal care assistance services through medical assistance under

2.14 assistance services for supportive parenting services under this section. A parent must use
2.15 one personal care assistant (PCA) under this section at a time, regardless of the parent's
2.16 number of children. Supportive parenting services provided under this section are services
2.17 for the parent and not the child.

2.25 personal care assistance services under Minnesota Statutes, section 256B.0659. Supportive
2.26 parenting services under this section do not count toward a parent's 275 hours per month
2.27 of medical assistance personal care assistance under Minnesota Statutes, section 256B.0659,
2.28 subdivision 11, paragraph (a), clause (10).

2.29 (d) A parent's supportive parenting services shall be limited to 40 hours per month.

2.30 (e) If the commissioner deems necessary, the commissioner shall develop standards and
2.31 training requirements for a provider providing supportive parenting services under this
2.32 subdivision.

3.1 Subd. 4. **Adaptive parenting equipment.** A parent eligible for PCA services under
3.2 subdivision 3 is also eligible to receive adaptive parenting equipment. The commissioner

3.5 Subd. 5. **Grants.** (a) The commissioner, in consultation with the advisory committee
3.6 described in subdivision 7, shall develop an application process for and award two-year

3.14 1, 2022, whichever is earlier, the commissioner of human services, in consultation with the
3.15 advisory committee, must submit a report on the pilot project to the chairs and ranking

3.17 policy and finance. At a minimum, the report must address the following items:
