Date February 4, 2023

Overview

Transition aid and levy is a part of general education revenue. For fiscal year 2004, transition revenue was provided entirely in state aid. Since that time, transition revenue has been an equalized aid and levy.

H.F. 1259 removes an obsolete transition aid calculation last used for the 2003-04 school year.

Summary

Section	Description
---------	-------------

- | | |
|---|--|
| 1 | Transition aid.
Removes an obsolete aid calculation that last applied to fiscal year 2004. |
